Government Notice No. 1186

ORGANISATION OF THE PETROLEUM EXPORTING COUNTRIES (OPEC)

ANNOUNCEMENT OF VACANCIES

Applications are hereby invited from suitably qualified Nigerians for the nominations to the vacant post of Senior Exploration Officer, Grade II, in the headquarters office of the Organisation of the Petroleum Exporting Countries in Vienna, Austria.

Requirements :

(i) **Age range.**—32-45.

(ii) **Education.**—University degree in Science or Engineering.

(iii) **Experience.**—Minimum of six years varied experience in Petroleum Geology which should include participation in planning of exploration efforts for a major international oil company, or a government agency, or analysis of such efforts for a major producing country. Must have had experience in supervising operations of geological and geophysical contractors and in correlation work where various techniques were used.

(iv) **Language.**—Fluent command of written and spoken English essential.

His duties, among others, shall be as follows :

1. Collect and study information and data concerning all major sedimentary basins of the world and oil regions, with emphasis on those areas, the production of which may effect the marketing of oil from member countries ;

2. Prepare, on the basis of the above information, independent assessment of the oil possibilities of each province ;

3. Check such independent assessment against any other published assessment, investigate any discrepancy making the necessary corrections wherever required ;

4. Obtain production patterns, past statistics and future trends and estimate prospects of oil availability for future development ;

5. Work out cost of all exploration phases ;

6. Carry out field investigation whenever and wherever possible ;

7. Ensure that all geological, geophysical and typographic data required by the Organisation are properly collected, recorded, filed and made available at all times to all levels of the Organisation ;

8. Prepare reports, either independently or jointly, with the Senior Production Officer, giving a review of all new exploration developments, trends, methods and techniques, and recommend their use or significance to member countries ;

9. Participate, as indicated by the Chief of the Department in any Project-Group ; and

10. Carry out any further duties assigned by the Chief of the Department, as pertain to his background and position.

Salary.—US \$1,250-1,320-1,390-1,460-1,530 per month.

Conditions of service.—Generous conditions of service apply to all posts held in OPEC.

Method of application.—Three copies of detailed typewritten application giving educational background with dates, age, marital status, qualifications and experience should reach the Director, Department of Petroleum Resources, Federal Ministry of Mines and Power, Lagos, not later than 6th August, 1973.

Government Notice No. 1187

ANNOUNCEMENT OF FIELD POST VACANCY IN THE FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

Post title (Post No., Project).—VERTEBRATE PEST CONTROL OFFICER, Vertebrate Pest Control Centre, Karachi, PAK 71/554.

Vacancy Announcement.—No. 1066—AGP-193.

Date issued.—26th June, 1973.

Closing date.—21st August, 1973.

Duty station.—Karachi, Pakistan.

Duration.—12 months (subject to extension to a total of 30 months).

Starting date.—As soon as possible.

Background.—The UNDP is continuing to develop a large-scale project, executed by FAO, assisting the Government in establishing a vertebrate pest control centre at Karachi, Pakistan. A more efficient and adequately supported programme in rodent control will be developed. The ability to conduct and advise on rodent control operations in large stores and harbour areas will be improved and training in control programmes will be given. After assessing further the nature and extent of the rodent problem, studies will be conducted regarding control in other rural and urban areas.

Duties.—The Vertebrate Pest Control Specialist will :—

Under the general direction of the Project Manager be primarily responsible for supervising research programmes in vertebrate pest control, with emphasis on rodents, and developing suitable control programmes to be carried out by provincial governments and in large crop storages. His main duties will be :

to develop and initiate suitable integrated rodent control programmes in large crop storages establishing training programmes for provincial staffs and those of the Ministry of Food and Agriculture ;

to advise the Project Manager on matters relating to vertebrate pest control technology and research ;

to develop and supervise research and pilot programmes in vertebrate pest control with emphasis on rodents ;

to train Pakistan counterpart personnel in vertebrate pest control research.

Qualifications.—University degree in zoology or a related field is essential.

Post-graduate training in these areas with at least an M.S. is preferred.

Experience.—At least 7 years' experience in vertebrate pest control emphasizing rodent control is essential. Field and laboratory research experience in vertebrate pest control and experience in rodent control operations is desirable.

Candidates may be requested to provide satisfactory evidence of the educational qualifications shown in their applications. Appointments to vacant positions may depend upon the candidate selected providing such evidence for inclusion in his official personnel file.

Language.—Excellent knowledge of English.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Method of application.—Applications to reach Central Recruitment (Professional), Personnel Division, FAO, via delle Terme di Caracalla, 00100-Rome, Italy by 21st August, 1973. Quote: 1066-AGP-193.

Government Notice No. 1188

ANNOUNCEMENT OF FIELD POST VACANCY IN THE FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

Post title (Post No., Project).—MAMMALOGIST
Vertebrate Pest Control Centre, Karachi PAK 71 554

Vacancy Announcement.—No. 1967-AGP-194.

Date issued.—29th June, 1973.

Closing date.—24th August, 1973.

Duty station.—Karachi, Pakistan.

Duration.—12 months (subject to extension to a total of 27 months).

Starting date.—as soon as possible.

Background.—The UNDP is continuing to develop a large-scale project, executed by FAO, assisting the Government in establishing a vertebrate pest control centre at Karachi, Pakistan. A more efficient and adequately supported programme in rodent control will be developed. The ability to conduct and advise on rodent control operations in large stores and harbour areas will be improved and training in control programmes will be given. After assessing further the nature and extent of the rodent problem, studies will be conducted regarding control in other rural and urban areas.

Duties.—The Mammalogist will:

Under the general direction of the Project Manager be responsible for conducting research into the taxonomy, biology and ecology of vertebrate pest, particularly rodents, and to maintain and develop an "inventory" of the major rodent problems in fields and in storages. His main duties will be:

- to establish an identification advisory service;
- to develop and utilize methods of vertebrate pest loss assessment, especially that of rodents, and determine major losses;

to study the biology and ecology of the vertebrate pests, especially the principal rodent species, developing needed biological data for rodent control research;

to evolve and initiate a programme of needed mammalogy research;

to train Pakistan counterpart personnel in mammalogy research;

to assist in devising appropriate vertebrate pest control research and pilot rodent control projects.

Qualifications.—University degree in zoology or a related field is essential. Post-graduate training in these areas with at least an M.S. is desirable. Training in rodent and or other mammal or vertebrate taxonomy and vertebrate population studies is desirable.

Candidates may be requested to provide satisfactory evidence of the educational qualifications shown in their applications. Appointments to vacant positions may depend upon the candidate selected providing such evidence for inclusion in his official personnel file.

Experience.—7 years' experience in mammal taxonomy, including field collecting work and laboratory; museum studies. Rodent taxonomy experience desirable. Experience in field studies of mammal population assessment or population dynamics desirable.

Language.—Excellent knowledge of English.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Government Notice No. 1189

ANNOUNCEMENT OF FIELD POST VACANCY IN THE FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

Post title (Post No., Project).—TECHNICAL OFFICER
(Soil Moisture) (Soil Survey Interpretation BGD).

Vacancy announcement.—No. 1070-AGL-124.

Date issued.—29th June, 1973.

Closing date.—24th August, 1973.

Duty station.—Decca—Bangladesh.

Duration.—36 months.

Starting date.—As soon as possible.

Background.—The reconnaissance soil survey of Bangladesh is scheduled for completion soon. Reports are primarily intended for planning at national level. But it has become imperative to utilize the soil survey findings through interpretive reports maps prepared in non-specialist language for the benefit of planners on a local scale. A soil Survey Interpretation Division under the Department of Soil Surveys will, with international expert advice, carry out this task.

Duties.—Assist in conducting field and laboratory experiments for the determination of consumptive use of water by various crops, and different physical properties of soils relating to soil-moisture studies. Train local Staff.

Qualifications.—Degree in soil science or agronomy.

Candidates may be requested to provide satisfactory evidence of the educational qualifications shown in their applications. Appointments to vacant positions may depend upon the candidate selected providing such evidence for inclusion in his official personal file.

Experience.—Minimum 7 years on research and experiments into water-plant uses.

Language.—English.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Method of application.—Applications to reach Central Recruitment (Professional), Personnel Division, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 24th August, 1973. Quote: 1070-ALG-124.

Government Notice No. 1190

ANNOUNCEMENT OF FIELD POST VACANCY IN THE FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

Post title (Post No., Project).—ENGINEERING HYDROLOGIST AND TEAM LEADER (Surface Water Hydrological Survey—(BGD)).

Vacancy announcement.—No. 1071-AGL-125.

Date issued.—29th June, 1973.

Closing date.—24th August, 1973.

Duty station.—Dacca, Bangladesh.

Duration.—24 months.

Starting date.—Mid 1973.

Background.—With the disruption of the hydrological work in 1971, the Hydrology Directorate of the Bangladesh Water and Power Development Authority now requires technical assistance in re-establishing the network of hydrological stations and in strengthening the hydrological sector of the Authority.

Duties.—To advise and assist in all sectors of hydrology and in organizing training programmes to improve the overall efficiency and quality of work, along with the co-ordination of various hydrological and related programmes carried-out by other organizations in the country, including aerial photography, ERTS programme, etc.

Qualifications.—Degree in Engineering or a Physical Science related to Hydrology.

Candidates may be requested to provide satisfactory evidence of the educational qualifications shown in their applications. Appointments to vacant positions may depend upon the candidate selected providing such evidence for inclusion in his official personal file.

Experience.—Minimum 10 years, with emphasis on analysis, processing and interpretation of hydrometeorological data, data storage and studies related to major river systems.

Language.—English.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Method of application.—Applications to reach Central Recruitment (Professional) Personnel Division, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 24th August, 1973. Quote: 1071-AGL-125.

Government Notice No. 1191

ANNOUNCEMENT OF FIELD POST VACANCY IN THE FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

Post title (Post No., Project).—HYDROLOGICAL DATA PROCESSING OFFICER (Surface Water Hydrological Survey BGD).

Vacancy announcement.—No. 1072-AGL-126.

Date issued.—29th June, 1973.

Closing date.—24th August, 1973.

Duty station.—Dacca—Bangladesh.

Duration.—24 months.

Starting date.—As soon as possible.

Background.—With the disruption of the hydrological work in 1971, the Hydrology Directorate of the Bangladesh Water and Power Development Authority now requires technical assistance in re-establishing the network of hydrological stations and in strengthening; by the introduction of new techniques, the hydrology sector of the Authority;

Duties.—To prepare a phased plan for the introduction of a computerized system of collection, processing storage, retrieval and interpretation of hydrometeorological data, including rainfall, river discharges and ground water levels.

Qualifications.—Degree in Engineering or a Physical Science related to Hydrology.

Candidates may be requested to provide satisfactory evidence of the educational qualifications shown in their applications. Appointments to vacant positions may depend upon the candidate selected providing such evidence for inclusion in his official personal file.

Experience.—Minimum 7 years' in data handling and organizing data processing storage and retrieval systems for hydrometeorology, with knowledge of IBM 360/30 Computer.

Language.—English.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Duty station.—Dacca, Bangladesh.

Duration.—18 months.

Starting date.—Mid 1973.

Background.—The reconnaissance soil survey of Bangladesh is scheduled for completion soon. Reports are primarily intended for planning at national level. But it has become imperative to utilize the soil survey findings through interpretive reports and maps prepared in non-specialist language for the benefit of planners on a local scale. A Soil Survey Interpretation Division under the Department of Soil Surveys will, with international expert advice, carry out this task.

Duties.—To assist the Government in land use planning, particularly with a view to the economics of irrigation development, to prepare related reports and train local staff.

Qualifications.—Degree in Soil Science/Agriculture with courses in Economics.

Candidates may be requested to provide satisfactory evidence of the educational qualifications shown in their applications. Appointments to vacant positions may depend upon the candidate selected providing such evidence for inclusion in his official personal file.

Experience.—Minimum 7 years - 10 years related to land-use studies and the economics of land development.

Language.—English.

Emoluments.—Salary and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Method of application.—Applications to reach Central Recruitment (Professional), Personnel Division, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 24th August, 1973. Quote: 1073-AGL-127.

Government Notice No. 1193

ANNOUNCEMENT OF FIELD POST VACANCY IN THE FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

Post title (Post No., Project).—IRRIGATION PRACTICES ENGINEER (Optimal Use of Land and Water under Tubewall Irrigation BGD—)

Vacancy announcement.—No. 1074-AGL-128.

Date issued.—2nd July, 1973.

Closing date.—27th August, 1973.

Duty station.—Thakurgoan, Bangladesh.

Duration.—36 months.

Starting date.—As soon as possible.

Background.—With restrictions on increasing of acreage of cultivable land in Bangladesh increased agricultural production must be achieved through intensive cropping and improved yields per acre. Efficient water control and management are therefore highly important, particularly as the source of water will be from existing and proposed tubewells, the development of which has good prospects in parts of the country.

Duties.—Assist and train national staff to advise farmers on proper methods of irrigation management and water control for crops, and if necessary organize experimental studies for optimal water use with extension of results to farmers' fields.

Qualifications.—University degree Engineering, Hydraulic's and/or Soil Science.

Candidates may be requested to provide satisfactory evidence of the educational qualifications shown in their applications. Appointments to vacant positions may depend upon the candidate selected providing such evidence for inclusion in his official personal file.

Experience.—Minimum 7 years in general irrigation works with specialization in water practices.

Language.—English.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training.

Method of application.—Applications to reach Central Recruitment (Professional) Personnel Division, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 27th August, 1973. Quote: 1074-AGL-128.

Government Notice No. 1194

ANNOUNCEMENT OF FIELD POST VACANCY IN THE FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

Post title (Post No., Project).—PROJECT ADVISER (Dairy Industry Development Institute—TF-CUB 4 (DEN)).

Vacancy announcement.—No. 1075-AGA-377.

Date issued.—2nd July, 1973.

Closing date.—27th August, 1973.

Duty station.—Havana, Cuba.

Duration.—5 years.

Starting date.—As soon as possible.

Background.—In order to strengthen the food industry in general and the dairy industry in particular, the Government of Cuba intends to establish a Dairy Industry Development Institute forming part of a future Food Industry Development Institute. The objectives of the Dairy Industry Development Institute are to provide training facilities for medium-level students of dairy technology, administrators, technicians and workers of the dairy industry. The Institute is expected to promote and facilitate applied research in dairy technology and to provide advisory assistance for the overall development of the dairy industry. FAO will assist the Government of Cuba in achieving these objectives through a five-year project providing expert services, equipment and fellowships.

Duties.—To advise on the establishment of the Dairy Industry Development Institute, Havana, Cuba. This will include the organization, implementation and inspection of all phases of the project as described in the Plan of Operation.

To maintain good working relations and co-operation with Government authorities and with the personnel of the University and other institutions and organizations interested in the activities of the Institute.

To contribute so that functions of the Institute will develop according to the best and most up-to-date international standards in this field. This will include in particular all duties listed in the Plan of Operation.

To be responsible for giving lectures in the field of milk plant management and related fields.

Qualifications.—University degree in dairy science, preferably with post-graduate specialization in dairy industry.

Candidates may be requested to provide satisfactory evidence of the educational qualifications shown in their applications. Appointments to vacant positions may depend upon the candidate selected providing such evidence for inclusion in his official personal file.

Experience.—Qualified to organize and administer a training and research institute dealing with scientific and technological development of the dairy industry, with at least ten years' experience in milk plant management and related fields.

Languages.—Good knowledge of Spanish desirable and a working knowledge of English and/or French.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Method of application.—Applications to reach Central Recruitment (Professional) Personnel Division, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 27th August, 1973. Quote: 1075-GA-377.
