*Government Notice No. 1402**Oil Pipelines Act Cap. 145, 1965*

APPLICATION FOR AN OIL PIPELINE LICENCE

Notice is hereby given in accordance with section 8 of the Oil Pipelines Act (Cap. 145) 1965 that THE SHELL-BP PETROLEUM DEVELOPMENT COMPANY OF NIGERIA LIMITED has applied to the Federal Ministry of Mines and Power for the grant of a licence to enter upon, take possession of and use for 20 (twenty) years a strip of land for the purpose of laying a 12-inch diameter oil pipeline running from a point on the existing 8" Etebebu Delivery Line at Company's Opolo Manifold in Yenagoa Division to a tie-in point on the existing Kolo Creek Manifold of the 20" Kolo Creek Trunkline in the Ogbia Division of the Rivers State of Nigeria, the route of which is demarcated on the ground by a survey trace marked with yellow stakes and is herein described.

DESCRIPTION

All that strip of land approximately 5.740 kilometres (3.56 miles) long situate within the Yenagoa and Ogbia Divisions in the Rivers State of Nigeria, the route of which traverses dryland and seasonal swamps and is shown in the Licensee's Drawing No. 56477 dated June 1974, and which encloses the existing 8" Etebebu Delivery line and the proposed 12" Etebebu Loopline.

The width of the said strip of land will be variable and will be approximately as follows:

- | | |
|--|-------------------|
| (a) where the route traverses dryland | 50 ft. (15.25m) |
| (b) where the route traverses seasonal or tidal swamp. .. | 50 ft. (15.25m) |
| (c) in the vicinity of all points of intersection (PI's) | 100 ft. (30.50m). |

Where in the following text the bearing of the line is described as proceeding to a certain PI, the line will follow a simple curve from a tangent point before the PI, and will enter the next bearing at a tangent point after the PI, the exact distance from tangent point to tangent point will vary according to the radius of the curve used.

The route of the line is described as follows:

Starting at a point on the existing 8" Etebebu Delivery Line at Company's Opolo Manifold, marked P.I.O, on the plan whose Nigerian Co-ordinates are E 436,881 metres N 105,689 metres, the route proceeds on a bearing of 183° 17' for a distance of 5,045 metres to a point marked P.I.1,

thence on a bearing of 155° 02' for a distance of 673 metres to a point marked P.I.2, thence on a bearing of 243° 26' for a distance of 18 metres terminating at a point marked P.I.3, whose Nigerian Co-ordinates are E 436,858 metres N 100,034 metres (West Belt), which is the tie-in point on the existing Kolo Creek Manifold of the 20" Kolo Creek-Rumuekpe Trunkline.

All co-ordinates, bearings and lengths are approximate and all bearings refer to Grid North.

2. A copy of the plan of the pipeline route identifying land affected can be inspected during all normal working hours at Divisional Offices, the Ministry of Lands and Housing (Lands Division), Port Harcourt, the Ministry of Mines and Power, Port Harcourt and Lagos and at the office at Port Harcourt of the aforesaid Company.

3. Any person who considers that his land or interest in land will be injuriously affected by the grant of the licence should lodge orally or in writing not less than seven days before the hearing date in paragraph 5, with the Ministry of Lands and Housing (Lands Division), Port Harcourt, notice of objection stating the interest of the objector and the grounds of objection.

4. Any public officer who receives a verbal objection in the course of his duties shall record the name and address, interest and grounds of objection of any person lodging such verbal objection and forward such details to the Ministry of Lands and Housing (Lands Division), Port Harcourt.

5. The delegate of the Lands Division of the Ministry of Lands and Housing, Port Harcourt, shall enquire into objections (if any) duly lodged in accordance with paragraphs 3 and 4 above at their office at Port Harcourt at 10 a.m. on the 11th day of November 1974, giving all parties an opportunity to be heard. Reports thereof shall be sent without delay to the Director of Petroleum Resources, Federal Ministry of Mines and Power, Lagos.

DATED this 26th day of September, 1974.

B. O. ALAWOYA,
for Director of Petroleum Resources

MINISTRY OF COMMUNICATIONS

INVITATION TO TENDER
IDAH-LOKOJA-IDAH MAIL CONTRACT

Tenders are invited by the Permanent Secretary, Ministry of Communications, for the conveyance of all mails by Motor Transport daily except Sunday, in each direction between Idah and Lokoja and such other intermediate places on the route as may be nominated by the Permanent Secretary for a period of two years from 1st November, 1974 with the option of extending for a further period of one year.

2. Mails are required to be conveyed on such days and at such times as may be appointed in writing from time to time by the Permanent Secretary or his Officers.

3. The average volume and weight of mails to be conveyed on each journey are at present:—

OUTWARD : Idah-Lokoja :—6 bags not weighing more than 123 kilogrammes.

INWARD : Lokoja-Idah :—11 bags not weighing more than 225 kilogrammes.

4. Tenders should be enclosed in sealed envelopes marked "Confidential Tender for Mails" (Idah-Lokoja-Idah) and forwarded by registered post to

the Secretary, P. & T. Territorial Tenders Board, P. & T. Headquarters, Kwara Territory, Ilorin to reach him not later than 12 noon on 30th September, 1974.

5. Tenderers are each required to pay a non-refundable deposit of ₦20.00 (Twenty Naira) into the P. & T. Department fund at any Post Office and obtain a General Receipt which should specify the tender concerned. The number and date of such receipts must be quoted in the tenders submitted.

6. No tender will be considered unless they are submitted in full compliance with the provisions of this notice.

7. The successful tenderer will be required to accept the conditions concerning the payment of "FAIR WAGES" as set out in Appendix to Government Circular No. 57/1956 of 30th August, 1946 a copy of which can be obtained on application to the Head Postmaster, Lokoja or Postmaster, Idah.

8. Further information may also be obtained on application to the Postal Controller, P. & T. Department, Ilorin.

9. The Permanent Secretary, Ministry of Communications does not undertake to accept the lowest or any tender.

Permanent Secretary,
Ministry of Communications

Custom and Excise,
Custom House, Calabar

Government Notice No. 1423

FEDERAL MINISTRY OF WORKS AND HOUSING

TENDERS FOR SUPPLY OF
CEILING FANS

Tenders are invited from reputable firms operating in Nigeria for the supply of Ceiling Fans to the Federal Ministry of Works and Housing, for a one-year contract period, probably to commence on 1st November, 1974 and to end 31st October, 1975. Design and approximate requirements for the period are as follows:—

Design	Quantity
56" Sweep Ceiling Fans	300

The above quantity represents an estimate only but could be varied by the Ministry depending on demands.

2. Tenderers should apply to the Senior Technical Officer (Contracts), Federal Ministry of Works and Housing, Headquarters, Lagos, Room 104 during office hours on week-days for official tender documents including brief specifications of the Fans required and specimen of the Contract.

3. Tenderers are required to deposit samples of the equipment being tendered with the Principal Electrical Engineer (Maintenance), Federal Ministry of Works and Housing, Mechanical and Electrical Section, St. Gregory's Road, Onikan, for testing on the date tenders are submitted and to obtain official receipts from the Officer. A photostat copy of such receipts should accompany the tenders.

4. Each tenderer is required to pay a non-refundable tender deposits of ₦20.00 into any Sub-Treasury in Nigeria, under Revenue Head 7 Sub-head 10—"Deposits on Tenders" of the 1974-75 Federal Military Government Estimates. No tender documents will be issued unless the original and two photostat copies of the Treasury receipts for the deposits are presented to the Senior Technical Officer (Contracts) mentioned above. The original receipt will be returned to the tenderers with the documents and the copies retained.

5. Tenderers are also required to include in their tenders a photostat copy of tax-payment receipts for current and preceeding year.

6. Expatriate firms wishing to tender should indicate whether or not their Companies are established in Nigeria in accordance with the Immigration Act and the Companies Decree.

7. Tenders must be submitted on the official form of tender in envelope marked "Confidential—Tenders for the supply of Ceiling Fans" sealed with wax and addressed to the Secretary, Federal Tenders Board, Federal Ministry of Works and Housing, Victoria Island, Lagos, so as to reach him not later than 12 noon on Saturday, 26th October, 1974.

8. No tenders will be considered unless they are submitted in full compliance with the provision of this Notice.

9. The Board is not bound to accept the lowest or any tender.

Secretary,
Federal Tenders Board

Government Notice No. 1383 (2nd publication)

UNIVERSITY OF LAGOS
COLLEGE OF EDUCATION
VACANCY

Applications are invited from suitably qualified candidates for appointment to the undermentioned post in the Audio-Visual Centre of the University of Lagos College of Education.

Post.—Lecturer in Educational Technology.

Qualifications.—Candidate must possess a good degree, preferably a higher degree in Fine Arts or in Educational Technology. Professional training and/or relevant teaching experience would be an advantage.

Duties.—The appointee will be expected to teach and research in Educational Technology and to carry out any other duties assigned to him by the Provost.

Scale of salary.—₦2,760-150-3,660; ₦3,810-150-4,260/₦4,530-150-4,830.

Conditions of service.—Appointment which is on a permanent basis will commence as from October 1974 or as soon as possible thereafter. The appointee will be on probation for the first three years, and will be considered for confirmation to retiring age thereafter if his services are considered satisfactory; economy class air passage or first-class sea passage where applicable paid for appointee's wife and up to five children on appointment, home leave and on termination. (a) assisting and advising the recently established Management Development Unit with its responsibilities for planning, policy guidance and co-ordination of management development on a national scale ;

(b) helping develop Zambian capability in management training and organisation improvement approaches in all sectors—parastatal, public and private.

Specific.—1. Will be responsible to the ILO, the Executing Agency for the United Nations Development Programme, for execution of the Project, as defined in the Project Document.

2. Will act as senior adviser to the Management Development Unit and its head of the formulation and implementation of national management development policy and on the co-ordination of plans and programme for management development and organisation improvement throughout the country.

3. Will ensure liaison between the Executing Agency on the one hand and the Government and the UNDP on the other hand as regards all matters concerning the project and team of experts.

4. Will assist the Government in co-ordinating the activities of the project with the activities of other management development organisations and related UN projects and multilateral and bilateral assistance schemes.

5. With the assistance of the team of experts, will advise and guide, in respect to technical matters, the national counterpart staff and Zambian managers with whom the international experts will liaise.

6. Will supervise and co-ordinate the work of the team of international experts assigned to the project, who will carry out their duties under his general guidance.

7. Will participate in high priority training and consulting activities in his own fields of competence, with stress laid upon corporate organisation development efforts and training of trainers.

8. Will advise on the selection of national counterpart personnel identified by the Government as professional staff members of the Management Development Unit, and will assist in the selection of candidates for fellowships.

9. Will be responsible for the budgeting, timing and over-all progress of project work programmes and the preparation of periodic reports to ILO and UNDP.

10. Will be responsible to the ILO for equipment supplied to the project until such time as it is handed over to the Government.

11. Will, as appropriate, act as representative of the ILO in programmes of other institutions providing management development training.

12. Will be responsible for demonstration projects in various fields of management and organisation development, followed by seminars, discussions and releases to public information media.

Qualifications required.—A university degree or advanced technical education or appropriate professional qualifications;

wide knowledge and experience, preferably within both developed and developing countries, in the areas of management consultancy, the planning and implementation of management development and organisation improvement programmes, and the establishment of management development policies at the national level;

exceptional experience in the preparation and presentation of management development programmes, and knowledge of teaching methods and techniques developed in this field;

knowledge of the latest improvements practised in the management field and the evolution of relevant theory;

capacity to select and present cases based on facts collected within the country of assignment;

ability to plan, organise and control the work of others and to function harmoniously with colleagues and national counterparts as leader of a team;

ability as a speaker to communicate effectively with top executives and senior managers;

ability to write clear, concise, accurate and complete reports in English and in particular, to

draw logical conclusions and recommendations from well presented data. Candidates will be expected to produce examples of their recent work in this respect when invited for interview.

Assignment allowance.—US \$950 (single rate); US \$1,200 (dependant rate).

Family allowance (if eligible).—Spouse: US \$400 per annum; each child: US \$300 per annum.

Other benefits.—Installation allowance, education grant for children, repatriation grant upon termination of assignment, 30 working days' annual leave, home leave travel with eligible dependants every two years, social security benefits.

Description of duties.—The expert will be a member of an international team assigned to the Trades Section of the technical college within the Department of Education of the Government of Western Samoa. He will work under the direction of the ILO Senior Adviser and will be required to co-operate closely with the other members of the ILO team, local staff and any other members of staff appointed by the Government.

As a member of the team he will advise and assist the Department of Education in developing pre-vocational, vocational, apprenticeship and instructor/teacher training in accordance with the purpose of the project as specified in the Project Document.

The specific duties of the expert will include:

(a) supervising the metal trades training activities of the project with regard to fitting, machining, sheet metal work (including blacksmithing as may be found necessary), gas and arc welding, and co-ordinating these with training in other skills within the programme of the project;

(b) examining the current and foreseeable occupational pattern and requirements of the sectors of the industry covering the metal work trades, in collaboration with any national advisory/governing body or local trade committee on which

he may be requested to serve and determining therefrom job profiles for different levels of skills as a guide to the training required ;

(c) planning and implementing a series of courses in the determined fields of metal work trades for the trade training of technical teachers/instructors, apprentices, updating and upgrading of tradesmen ;

(d) preparing and/or adapting syllabi programmes, course outlines, instruction sheets, lesson plans, time-tables, work drawings, demonstration models, and other training aids and materials for the above ;

(e) developing the practical content of course entrance tests where applicable, and trade skill achievement tests for interim and final assessment of trainees ;

(f) layout of metal trades workshops, laboratories, demonstration and classrooms, and installation of necessary machinery and equipment ;

(g) advising and assisting during the preliminary stages with the requisition of equipment, layout of workshops, etc. and implementation of courses for basic plumbing trade training ;

(h) assisting with the over-all training of teachers/instructors. Guiding, assisting and training counterparts who will continue the work after the departure of the expert.

(i) performing any other duties in connection with his assignment, which are within his particular competence as a vocational training expert.

Qualifications required.—Good general and technical education with a minimum Bachelor's Degree in mechanical engineering.

Indentured apprenticeship or equivalent training in metal trades will be an advantage.

At least five years' experience in industry in fitting and machining and all-round work experience in smithwork, sheet metal work, gas and arc welding.

Experience as technical teacher/vocational training instructor at a technical/vocational training institution or within the industry.

Ability and experience in preparing programmes and developing of training, materials for practical and related theoretical instructions.

Language.—English.

Terms of appointment.—Salary and allowances are free from income tax. Although quoted in US dollars, they are payable partly in the currency of the home country and partly in the currency of the duty station.

Annual salary.—Between US \$16,542 and US \$21,294.

(The initial salary of the appointee will be fixed in accordance with his/her qualifications and experience. Increments are granted annually.)

Post adjustment.—(subject to change) (Class 1)—between US \$482 and US \$600 (single rate); between US \$723 and US \$900 (dependant rate).

Assignment allowance.—US \$950 (single rate) US \$1,200 (dependant rate).

Family allowance (if eligible).—Spouse ; US \$400 per annum ; each child US \$300 per annum.

Other benefits.—Installation allowance, education grant for children, repatriation grant upon termination of assignment, 30 working days' annual leave, home leave travel with eligible dependants every 2 years, social security benefits.

Description of duties.—The expert will be a member of an international team assigned to the Trades Section of the Technical College within the Department of Education of the Government of Western Samoa. He will work under the direction of the ILO Senior Adviser and will be required to co-operate closely with the other members of the team, local staff and any other members of staff appointed by the Government.

As a member of the team whose duty it is to advise and assist the Government in developing pre-vocational, vocational, apprenticeship and instructor/teacher training, the expert's specific duties will be :

(a) supervising the electrical training activities of the project, and co-ordinating these with training in other skills within the programme of the project ;

(b) examining the current and foreseeable occupational pattern and requirement of the sector of industry covering the electrical trades, in collaboration with any national advisory/governing body or local trade committee in which he may be requested to serve—and determining therefrom job profiles for different levels of skills as a guide to the training required ;

(c) planning and implementing series of courses in electrical trades for the trade training of technical teachers/instructors, apprentices, updating and

(j) to control the use of land, buildings, equipment and materials, supplies and other property belonging to the Special Fund or assigned to the project by the Government;

(k) to keep close liaison with other agencies' experts assisting the Government;

(l) to serve as a channel of communication between the ILO and the Government on all routine matters connected with the project and between the Government and the team on local administrative matters which affect them;

(m) supply as required periodical reports of progress and development of the project;

(n) perform any other duties which are within his particular competence as a vocational training expert.

Qualifications required :

(1) good general and technical education, preferably trained as foreman/supervisor;

(2) sound practical training including apprenticeship in machinist trade as basis and subsequent training in diesel/petrol maintenance trade;

(3) shop experience in operation of conventional machine tools for at least a few years and subsequent extensive experience in diesel/petrol engines' repair and maintenance;

(4) experience as instructor for adult skilled and unskilled workers;

(5) ability to work independently and solve technical problems based on initiative.

Language.—English.

Government Notice No. 1439

INTERNATIONAL LABOUR OFFICE TECHNICAL CO-OPERATION PROGRAMME

ANNOUNCEMENT OF VACANCY

Country.—Africa Regional.

Project.—RBTC.

Code.—A 101.02.123.950.

Date issued.—August 1974.

Closing date for applications.—No fixed date.

General field.—Labour Relations.

Title of post.—Adviser to Employers' Organisation in Africa.

Duty station.—Addis Ababa.

Duration of appointment.—24 months.

Desirable starting date.—As soon as possible.

Terms of appointment.—Salary and allowances are free from income tax. Although quoted in US dollars, they are payable partly in the currency of the home country and partly in the currency of the duty station.

Annual salary.—Between US \$16,542 and US \$21,294.

(The initial salary of the appointee will be fixed in accordance with his/her qualifications and experience. Increments are granted annually).

Post adjustment.—(subject to change) (Class 3)—between US \$1,446 and US \$1,800 (single rate); between US \$2,169 and US \$2,700 (dependant rate).

Assignment allowance.—US \$950 (single rate); US \$1,200 (dependant rate).

Family allowance (if eligible).—Spouse US \$400 per annum, each child US \$300 per annum.

Other benefits.—Installation allowance, education grant for children, repatriation grant upon termination of assignment, 30 working days' annual leave, home leave travel with eligible dependants every 2 years, social security benefits.

Description of duties.—The incumbent will be required to collect and analyse data concerning employers' organisations in Africa. The data will include the following :

(a) historical and other factors which prevent, cause or otherwise influence the formation of employers' organisations and the manner of their development;

(b) the role, structure, internal administration and functioning of such organisations;

(c) the nature and range of their activities particularly in the field of labour and labour-management relations, and with respect to the national economic and social development programmes;

(d) any problems connected with the proper functioning and effective development of such organisations.

2. The incumbent will be required to identify the problems and the needs which the employers' organisations of the region have and, at their request, provide them with advice on the improvement of their structure and internal administration and the

development of their activities and programmes, including, where appropriate, the establishment of a research and information unit, and the development of training programmes in the field of labour relations and personnel management for the staff of the member companies.

3. The incumbent will assist the employers' organisations at their request, in training their personnel and in organising and conducting training courses, seminars, conferences and similar activities; he may be required to give lectures in such meetings.

4. The incumbent will act as an adviser to the ILO Regional Director for Africa on matters relating to employers' organisations in the region and may be required by him to undertake special assignments in this field.

5. The incumbent will be required to maintain close contacts with the employers' organisations of the region and collaborate with the competent branches of the Headquarters in creating the best possible relations between the ILO and these organisations.

Qualification required.—University degree in law, in the field of industrial relations, business/personnel administration, economics or other social sciences, or equivalent in experience.

2. Experience in participating or advising in large employers' organisations, experience in international conferences and/or relations work connected with an employers' organisation as well as in the field of industrial relations and/or personnel management would be considered a desirable additional qualification.

3. A fully satisfactory knowledge of English or French and some knowledge of the other language.

Government Notice No. 1440

INTERNATIONAL ATOMIC ENERGY AGENCY ANNOUNCEMENT OF VACANCY

Post title and grade.—FIRST OFFICER/SENIOR AREA OFFICER (MIDDLE EAST AND EUROPE SECTION) P-4/P-5.

Division.—Division of Technical Assistance Department of Technical Assistance and Publications

Type of Appointment.—Fixed term—two years.

Vacancy Notice No.—48/74.

Dated.—14th August, 1974.

Closing date.—14th November, 1974.

Duty station.—Vienna.

Duties and responsibilities—in general.—To manage all technical assistance provided under UNDP and the Agency's regular programme in respect of a group of countries in a particular area or region as assigned and to participate in all stage of evaluation of technical assistance programmes including, where appropriate, project formulation, appraisal of requests, operational control and assessment of resources.

In particular.—To assess and evaluate requests for assistance in the form of experts and equipment, fellowships, visiting professors, training courses, study tours and scientific visits;

To maintain contacts with Governments and UNDP Resident Representatives in respect of the programming and implementation of technical assistance requests and projects;

To prepare the necessary correspondence, job descriptions, reports and documents;

To assist Governments in the identification and formulation of suitable projects for assistance from all available resources, including bilateral;

To co-ordinate the implementation and technical support activities in the Agency;

To evaluate completed projects and any recommended follow-up;

To maintain continuing review of all technical assistance activities in the assigned area.

Qualifications.—University graduation with very good academic record, followed by at least ten years of directly relevant experience in a national or international organization with responsibility for economic and scientific development programmes. Fluency in English, French, Russian or Spanish essential.

Emoluments.—Are based on US \$ equivalents and are deemed to be exempt from national income tax. Salaries and allowances are payable in the currency of the duty station and, on request, partially in the currency of the home country.

Salary per annum.—Net \$16,542/20,118.

Dependency allowances per annum.—(Subject to eligibility), spouse \$400, child \$300.

Post adjustment per annum.—Variable according to cost of living and to dependency status. At present single rate \$3,856/4,608. Dependency rate \$57,84/6,912.

Other benefits.—Subject to specific terms of appointment and where applicable: annual salary increment, annual and sick leave, medical scheme, travel on appointment and repatriation, shipment of personal effects and household goods, installation and repatriation grants, home leave travel every two years with eligible dependants, childrens' education grant.

Method of applications.—Applications to the Division of Personnel, International Atomic Energy Agency, Karnthner Ring 11, A-1010 Vienna, Austria.

Government Notice No. 1441

INTERNATIONAL ATOMIC ENERGY AGENCY ANNOUNCEMENT OF VACANCY

Post title and grade.—SECOND OFFICER/FIRST OFFICER P-3/P-4.

Vacancy Notice No.—49/74.

Dated.—14 August, 1974.

Division.—Joint FAO/IAEA Division of Atomic Energy in Food and Agriculture.

Closing date.—14 November, 1974.

Type of appointment.—Fixed term—two years.

Duty station.—Vienna.

Duties and responsibilities.—In general:

To assist and carry out part of the programme of the Joint FAO/IAEA Division dealing with induction and utilization of mutations for crop improvement.

In particular :

Technical responsibility for research contracts and research agreements dealing with mutation breeding. Technical responsibility for Technical Assistance projects in this field ;

Organization of scientific meetings, training courses, study groups, etc. ;

Compilation of publications, reports, newsletters in the field of mutation breeding ;

Implementation and up-dating of computerized retrieval systems for work in the field of plant mutation research and for mutant stocks ;

Guidance and co-ordination of international uniform field trials including evaluation by utilization computer facilities ;

Collaboration with units of IAEA and FAO as well as other international, governmental or non-governmental organizations having interest in the Joint Division's programme in plant breeding and genetics.

Qualifications.—Ph.D. or equivalent university education with special training in plant breeding and genetics. At least seven to ten years' experience in plant breeding research including experience with induced mutations. Desirable would be experience with vegetatively propagated plants and in breeding for disease resistance. Fluency in English, French, Russian or Spanish essential.

Emoluments.—Are based on US \$ equivalents and are deemed to be exempt from national income tax. Salaries and allowances are payable in the currency of the duty station and on request, partially in the currency of the home country.

Salary per annum :

Net \$13,766.50-16,542.

Dependency allowances per annum.—(Subject to eligibility) Spouse \$400 ; Child \$300.

Post adjustment per annum.—Variable according to cost of living and to dependency status. At present Single rate \$3,232/\$3,856 ; Dependency rate \$4,848/\$5,784.

Other benefits.—Subject to specific terms of appointment and where applicable ; annual salary increment, annual and sick leave, medical scheme, travel on appointment and repatriation, shipment of personal effects and household goods, installation and repatriation grants, home leave travel every two years with eligible dependants, children's education grant.

Applications to.—The Division of Personnel, International Atomic Energy Agency, Karntner Ring 11, A-1010 Vienna, Austria.

Government Notice No. 1442

INTERNATIONAL ATOMIC ENERGY AGENCY ANNOUNCEMENT OF VACANCY

Post title and grade.—Assistant Officer/Associate Officer P-1/P-2 (Systems Programmer).

Vacancy Notice No.—50/74.

Date.—14th August, 1974.

Division.—Division of Scientific and Technical Information Department of Technical Operations.

Closing date.—14th November, 1974.

Type of appointment.—Fixed term—two years.

Duty station.—Vienna.

Duties and responsibilities.—In general—Performing all systems programming functions in an independent manner without technical assistance.

In particular.—Generating, modifying, and maintaining VSI Operating Systems ;

Generating and servicing programming language compilers—ASSEMBLER, PL/I Optimizing, ANS COBOL and PORTAN ;

Generating and servicing Systems Libraries—JCL Procedures, Source Programmes and Load Modules ;

Organizing and servicing the allocation of disk storage space, tape storage space, and other equipment resources ;

Generating and servicing a computer resource accounting systems, including the monitoring of resource utilization and system performance ;

Generating and servicing an extensive Computer Operations Management Information System, including computer support in scheduling Jobs ;

Generating and servicing data communications systems, such as CICS/STAIRS, TSO, and RJE Operations with IBM 3780 Communications Stations ;

Formulating and servicing standards and procedures for the data processing environment.

Advising computer applications, operations and management personnel in matters of hardware, software, and procedures.

Qualifications.—University Degree or equivalent. At least two years' experience at a senior programmer level. Working knowledge of OS/VS, ASSEMBLER, PL/I, and CICS/STAIRS or equivalent data communications systems. Working knowledge of computer architecture and advanced data processing techniques and procedures. Fluency in English, French, Russian or Spanish essential, working knowledge of English required.

Emoluments.—Are based on US \$ equivalents and are deemed to be exempt from national income tax. Salaries and allowances are payable in the currency of the duty station and, on request, partially in the currency of the home country.

Salary per annum.—Net \$8,882/11,346.

Dependency allowances.—Per annum (subject to eligibility) Spouse \$400 ; Child \$300.
