New Zealand	Cyprus
Sri Lanka (Ceylon)	Ghana

An applicant is allowed to choose two out of the Commonwealth countries listed in paragraph 3 above. It is advised, however, that applicants should not restrict their choices to any two of the very popular Commonwealth countries, such as, Britain and Canada, Britain and Australia, or Canada and Australia, as this would reduce their chances of being considered for awards, since these countries offer only a limited number of awards in a year.

4. *Qualification.*—Applicants should have a good University degree. The minimum entry requirement is second class upper.

5. *Age limit.*—Applicants should not be more than 30 years old by October 1974. Preference will be given to applicants below 30 years.

These reports should be sent by the referees direct to the Permanent Secretary, Federal Ministry of Education, Scholarships Section, Lagos. The envelopes containing them should be sealed and marked "Confidential CSFP 74". The last date for their receipt is 31st August, 1973.

8. *Closing date.*—Completed application forms with photostat copies of the following supporting documents—

account of the course of study they intend to pursue and an outline of the various stages they will follow in their courses. This is essential as it helps both in the selection of candidates and in the placement of applicants in the Universities of the awarding countries.

10. *Interview and recommendation.*—Interviews will be held for selected candidates sometime in September or October 1973. Only applicants who are qualified academically and who fill their forms properly and submit the documents listed in (8) above will be invited for interview.

(v) It has now come to the Ministry's notice that some applicants who, in the past, had been nominated by the Federal Government and were successful in gaining awards had, at the last moment rejected their offer of awards, or abandoned their courses halfway without satisfactory reasons. To avoid the recurrence of this, applicants are advised to be absolutely sure that they are genuinely in need of Scholarships, and that they, if successful in their applications, would not, without good reasons, reject their offer, or abandon their courses.
