WESTERN NIGERIA MARKETING BOARD
COCOA PRODUCER PRICES—1973-74 SEASON

It is notified for general information that the Western Nigeria Marketing Board, by virtue of its powers under section 16 (a) of the Marketing Board Law (Cap. 75 of the Laws of the Western Region of Nigeria 1959), has fixed the following minimum prices per ton as the uniform prices payable for cocoa during the 1973-74 season at all gazetted buying stations in the Western State of Nigeria specified in the schedule subjoined :—

| | Standard Cocoa (Main Crop) | Light Cocoa (Light Crop) |
|------------------|-------------------------------|-----------------------------|
| | ₦ | ₦ |
| Grade I | 400.00 | 400.00 |
| Grade II | 370.00 | 370.00 |

2. The Board will bear the cost of transporting graded cocoa to the Board's Stores/Port of Shipment. Licensed buying agents will therefore not deduct transport costs from the uniform producer prices payable but will be reimbursed by the Board for this expenditure at the same time as advance payment is made for their gradings.

3. The uniform producer prices per ton payable by licensed buying agents of the Western Nigeria Marketing Board at all gazetted buying stations for the 1973-74 season will be as follows :—

| | Standard Cocoa (Main Crop) | Light Cocoa (Light Crop) |
|------------------|-------------------------------|-----------------------------|
| | ₦ | ₦ |
| Grade I | 400.00 | 400.00 |

Post title (Post No., Project)—EXPERTS IN WILD-LIFE MANAGEMENT

Vacancy Announcement.—No. 1195-FOD-105.

Date issued.—1st January, 1974.

Closing date.—30th March, 1974.

Duty station.—World-wide in Developing Countries.

Duration.—1 to 3 years.

Starting date.—Mid-1974.

Background.—In 1974 it is foreseen that FAO Forestry Department will have about 400 forestry experts and consultants working on projects in 62 developing countries.

The work involved in these projects calls for professional foresters of many disciplines, serving in international teams. FAO foresters are selected not only for their professional skills but also for their ability to adapt to local customs, to work harmoniously in close co-operation with local representatives, and generally, by their conduct and enterprise, to make an effective contribution towards the development plan of the country in which they serve.

Duties.—These posts are related to the establishment and development of comprehensive wildlife management programmes, including :

Ecological survey and related inventory work upon wildlife resources ;

An evaluation of the current status of wildlife resources ;

Improved wildlife management practices, including wildlife utilization ;

Establishment and management of national parks and reserves ;

Development of tourism.

Qualifications.—B.Sc. in wildlife management, ecology or related subjects with at least five years practical experience.

ANNOUNCEMENT OF FIELD POST VACANCY IN THE FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

Post title (Post No., Project).—SUGARCANE AGRO-NOMIST Industrial Crops Development—RVN 73/030.

Vacancy announcement.—No. 1204-AGP-237.

Date issued.—10th December, 1973.

Closing date.—4th February, 1974.

Duty station.—Phan Rang—Republic of Viet-Nam.

Duration.—36 man-months.

Starting date.—As soon as possible.

Background.—The Five-Year Rural Economic Development Plan of the Republic of Viet-Nam places very great importance on increasing the productivity of crops grown in view of the Republic's economic dependence on the agricultural sector. Before the war Viet-Nam was self-sufficient in production of sugar, one of the essential commodities for domestic consumption having a high foreign exchange earning potential. Both production and acreage have decreased and with low yields and high cost of production, importation has increased considerably. The Government's present plans are to raise productivity, increase the area under the crop and so increase production and reduce importation of sugar.

Duties.—Review and assess the present research and field programme on sugarcane.

Introduce exotic varieties and test them against local ones.

Carry out variety and agronomic trials including fertilization, irrigation and soil improvement, and establish sound agronomic practices of sugarcane production.

Collaborate in pest and disease control activities.

Train local counterpart personnel in sugarcane production.

Collaborate in activities connected with sugarcane processing.

Discharge such other duties within his competence as may be required.

Qualifications.—University degree in agriculture.

Candidates may be requested to provide satisfactory evidence of the educational qualifications shown in their applications. Appointments to vacant positions may depend upon the candidate selected providing such evidence for inclusion in his official personnel file.

Experience.—A minimum of seven years' experience with sugarcane research and production.

Languages.—Good knowledge of French and working knowledge of English.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Method of application.—Applications to reach Central Recruitment (Professional) Personnel Division, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 4th February, 1974. Quote 1204-AGP-237.
