5. The written examination will not be designed to test candidates on the subjects in which they hold degrees or professional qualifications, but to test their ability to think clearly and to understand and write English and also their knowledge of current affairs, with particular reference to West African Affairs. Notes for the guidance of candidates drawn up by the West African Examinations Council will be issued to all candidates in due course. The Examination will comprise the following papers:

(i) *English (Precis and Critical Appreciation)*—This paper will consist of a precis of a passage supplemented by a question asking candidates to comment critically on the central idea of the passage.

(ii) *Current Affairs*—This will be in two parts. Paper I will consist of three questions of the traditional Essay Type, all of which must be answered. Paper II, an objective test, will consist of fifty questions, all of which must also be answered. In both papers, the range of questions will be such as will cater for the graduate, the University student as well as the non-graduate. The questions are intended to test the intelligent awareness of current affairs which any educated person may reasonably be presumed to possess.

(iii) *General*—This will consist of two questions, one will test ability to detect dubious thinking, and will contain short passages, the logical force of which is to be discussed critically. The other will test ability to draw statistical inferences from a table of numerical data.

6. The written examination will be held in January 1973 in Lagos, Ibadan, Ife, Akure, Jos, London, Washington and at such other centres as may be determined later.

7. Minimum transport expense to and from London and Washington will be refunded to candidates who are in the British Isles or the United States of America respectively, and who travel to and from those cities for the purpose of taking the written examination. In respect of attendance at the Public Service Selection Board, a travelling allowance,

subject to a maximum of two nights, will be paid to candidates who are neither serving officers nor resident in the city where the Board is held, to help them in defraying the cost of their accommodation and transport expenses in that city. A refund of minimum local transport expenses to and from the place of interview is also payable. In all cases, candidates will be responsible for arranging their own accommodation and transport and meeting the cost in the first instance.

8. Each candidate will be required to pay an examination fee of £N5-5s which is not refundable.

9. Serving Officers are being informed of the special arrangements affecting them. Other candidates who have already applied on Form WSPSC 1 for appointment to one or more of the classes mentioned in paragraph 1 above should, if in Nigeria, send to the Secretary, Public Service Commission, Ibadan, Treasury Receipt for the £N5-5s competition fee or, if outside Nigeria, send £N5-5s by Money Order or Postal Order, crossed in each case, to the authority to whom they addressed their applications on Form WSPSC 1 under a covering letter referring to their applications. These must be received not later than Friday, 15th September, 1972. This Commission will not accept any responsibility for money sent in any other manner than that prescribed and late entries will not be entertained.

10. Candidates who have not yet applied but wish to do so should send the fee in the manner prescribed above, with their application on Form WSPSC 1, to the Secretary, Public Service Commission, Ibadan, if they are in West Africa, or to the Recruitment Attaché, Nigeria High Commission, 9 Northumberland Avenue, London, W.C.2 if they are in Europe, or to the Recruitment Attaché, Embassy of Nigeria, 1333 Sixteenth, N.W.
