## THE REPORT OF THE AUDITORS

As auditors appointed under section 44 (1) of the Central Bank of Nigeria Act (Chapter 30), we have examined the above balance sheet and income and expenditure account which are in agreement with the books of account.

In our opinion proper books of accounts have been kept. We have obtained all the information and explanations which we considered necessary for our audit and, in our opinion, these accounts show a true and fair view of the state of the bank's affairs at 31st December, 1973 and of the operating surplus ascertained and apportioned in the manner indicated, for the year ended on that date.
