Government Notice No. 1897

**COMPETITION FOR ENTRY INTO THE ADMINISTRATIVE AND SPECIAL DEPARTMENTAL
CLASSES OF THE WESTERN STATE OF NIGERIA PUBLIC SERVICE, 1972**

It is notified for the information of intending candidates that the competition for entry into the Administrative Class and the Special Departmental Classes of Auditors, Assistant Registrars of Co-operative Societies, Produce Officers and Inspectors of Taxes, all in Scale 'A' in the Western State of Nigeria Public Service will start in April 1972.

2. The competition comprises:

(a) a qualifying written examination, conducted by the West African Examinations Council;

(b) a series of tests and interviews, known as an Extended Interview, conducted by the Public Service Selection Board; and

(c) an interview before the Public Service Commission.

Only those candidates who attain the qualifying standard in the written examination will be invited for the tests and interviews to be conducted by the Public Service Selection Board. The Public Service Commissioners will subsequently select, in the light of candidates' performances at the Selection Board, those whom they will themselves interview.

3. To be eligible for admission to the competition, a candidate who is not already a serving officer in the Western State of Nigeria Public Service must hold a Degree from a recognised University, or alternatively in the case of the Special Departmental Classes of Auditors and Inspectors of Taxes, a recognised professional qualification, i.e. the Final Certificate or Associate Membership of any of the following Professional Bodies:

(i) Institute of Chartered Accountants;

(ii) Association of Certified and Corporate Accountants;

(iii) Institute of Cost and Works Accountants;

(iv) Institute of Municipal Treasurers and Accountants.

Note.—(1) For the Special Departmental Classes of Assistant Registrars of Co-operative Societies, a degree in Economics is preferable and for the Class of Produce Officers, the degree must be either in Agriculture or Economics.

(2) 'Recognised' in the above context means 'recognised by the Government of Western State of Nigeria'.

4. Candidates who are sitting for any of the above qualifications in 1972 will also be eligible for admission to the competition on the understanding that if they fail to secure the appropriate qualifications, they will automatically drop out of the competition.

5. The written examination will not be designed to test candidates on the subjects in which they hold degrees, but to test their ability to think clearly and to understand and write English and also their knowledge of current affairs, with particular reference to West African Affairs. Notes for the guidance of candidates drawn up by the West African Examinations Council will be issued to all candidates in due course. The Examination will comprise the following papers:

(i) *English (Precis and Critical Appreciation).*—This paper will consist of a precis of a passage supplemented by a question asking candidates to comment critically on the central idea of the passage.

(ii) *Current Affairs.*—This will be in two parts. Paper I will consist of three questions of the traditional Essay Type, all of which must be answered. Paper II, an objective test, will consist of fifty questions, all of which must also be answered. In both papers the range of questions will be such as will cater for the graduate, the University student as well as the non-graduate. The questions are intended to test the intelligent awareness of current affairs which any educated person may reasonably be presumed to possess.

(iii) *General.*—This will consist of two questions, one will test ability to detect dubious thinking, and will contain short passages, the Logical Force of which is to be discussed critically. The other will test ability to draw Statistical Inferences from a table of numerical data.

The written examination will be held in April 1972 in Lagos, Ibadan, Ife, Akure, Jos, London, Washington and at such other centres as may be determined later.

7. Minimum transport expense to and from London and Washington will be refunded to candidates who are in the British Isles or the United States of America respectively, who travel to and from those cities for the purpose of taking the written examination. In respect of attendance at the Public Service Selection Board, a detention allowance, subject to a maximum of two nights, will be paid to candidates who are neither serving officers nor resident in the city where the Board is held, to help them in defraying the cost of their accommodation and transport expenses in that city. A refund of minimum local transport expenses to and from the place of interview is also payable.
