NIGERIAN PORTS AUTHORITYTENDER FOR CONSTRUCTION OF
DUPLEX HOUSES AT POINT ROAD,
APAPA

Tenders are invited for the construction of Duplex Houses at Point Road, Apapa for the Nigerian Ports Authority.

Description.—The work contemplated is the construction of Duplex Houses at Point Road. The construction may involve two or four Duplex Houses instead of one Duplex House shown on the Bill of Quantities. Tenderers are requested to indicate appropriate discounts to be given under such a condition in a covering letter to the tender documents.

Official tender documents and Bills of Quantities may be obtained from the Secretary, Corporations Standing Tenders Board, P.M.B. 12055, 30 Marina (4th Floor), Lagos on payment of a non-refundable deposit of ₦50.00 (fifty naira) either by cash or postal order to the Assistant Accountant of the same address. Payment by cheques is not acceptable.

Tender document and Bills of Quantities must be filled up, signed and submitted in sealed envelopes, endorsed on the upper left-hand corner "CONFIDENTIAL—CONSTRUCTION OF DUPLEX HOUSES AT APAPA" and addressed to the Secretary, Corporations Standing Tenders Board, Private Mail Bag 12055, 30 Marina, Lagos, so as to reach him not later than 12 noon of Friday, 5th October, 1973. Tenderers are advised in their own interest to use the address labels issued to them at the time they purchase their tender documents.

The Board reserves to itself, the right to cancel, alter or withdraw this tender without assigning any reasons for so doing. When such cancellation, alteration or withdrawal becomes inevitable, deposits, if any, already received would be refunded to tenderers provided the cancellation, alteration or withdrawal was not due to their fault.

The Board is not bound to accept the lowest or any tender and its decision shall be final and binding for the purpose of this tender.

Further information regarding this tender may be obtained, on application, from the Controller of Engineering, Nigerian Ports Authority, 26-28 Marina, Lagos.

ANNOUNCEMENT OF FIELD POST VACANCY IN THE FOOD AND AGRICULTURE ORGANIZATIONS OF THE UNITED NATIONS

Post title (Post No., Project).—DIARY ECONOMIST. Assistance to Dairy Development Project, Tanzania (URT/69/008).

Vacancy announcement.—No. 1099-ESP-53.

Date issued.—6th August, 1973.

Closing date.—1st October, 1973.

Duty station.—Dar-es-Salaam, Tanzania.

Duration.—36 months.

Starting date.—As soon as possible.

Background.—The major objective of Tanzania's dairy development policy is to increase domestic milk production in order to improve the quality of the diet of the rural and urban population and to minimize imports of milk and milk products. Based on a study of the dairy industry by the University of Dar-es-Salaam, a national dairy development plan is being prepared for World Bank financing. This is composed of three main components: increased milk production to allow existing milk processing plants to operate at full capacity; establishment of small dairy herds in Ujamaa villages and elsewhere to supply local needs; an artificial insemination programme, a cattle importation programme and a management and training programme for farm managers and processing plant personnel.

This project will supply a Dairy Development Adviser, a Dairy Processing Technologist and a Dairy Economist to assist the Government in the preparation and implementation of the above.

Duties.—The dairy economist will be responsible for evaluating and advising on investment alternatives in production and milk marketing and give specific

advice on pricing and credit. A detailed costed investment programme will be prepared including cash flow projections and economic analysis for the first phase of dairy development. He will work under the Director of Planning in the Ministry of Planning and will maintain close liaison with other institutions and persons involved in dairy development.

Qualifications.—University degree in Agricultural Economics with specialized training or equivalent experience in marketing and credit, related to dairy development. Post-graduate studies to M.Sc. or Ph.D.

Candidates may be requested to provide satisfactory evidence of the educational qualifications shown in their applications. Appointments to vacant positions may depend upon the candidate selected providing such evidence for inclusion in his official personal file.

Experience.—Minimum 7 years in dairy industries covering the fields of production and marketing, investment and credit. Experience in the preparation of projects for international financing.

Language.—English.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Method of application.—Applications to reach Central Recruitment (Personnel) Division, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 1-10-73. Quote: 1099-ESP-53.

Closing date.—1st October, 1973.

Duty station.—Accra, Ghana.

Duration.—12 months.

Starting date.—As soon as possible.

Background.—The Government of Ghana has required UNDP/FAO assistance to strengthen the planning system in the Ministry of Agriculture. This assistance is to be provided by a small team of experienced FAO experts comprising a Senior Planning Economist (Team Leader), a Marketing Economist, a Statistician and an Economist/Project Analyst, plus a number of consultants to cover specialized fields. During a period of 3 years this team will establish a sound system of planning based on the analysis and elaboration of sectoral policies and programmes and detailed formulation of agricultural development projects to secure investment from domestic and external sources.

Duties.—Identification, formulation and appraisal of projects for expanding livestock and crop production in close collaboration with counterpart technical officers, giving them on-the-job training. With the Agricultural Statistician he will institute studies and surveys of farming systems as part of a "national farm survey".

Qualifications.—Degree in Economics or Agricultural Science with post-graduate training in Agricultural Economics to M.Sc. or Ph.D. level.

Candidates may be requested to provide satisfactory evidence of the educational qualifications shown in their applications. Appointments to vacant positions may depend upon the candidate selected providing such evidence for inclusion in his official personal file.

Experience.—7 years' of which minimum 5 years wide experience of the economics of crops and livestock production in the tropics including intensive systems using irrigation and mechanization.

Language.—English.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Government Notice No. 1469

ANNOUNCEMENT OF FIELD POST VACANCY IN THE FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

Post title (Post No., Project).—FOREST ECONOMIST, High Forest Development NIR 51/546.

Vacancy announcement.—No. 1101-FOD-97.

Date issued.—6th August, 1973.

Closing date.—1st October, 1973.

Duty station.—Ibadan, Nigeria.

Duration.—Three years.

Starting date.—As soon as possible.

Background.—The project is intended to initiate the work which will ensure that in the long term the high forest resource of Nigeria, and its dependent industries make the maximum contribution to the national economy. The project will carry out an indicative inventory of the high forest reserves and plantations; will collect technical and economic data as a basis for the construction of an analytical framework for the high forest system; and will evaluate the alternative ways of developing this system in terms of the contributions each would make to the objectives of the Federal and State Governments.

Duties.—Under the direction of the Project Manager, the forest economist will be required to design and analyse the results of various surveys to gather economic data, to evolve a framework for the economic analysis of the High Forest System, and subsequently to carry out the analysis.

The analytical model will need to be capable of progressive adjustment to adapt it to the accumulating knowledge of the System. Using simulation and mathematical programming techniques the economist will test alternative ways of developing the System, and will report on each in terms of the contribution it would make to achieving the objectives set out in Government policy.

In preparing the analytical model the economist will:

(a) Assemble forest management and plantation costs.

(b) Assemble logging and processing costs.

(c) Conduct a study of the structure and capacity of forest industries. (This and (b) will be designed in collaboration with a forest industries consultant, so that a measure of efficiency and the potential for improved efficiency can be included).

(d) Assemble transport and distribution costs of round wood and forest industry products.

(e) Assemble export and import data for forest products and review and elaborate the results of the CIDA consumption study into demand trend projection.

(f) Carry out any other work in the expert's field of competence which the project manager may request.

Qualifications.—University degree in forestry or forest economics with a post-graduate qualification in forest economics.

Candidates may be requested to provide satisfactory evidence of the educational qualifications shown in their applications. Applicants to vacant positions may depend upon the candidate selected providing much evidence for inclusion in his official personal file.

Experience.—At least five years' experience of the application of economic techniques in relation to forest management for the supply of wood raw material to industry.

Language.—English.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Method of application.—Applications to reach Central Recruitment (Professional), Personnel Division, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 1101-FOD-97. Quote: 1-10-73.
