APPLICATION FOR OIL PIPELINE LICENCE

Notice is hereby given in accordance with section 8 of the Oil Pipelines Act, 1965, that the Shell-BP Petroleum Development Company of Nigeria Limited has applied to the Federal Ministry of Mines and Power for the grant of a licence to enter upon, take possession of, and use for 20 (twenty) years a strip of land for the purpose of laying a 10" diameter oil pipeline running from the manifold at the proposed Sapele West Flowstation to the Amukpe Junction where it joins the 24" Amukpe/Rapele Trunkline, all in the Western Urhobo Division in the Mid-Western State of Nigeria, the route of which is demarcated on the ground by a survey trace marked with yellow stakes and herein described.

DESCRIPTION

All that strip of land approximately 9.4 miles long, situate within Western Urhobo Division of the Mid-West State of Nigeria the route which traverses dry land and seasonal swamp and is shown in red in Licensee's Drawing No. L.P.L. 11260 dated March 1971.

The width of the said strip of land will be approximately as follows:—

	Feet
(a) where the route traverses dry land ..	75
(b) where the route traverses seasonal swamp ..	100
(c) in the vicinity of all points of intersection (PI's) ..	200

Where in the following text the bearing of the line is described as proceeding to a certain PI. the line will follow a simple curve from a tangent point before the PI. and will enter the next bearing at a tangent point after the PI. the exact distance from tangent point to tangent point will vary according to the radius of the curve used.

The route of the line is described as follows:—

Starting at the outgoing manifold of the projected Sapele West Flowstation, marked PI.O on the plan, the route proceeds on a bearing of 257° 35' for a distance of 115 feet to a point marked PI.OA, thence on a bearing of 167° 35' for a distance of 180 feet to a point marked PI.OB, thence on a bearing of 105° 30' for a distance of 351 feet to a point marked PI. 1, thence on a bearing of 99° 11' for a distance of 2,426 feet to a point marked PI.2, thence on a bearing of 86° 10' for a distance of

3,957 feet to a point marked PI.3, thence on a bearing of 91° 52' for a distance of 3,256 feet to a point marked PI.4, thence on a bearing of 72° 57' for a distance of 3,508 feet to a point marked PI. 5, thence on a bearing of 100° 13' for a distance of 8,477 feet to a point marked PI.6, thence on a bearing of 120° 01' for a distance of 1,629 feet to a point marked PI.7, thence on a bearing of 130° 23' for a distance of 654 feet to a point marked PI.8, thence on a bearing of 202° 42' for a distance of 1,809 feet to a point marked PI.9, thence on a bearing of 189° 20' for a distance of 1,302 feet to a point marked PI.10, thence on a bearing of 145° 09' for a distance of 10,940 feet to a point marked PI.11, thence on a bearing of 71° 49' for a distance of 3,675 feet to a point marked PI.12, thence on a bearing of 110° 03' for a distance of 1,968 feet to a point marked PI.13, thence on a bearing of 43° 32' for a distance of 1,903 feet to a point marked PI.14, thence on a bearing of 99° 58' for a distance of 3,587 feet to a point marked PI.15, being a manifold in the projected 24" Amukpe-Rapele Trunkline.

All bearings and lengths are approximate and all bearings refer to grid North.

2. A copy of the plan of the pipeline route identifying land affected can be inspected during all normal working hours at Divisional office, Sapele, the Ministry of Mines and Power, Warri and Lagos and the office at Warri of the aforesaid Company

3. Any person who considers that his land or interest in land will be injuriously affected by the grant of the licence should lodge orally or in writing not less than seven days before the hearing date in paragraph 6, with the Ministry of Lands and Housing (Lands Division), Benin City, notice of objection stating the interest of the objector and the grounds of objection.

4. Any public officer who receives a verbal objection in the course of his duty shall record the name and address, interest and grounds of objection and shall forward such details to the Ministry of Lands and Housing (Lands Division), Benin City.

5. Matters relating to the amount of compensation payable by the aforesaid Company for its use of land affected shall not be material grounds to include in a notice of objection.

6. The delegate of the Lands Division of the Ministry of Lands and Housing, Benin City, shall enquire into objections (if any) duly lodged in accordance with paragraphs 3 and 4 above at his office at Benin City at 10 a.m. on the 11th day of

October, 1971, giving all parties an opportunity to be heard. Reports thereof shall be sent without delay to the Director of Petroleum Resources, Federal Ministry of Mines and Power, Lagos.

7. Compensation payable by the aforesaid Company for its use of the land affected shall be determined by negotiations between the Company and the landowners and/or occupiers.

Government Notice No. 1388

FEDERAL MINISTRY OF INDUSTRIES

ESTABLISHMENT OF PLANTS FOR THE PRODUCTION OF EDIBLE SALT

The Federal Government desires to establish, in collaboration with any local or foreign investor, Government or International Institution two plants for the production of edible salt based on the importation of crude salt for local refinery at two major ports, each with a maximum tonnage of 75,000 tons per annum under the following terms:—

(a) That the proposals should be economically viable and that price policies should be such as to maintain a stable price for salt during a specified period;

(b) That Government participation in equity shall not exceed 55 per cent of the equity shares in both plants;

(c) That the equity participation of the prospective investors, who will also be technical partners, will not be less than 40 per cent of the equity shares in both plants;

(d) That the prospective partners should be capable of providing efficient management of the manufacturing plants and distribution system;

(e) That there should be provision for stockpiling of crude salt for at least one year in peace time and at least two years in war time;

(f) That a detailed training scheme for Nigerians will be designed by the prospective partners to ensure that the Nigerians acquire suitable know-how to operate the industry within a reasonable period;

(g) That the industry should be flexible enough to utilise local sources of raw materials when available in commercial quantities;

(h) That there should be provision in the proposals for the eventual manufacture of by-products, such as industrial salt, caustic soda, chlorine, etc.;

(i) That the proposals submitted should not be based on a turn-key system;

(j) That no preference should be given to any one currency area;

(k) That the salt to be produced should either be light or high density salt.

2. All applications already submitted should be revised along the terms set out in this Notice and re-submitted. Revised as well as fresh proposals should be marked "Secret" and forwarded to the Permanent Secretary, Federal Ministry of Industries, Yakubu Gowon Street, Lagos, not later than 30th September, 1971. All proposals received will be evaluated in accordance with the normal Government procedure.

3. This Notice supercedes the Federal Ministry of Industries, Government Notice No. 1171 of 19th November, 1970.

LIMAN CIROMA,
Permanent Secretary,
Federal Ministry of Industries
