Oil Pipeline Act, 1965

APPLICATION FOR AN OIL PIPELINE LICENCE 16" DIAMETER PIPELINE

Notice is hereby given in accordance with section 8 of the Oil Pipelines Act, 1965 that THE SAFRAP NIGERIA LIMITED whose registered office is at 63 Marina, Lagos, has applied to the Federal Ministry of Mines and Power for the grant of a licence to enter upon, take possession of and use for 20 (twenty) years a strip of land for the purpose of laying a 16" diameter Oil Pipeline from a point in the Company's Upomami proposed Tank Farm to a tie-in point in the 28" SHRL-BP Trans-Nigeria Pipeline near Batan, the route of which is demarcated on the ground by a survey trace marked with blue stakes and is herein described.

2. *Description.*—All that strip of land approximately 8 miles long situate within the Warri Division of the Mid-Western State, the route of which traverses only Swamp Rivers and Creeks and is shown in red in the Company's plan number 301-B1-A1 dated September 1972.

The width of the way leave will be approximately as follows:

- usually where the route of the line traverses swamp—15 meters (about 50 feet)
- at water crossings, creeks and rivers up to 60 meters (about 200 feet).
- The route of the line is described in the following text:

Where in the following text, the bearing of the line is described as proceeding to a certain P.I. (Point of Intersection), the line will follow a simple curve from a tangent point before the P.I. and will enter the next bearing at a tangent point after the P.I., the exact distance from tangent point to tangent point will vary according to the radius of curve used.

Starting at the proposed outgoing manifold at the proposed Upomami Tank Farm (marked P.I. 0 on the plan) the route proceeds on an approximate bearing of 148° 49' for a distance of approximately 23 meters to a point marked P.I. 1, thence on an approximate bearing of 238° 49' for a distance of approximately 329 meters to a point marked P.I. 2; thence on an approximate bearing of 140° 35' for a distance of approximately 757 meters to a point marked P.I. 3, thence on an approximate bearing of 150° 11' for a distance of approximately 267 meters to a point marked P.I. 4,

thence on an approximate bearing of 159° 36' for a distance of approximately 1,015 meters to a point marked P.I. 5, thence on an approximate bearing of 149° 32' for a distance of approximately 699 meters to a point marked P.I. 6, thence on an approximate bearing of 160° 09' for a distance of approximately 781 meters to a point marked P.I. 7, thence on an approximate bearing of 191° 05' for a distance of approximately 2,469 meters to a point marked P.I. 8, thence on an approximate bearing of 179° 50' for a distance of approximately 514 meters to a point marked P.I. 9, thence on an approximate bearing of 191° 26' for a distance of approximately 1,091 meters to a point marked P.I. 10, thence on an approximate bearing of 194° 11' for a distance of approximately 252 meters to a point marked P.I. 11, thence on an approximate bearing of 199° 29' for a distance of approximately 1,440 meters to a point marked P.I. 12, thence on an approximate bearing of 154° 25' for a distance of approximately 273 meters to a point marked P.I. 13, thence on an approximate bearing of 214° 25' for a distance of approximately 2,700 meters to a point marked P.I. 14, thence on an approximate bearing of 155° 24' for a distance of approximately 172 meters to a point marked P.I. 15, thence on an approximate bearing of 194° 44' for a distance of approximately 112 meters to a point marked P.I. 16, thence on an approximate bearing of 184° 21' for a distance of approximately 123 meters to the terminating point P.I. 17, which is the tie-in point near Batan with the 28" SBPC Trans-Nigeria Pipeline.

All bearings and distances are approximate, and all bearings refer to Grid North.

The top of the oil pipeline will be a minimum 0.60 meter below natural ground level where the pipeline traverses swamp, 1.50 meter (about 5 feet) below natural ground level where the pipeline traverses minor rivers and creeks and 3 meters (about 10 feet) below natural ground level where the pipeline traverses major rivers.

(2) A copy of a plan of the pipeline route identifying the land affected can be inspected during all normal working hours at the Divisional Office, Warri Division, Permanent Secretary, Ministry of Lands and Housing, (Land Division), Benin City, the Ministry of Works, Lands and Housing, (Lands Division), Warri, the Federal Ministry of Mines and Power, Warri and Lagos, or the offices of the aforesaid Company at Lagos, Port Harcourt and Warri.

(3) Any person who considers that his land or interests will be injuriously affected by the grant of the licence should lodge orally, or in writing not less than seven days before the hearing date in paragraph

6 with the Permanent Secretary, Ministry of Works, Lands and Housing (Lands Division) Benin City; notice of objection stating the interest of the objector and the grounds of objection.

(4) Any public officer who receives a verbal objection in the course of his duty shall record name and address, interest and grounds of objection, and shall forward such details to the Permanent Secretary, Ministry of Works, Lands and Housing (Lands Division) Benin City.

(5) Matters relating to the amount of compensation payable by the aforesaid Company for its use of the land affected shall not be material to include in a notice of objection.

(6) The Permanent Secretary, Ministry of Works, Lands and Housing (Lands Division) Benin City, shall enquire into the objections (if any) duly lodged in accordance with paragraphs 3 and 4 of the above at Warri at 10 a.m. on the 29th day of December, 1972 giving all parties an opportunity to be heard. The results thereof shall be sent without delay to the Director of Petroleum Resources, Federal Ministry of Mines and Power, Lagos.

(7) Compensation (if any) payable by the aforesaid Company for its use of the land affected shall be determined by negotiation between the Company and the land owners and/or occupiers.

DATED this 16th of November, 1972.

Government Notice No. 2042

Oil Pipelines Act 1965

APPLICATION FOR AN OIL PIPELINE LICENCE

NOTICE is hereby given in accordance with section 8 of the Oil Pipelines Act 1965, that the Shell-BP Petroleum Development Company of Nigeria Limited, has applied to the Federal Ministry of Mines and Power for the grant of a licence to enter upon, take possession of, and use for a period of 20 (twenty) years, a strip of land for the purpose of laying an 8" diameter oil pipeline from a point in the Company's Ubie oilfield to a point on its Trans-Niger Pipeline near Ukperede in the Ahoada Division of the Rivers State, the route of which is demarcated on the ground by a survey trace marked with yellow stakes and is herein described.

DESCRIPTION

1. All that strip of land, approximately 3.7 kilometers long, situate within the Ahoada Division of the Rivers State, the route of which traverses dryland and swamp and is shown in red on Company's Drawing number 51745 dated July 1, 1972.

The width of the strip of land will be 50 feet. The route of the pipeline is described in the following text. Where in the following text the bearing of the line is described as proceeding to a certain P.I., the line will follow a simple curve from the tangent point before the P.I. and will enter the next bearing at a tangent point after the P.I., the exact distance from the tangent point will vary according to the radius of the curve used.

Starting at the outgoing manifold at the proposed Ubie flowstation, marked P.I.-O on the plan, the route proceeds on an approximate bearing of 106° 40' for a distance of approximately 38m to a point P. I-1, thence on an approximate bearing of 198° 28' for a distance of approximately 903m to a

point P.I.-2, thence on an approximate bearing of 257° 19' for a distance of approximately 105m to a point P. I-3, thence on an approximate bearing of 218° 43' for a distance of approximately 721m to a point P. I-4, thence on an approximate bearing of 277° 22' for a distance of approximately 220m to a point P.I.-5, thence on an approximate bearing of 213° 45' for a distance of approximately 1,686m terminating at a point P.I.-6, which is the tie-in point on the Trans-Niger Pipeline.

All bearings and distances are approximate, and all bearings refer to Grid North.

The top of the pipeline will be a minimum of 2½ feet below natural ground level on dryland, and 2 feet below minimum ground level in the swamp.

2. A copy of a plan of the pipeline route identifying the land affected can be inspected during all normal working hours at the Divisional Office, Ahoada, the Ministry of Works, Lands and Housing, (Lands Division) Port Harcourt, the Federal Ministry of Mines and Power, Port Harcourt and Lagos, or the offices of the aforesaid Company.

3. Any person who considers that his land or interest will be injuriously affected by the grant of the licence should lodge orally or in writing not less than seven days before the hearing date in paragraph 6, with the Permanent Secretary, Ministry of Works, Lands and Housing (Lands Division), Port Harcourt, notice of objection stating the interest of the objector and the grounds of the objection.

4. Any public officer who receives a verbal objection in the course of his duty shall record the name and address, interest and grounds of objection and shall forward such details to the Permanent Secretary, Ministry of Works, Lands and Housing, Port Harcourt.

5. Matters relating to the amount of compensation payable by the aforesaid Company for its use of the land affected shall not be material grounds to include in a notice of objection.

6. The Permanent Secretary, Ministry of Works, Lands and Housing (Lands Division), Port Harcourt shall enquire into objections (if any) duly lodged in accordance with paragraphs 3 and 4 above at his office at Port Harcourt at 10 a.m. on the 8th day of January, 1973, giving all parties an opportunity to be heard.

Reports thereof shall be sent without delay to the Director of Petroleum Resources, Federal Ministry of Mines and Power, Lagos.

7. Compensation (if any) payable by the aforesaid Company for its use of the land affected shall be determined by negotiation between the Company and the landowners and/or occupiers.

ESTABLISHMENT OF DISTANT WATER
(DEEP SEA) FISHING COMPANY
IN NIGERIA

The Federal Government of Nigeria desires to establish, immediately, a distant water (deep sea) fishing company based in Nigeria, in collaboration with any reputable local and foreign investors or International Institute. The terms for acceptance of any proposal include the following:—

1. That the proposal be sponsored by investors or Institution with sound financial background and with considerable practical experience in the fishing industry.

2. That the Nigerian (Public and Private) participation in equity will not be less than 51 per cent of the equity shares of the company.

3. That the equity participation of the prospective investors, who will also be technical partners shall not exceed 49 per cent of the equity shares in the company.

4. That the prospective partners should be capable of providing suitable fishing vessels, constructing workshops and establishing relevant shore-based facilities for the company. It is expected that about 5 fishing vessels of about 2,000 gross tonnage would be required for the initial operations.

5. That the prospective partners should present a detailed proposal based on the current catch rates in the high seas, particularly off the Atlantic Coast of Africa.

6. That the proposal from prospective partners should include the following information:—

(i) (a) Vessels and equipment—A full schedule should be prepared as far as it is known, showing cost of vessels equipments and parts;

(b) Office accommodation and shore-based facilities should be costed out.

(ii) Time schedule for construction, installation and start up of the project.

(iii) The proposed Capital Structure with details of sources of total capital cost usually consisting of:—

(a) Ordinary Equity Share Capital;

(b) Debentures or Loans;

(c) Bank Overdrafts;

(d) Credit from Suppliers of vessels and equipments.

(iv) Estimated production costs.

(v) Estimated trading results.

N.B.—The information required at (iv) and (v) are also best given in the form of an appendix and should show in the fullest possible detail the estimated operating costs and profits every six months for 10 years.

(vi) Cash flow estimates for the same period with provision for tax and service of loans.

(vii) The names of Bankers, Auditors, who could offer status reports on the sponsor.

7. That the prospective partners should present evidences of their ability to develop effective marketing scheme to market the product (fish) within the country.

8. That the prospective partners should provide an effective management plan for the company from production phase to marketing. They should also indicate the number and calibre of expatriates required.

9. That a proposal, which includes a detailed training scheme for Nigerians in various categories be shown by the prospective partners, to ensure that Nigerians acquire relevant technical skills to operate the company within a reasonable period.

10. That the prospective partners should be willing to commence operation within three months of the acceptance of their proposal.

11. That all quotations should be in £N (Nigerian pounds) at the rate of \$3.04 US to £1N.

12. Prospective sponsors of proposals should inform the Ministry of Industries, Lagos, of their intentions prior to writing out detailed proposals.

13. All applications should be marked "SECRET" and forwarded to the Permanent Secretary, Federal Ministry of Industries, Yakubu Gowon Street, Lagos, not later than 31st December, 1972. All proposals received will be evaluated in accordance with normal Government procedure.
