ANNOUNCEMENT OF FIELD POST VACANCY IN THE
FOOD AND AGRICULTURE ORGANIZATION
OF THE UNITED NATIONS

Post title (Post No., Project).—ANIMAL HEALTH OFFICER (Animal Health AFG/73/017).

Vacancy announcement.—No. 1236-AGA-401.

Date issued.—31st January, 1974.

Closing date.—28th March, 1974.

Duty station.—Kabul, Afghanistan.

Duration.—30 months.

Starting date.—1st April, 1974.

Background.—The economy of the Republic of Afghanistan is basically dependent on agriculture with the livestock sector generating 40 per cent of the country's foreign exchange earnings and contributing to the livelihood of some 80 per cent of the able-bodied population.

Development of the livestock sector by the Government of Afghanistan requires strengthening of the veterinary department and expanding the essential services to livestock. Such efforts should be directed with UNDP/FAO assistance towards the establishment of field stations in selected centres of high livestock density in Kabul, Kunduz, Baghlan, Herat, Kandahar and Nangarhar, including a reporting system, further development of the Central Veterinary Diagnostic Laboratory in Kabul, assistance to the Vaccine Production Laboratories in Kabul and assistance in the conduct and supervision of research in the local animal health problems.

Duties.—The incumbent will be responsible for :

Planning of the field stations and sub-stations and planning and implementation of field installations.

Planning and implementation of field operations for the control and treatment of animal diseases of major importance.

On-the-job and in-service training of counterpart staff and arranging for necessary fellowships.

Establishing a disease reporting system and collection and compilation of the information gathered.

Survey of other provinces to establish the need for further field stations for a possible follow-up.

Qualifications.—Degree in veterinary medicine, preferably with a post-graduate qualification in one of the disciplines related to the duties to be performed.

Experience.—At least seven years' experience in disease investigation.

Language.—English.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Candidates may be requested to provide satisfactory evidence of the educational qualifications shown in their applications. Appointments to vacant positions may depend upon the candidate selected providing such evidence for inclusion in his official personnel file.

Method of application.—Applications to reach Central Recruitment (Professional), Personnel Division, FAO, via delle Terme di Caracalla, 00100-Rome Italy, by 28th March, 1974. Quote 1236-AGA-401.
