Government Notice No. 1420

WESTERN NIGERIA MARKETING BOARD

APPOINTMENT OF LICENSED BUYING AGENTS UNDER THE 1973 PALM KERNELS AND PALM OIL MARKETING SCHEMES

It is notified for general information that the Board is prepared to consider applications for appointment as licensed buying agents under the 1973 Palm Kernels and Palm Oil Marketing Schemes.

2. An applicant will be required to produce evidence that he is able to fulfil the minimum conditions set out in the following paragraphs, which are based on:—

(a) The normal functions which a licensed buying agent is required to perform under the existing marketing schemes.

(b) Ability to purchase with reasonable regularity throughout the duration of the scheme the following minimum quantities:—

Palm Kernels	600 tons
Palm Oil	175 tons

3. (a) Containers:

(i) *Palm Kernels*: "B" Twill Bags will be sold to licensed buying agents by the Board. Applicants must, also, produce evidence of ability to provide sufficient twine to cover at least the minimum purchase.

(ii) *Palm Oil*: Applicants must show that they possess enough drums/casks to cover the minimum purchase requirements.

(b) Capital:

Applicants will be required to produce acceptable evidence of their ability to provide the necessary capital to finance their purchases. Buying agents will be required to buy at not less than minimum prices at gazetted buying stations and to arrange for the produce to be evacuated to port (in the case of palm kernels) or Bulk Oil Plant (in the case of Palm Oil), at which point payment is made against delivery of the produce in the approved manner.

The minimum capital requirements are as follows:—

Palm Kernels	£4,000
Palm Oil	£3,000

Applicants will be required to forward, as evidence of their ability to satisfy the minimum capital requirement, copies of their bank statements for the six months preceding the date of the application, duly certified by their bankers. Only applications to which such bank statements have been attached will be considered.

Storage.—Applicants must be able to provide evidence that they have available in their proposed areas of operation proper storage to cover at least two hundred tons of Palm Kernels.

All stores must comply with the requirements of, and be approved by the Produce Inspection Service of the Western State. It is the responsibility of the applicant to request in writing the Produce Officer of the area concerned to inspect and approve his store.

(d) *General*: An applicant must be prepared to produce satisfactory evidence that he is fully conversant with the produce trade in question and that in particular he will be able to fulfil the following conditions:—

(i) *Equipment*: That he possesses the required equipment for the grading of produce for export.

(ii) *Inspection of Produce*: That he will be able to provide grading equipment and an adequate labour force at all stores.

(iii) *Returns*: That he will render promptly and accurately all returns particularly as to purchases, and stocks, which may be called for by the Board's executive.

(iv) *Evacuation*: That he will be able to make arrangements to secure the necessary transport to ensure the smooth and regular evacuation of produce by approved routes.

(v) *Delivery*: That he can arrange delivery of Palm Oil to the appropriate Bulk Oil Plant and of Palm Kernels to Board stores at port of shipment and also in accordance with instructions issued from time to time by the Board's executive.

4. *Method of application*.—Application forms together with details as to their completion can be obtained free of charge from the Headquarters of the Western Nigeria Marketing Board, Cocoa House, Bank Road, Private Mail Bag 5032, Ibadan or the Lagos Zonal Headquarters of the Board, Private Mail Bag 1018, Oba Akran Avenue, Ikeja. Firms and persons wishing to apply for appointment as buying agents must submit application forms in duplicate and correctly completed to the General Manager, Western Nigeria Marketing Board, Private Mail Bag 5032, Cocoa House, Ibadan, not later than the 31st August, 1972. It is emphasised that applications received after the closing date will not be considered. Firms and persons already appointed under the current Marketing Scheme are not required to re-apply.

FEDERAL MINISTRY OF WORKS AND HOUSING

TENDER FOR CONSTRUCTION OF
BRIDGE OVER THE IMO RIVER ON THE
PORT HARCOURT-ABA ROAD SECTION OF
TRUNK ROAD A-3
CONTRACT No. 1248

Tenders are invited from Civil Engineering Contractors registered with the Federal Works Registration Board in Category 'D' for the construction of a road bridge over the Imo River. This project is financially assisted by the Federal Republic of Germany.

2. The work to be carried out consists of construction of a bridge of five spans for a total length of 450 feet with an overall width of 32 feet made up of 24 feet carriageway and 4 feet elevated sidewalks on each side. The superstructure of the bridge will be in composite construction of steel girders and reinforced concrete deck. The piers and abutments will be supported on 16 inches diameter cased steel piles. The works also include the construction of 1½ miles of approach roads.

3. Alternative design for the bridge will be allowed provided that the contractors comply with the requirements contained in the Contract Documents.

4. Tenderers should apply to the Chief Engineer (Planning), Room 227A, Federal Ministry of Works, Lagos, during office hours on weekdays for official tender documents.

5. Each tenderer is required to pay a deposit of £100 into any Sub-Treasury in Nigeria under Revenue Head 7, Sub-head 12—'Deposit on Tenders' of the current Federal Military Government Estimates. A refund of £40 will be made later to all tenderers after the tenders have been considered.

6. Tenderers are also required to furnish along with the tenders a photostat copy of tax-payment receipts for the current and preceding years.

7. Expatriate firms wishing to tender should indicate whether or not their companies are established in Nigeria in accordance with the Immigration Act and the Companies Decree.

8. Tenders must be submitted on the official form of tender in sealed envelopes marked as described in the tender document, and addressed to the Secretary, Federal Tenders Board, Federal Ministry of Works, Victoria Island, Lagos, so as to reach him not later than noon on Saturday, 16th September, 1972.

9. No tenders will be considered unless they are submitted in full compliance with the provisions of this notice.

10. The Board is not bound to accept the lowest or any tender.

ANNOUNCEMENT OF VACANCY

Country.—Indonesia.

Project.—UNDP/INS 72031.

Code.—L.08003-326-XXX.

Date issued.—May 1972.

Closing date for applications.—15th July, 1972.

General field.—Labour Administration.

Title of post.—505—Labour Administration Adviser.

Duty station.—Djakarta.

Duration of appointment.—12 months with possibility of extension up to a total of 18 months.

Desirable starting date.—September 1972.

Terms of appointment.—Salary and allowances are free from income tax. Although quoted in US dollars, they are payable partly in the currency of the home country and partly in the currency of the duty station.

Annual salary.—Between US \$16,555 and US \$20,130.

(The initial salary of the appointee will be fixed in accordance with his/her qualifications and experience. Increments are granted annually.)

Post adjustment.—(Class 4) (subject to change) between US \$1,896 and US \$2,200 (single rate), between US \$2,844 and US \$3,300 (dependant rate).

Assignment allowance: US \$1,100 (single rate) US \$1,400 (dependent rate).

Family allowance (if eligible).—Spouse: US \$400 per annum. Each child: US \$300 per annum.

Other benefits.—Installation allowance, education grant for children, repatriation grant upon termination of assignment, 30 working days' annual leave, home leave travel with eligible dependants every 2 years, social security benefits.

Description of duties.—The expert will carry out, jointly with an expert in labour legislation, a mission to improve and further develop Indonesia's system of labour administration and labour laws. The expert in labour administration will in particular—

(a) carry out with the Government authorities concerned a review of the current system of labour administration and of its relevance to the country's economic and social development. Help to ensure consultation of the views of other institutions concerned. Identify the priority fields for revision, reorientation and further evolution of the system. Advise the Department of Manpower on the measures necessary, in light of present and anticipated needs;

(b) advise the Department of Manpower on selection of the measures (within the competence of the project's experts) to be proposed for the Second Plan. Help in drafting the proposals and in their recommendation, negotiation and co-ordination to or with the various Government or non-official authorities concerned. Contribute to the

detailed working out of budgetary resources and staffing requirements of the programme likely to feature in the Second Plan;

(c) contribute to the Government's review of the scope, status and functions of the Department of Manpower. Advise and assist in measures for overall strengthening of the Department, for expansion and elaboration of its services (having regard particularly to application and administration of labour laws) and for making its operations more effective in their contribution to national development objectives. Help in obtaining the reorganisation and restructuring of particular services, and in the establishment of any new services required. Help in generally improving the functioning and methods of work of the principal field services, particularly in the regions. Contribute to the preparation (or revision) of policy and administrative directives, working instructions, informational documentation, etc. Advise as required on personnel policy matters affecting the Department. Contribute to the preparation of financial estimates and to the assessment of requirements for premises, equipment, transport and other resources;

(d) advise and assist the Department of Manpower in adapting and developing its programme of training for its staff, and in formulating guidelines for expansion of such a programme over the longer term. Advise particularly on specialist training measures and career development. Train the counterparts working directly with the adviser;

(e) promote and contribute to short-term training courses of upgrading or refresher type for the Department's technical officers, with due attention to the needs of the regions. Contribute to the production of a labour officer's handbook, work manuals and other training material, and to the selection and dissemination of technical literature and information reports.

Qualifications required.—Extensive practical knowledge of labour ministry roles, functions, organisation, staffing and finances, gained preferably from long experience of labour administration in the context of developing countries. The expert should have held a high administrative position in a labour ministry. Specialisation in one or more of the fields of labour inspection, labour relations, employment service, or staff training would be an advantage.

Language.—English.
