Government Notice No. 1330

FEDERAL MINISTRY OF INDUSTRIES

NIGERIAN ENTERPRISES PROMOTION BOARD

In order to enable the Nigerian Enterprises Promotion Board assess the progress so far made by enterprises involved in the indigenisation exercise since the Nigerian Enterprises Promotion Decree 1972 came into force on 1st April, 1974, the Board has directed that each alien enterprise which shed 40 per cent of its equity to Nigerians, in compliance with the provisions of the Decree, should submit to the Secretariat of the Board, not later than the 30th September, 1975, its Audited Accounts for the last accounting year falling within the period 1st April, 1974 to 31st August, 1975. For the avoidance of doubt, the accounting period need not coincide with Government Financial Year which runs from 1st April to 31st March; it is enough if the period covered by the Accounts includes at least a period of six months post indigenisation.

2. This return is being requested under the provision of section 7 of the Nigerian Enterprises Promotion Decree 1972. Any default or neglect in rendering it will therefore attract appropriate penalty under the relevant provisions of the Decree.

V. I. BELLO,
Secretary,
Nigerian Enterprises Promotion Board

(f) under the supervision of, and in agreement with, the Project Manager and upon his previous approval, give technical advice as may be required in relation with the purpose of the mission.

Qualifications required.—1. A graduate of a recognised hotel training institution and possessing a good general education.

2. Administrative and organisational experience in training housekeeping personnel and in organising and establishing relative training schemes.

3. Practical experience as executive or head housekeeper including experience in training housekeeping personnel.

4. Previous experience in a developing country within the framework of a technical co-operation project would be an advantage.

Language.—English.

Government Notice No. 1352

INTERNATIONAL LABOUR OFFICE TECHNICAL CO-OPERATION PROGRAMME ANNOUNCEMENT OF VACANCY

Country.—Ethiopia.

Project Code.—ETH/68/514 (Post 07) (Revised).

Date issued.—May 1975.

Closing date for applications.—No fixed date.

General field.—Vocational Training.

Title of post.—Expert Instructor Woodworking Trades (Post 07).

Duty station.—Addis Ababa.

Duration of appointment.—12 months with possibility of extension.

Desirable starting date.—1st July, 1975.

Terms of appointment.—On the basis of international agreements or national law relating to presence or residence abroad, ILO salaries and emoluments are generally tax exempt. In the absence of exemption, tax paid will be reimbursed in accordance with an ILO document which will be supplied upon request. Although quoted in US dollars, the salaries and emoluments are payable partly in the currency of the home country and partly in the currency of the duty station.

Annual salary.—Between US \$14,586 and US \$19,482. (The initial salary of the appointee will be fixed in accordance with his/her qualifications and experience. Increments are granted annually).

Post adjustment.—(subject to change) (Class 4)—between US \$1,712 and US \$2,240 (single rate); between US \$2,568 and US \$3,360 (dependant rate).

Assignment allowance.—US \$1,600 (single rate); US \$2,000 (dependant rate).

Family allowance (if eligible).—Spouse : US \$400 per annum ; each child : US \$450 per annum.

Other benefits.—Installation allowance, education grant for children, repatriation grant upon termination of assignment, 30 working days' annual leave, home leave travel with eligible dependants every two years, social security benefits.

Description of duties :—

1. The expert will be a member of an international team attached to the Ministry of National Community Development and Social Affairs, of the Imperial Ethiopian Government.

2. The expert will work under the overall direction of the Chief of Project but he will be directly responsible to the expert in charge of trade training. He will be required to co-operate with other members of the team and his local counterparts.

3. The expert will, under the direction of the Chief of Project and in collaboration with the other members of the team, advise and assist the Government in :

(a) the planning and implementation of basic courses and upgrading courses for workers and apprentice training for industry in wood working trades ;

(b) the preparation of programmes, course outlines, syllabi, lesson plans, shop talks, demonstrations and tests necessary for the practical and theoretical training of trainees, workers and apprentices ;

(c) the development of the Practical Trade content for periodic and progressive assessment of trainees, workers and apprentices and the maintenance of training standards ;

(d) assisting the experts, posts No. 2 and No. 3 within the bounds of his competence ;

(e) the laying out of workshops, installing and putting into operation of equipment and the preparation of training materials and aids.

4. The expert will :

(a) deliver instructions both theoretical and practical as required during the initial phase and supervise progressively the established courses ;

(b) train the counterpart staff who will continue the training after the completion of international assistance ;

(c) perform any other duties in connection with the assignment which are within his particular competence as a vocational training expert.

5. The expert will be specifically responsible for all training and associated activities connected with :

(a) the practical and theoretical instruction connected with carpentry and joinery ;

(b) safety precautions and practices connected with woodworking, building trades, in workshops and on building sites.

Qualifications required.—The candidate for this post should have :

(a) a sound general and technical education ;

(b) a sound practical training by means of an apprenticeship or equivalent in his field of assignment ;

(c) experience as a skilled craftsman in industry ;

(d) training and experience as an instructor ;

(e) ability to prepare syllabi for practical training and related instruction ;

(f) ability to explain his ideas clearly both by speaking and writing and to maintain good working relations with his national counterparts ;

(g) a thorough working knowledge of English ;

(h) a good knowledge of the safety codes and practices in carpentry and joinery and general building work.

Language.—English.

Background information.—1. The purpose of the project, the duration of which is five years, is to assist the Government in the establishment and initial operation of a National Industrial Vocational Training Scheme. The main objectives of the project are :

(a) the establishment of a National Advisory Committee on Vocational Training ;

(b) the strengthening of the Vocational Training Section under the direct responsibility of the Department of Labour, Ministry of National Community Development and Social Affairs ; and

(c) the establishment of a Vocational Training Development Centre.

2. Under the Scheme, the National Advisory Committee on Vocational Training will be responsible for the overall planning and determination of national vocational training policies, as well as the co-ordination of the country's vocational training activities. The National Advisory Committee on Vocational Training will be composed of representatives from the Ministries of National Community Development and Social Affairs, Planning, Education and Fine Arts, Commerce and Industry, Agriculture and the Federation of Employers, Chamber of Commerce and the Confederation of Ethiopian Labour Unions.

3. The Vocational Training Section will be responsible, among other things for the development of the various types of training programmes needed in the country, including in-plant and apprenticeship training, and the organisation of a trade testing and certification system. The Vocational Training Section will be subdivided into a technical unit, an operations unit, and the Vocational Training Development Centre. The technical unit will take charge, inter lia, of determining training needs and standards and preparing teaching materials and syllabi. The operations unit will draft new apprenticeship legislation and assist local industrial concerns in establishing their own training schemes. In addition, it will assume responsibility for all records and reports. The section will undertake the development of courses and schemes, try them out and assist companies, public authorities and other agencies interested in applying the experience gained and in implementing their own schemes, including provision of documentation and training

of staff. Thus, the Centre would become a Vocational Training Development Centre for Ethiopia.

4. The Vocational Training Development Centre will be established in Addis Ababa. Its staff will organise courses of short duration for instructors, industry training officers, supervisors, workers and apprentices. The duration of courses in the Centre for young apprentices will be two years. Candidates for these courses will be selected from students who have completed the ninth grade in the general education system. When fully developed, the Centre will have an enrolment capacity for approximately 300 students in day time and evening courses. Finally, it is expected that the staff of the Centre will take all the steps necessary to achieve an effective integration of its activities with the industrial and basic manual skill improvement training which is to be undertaken under a work-oriented adult literacy project which is also receiving the assistance of the Special Fund.

5. The international team will consist of an expert/in-plant and supervisory training, an expert/instructor and foreman training and curricula development, an expert/metal trades and five expert/instructors for electrical trades, automotive trades, woodworking, bricklaying and plastering and plumbing and sheet metal.

Government Notice No. 1353

WORLD METEOROLOGICAL ORGANIZATION VACANCY NOTICE No. 778

Post.—Chief, Global Data-Processing System Division.

Organizational Unit.—World Weather Watch Department.

Grade.—P 5.

Initial Salary.—Net US \$21,324 per annum after deduction for staff assessment. (See attached note for detailed information on emoluments and other financial conditions).

Nature of appointment.—Fixed term of two years with possibility of renewal.

Duties.—Subject to general directives, the appointee will be responsible to the Director of the World Weather Watch Department for supervising the work of the Global Data-Processing System Division, which has the following tasks:

To assist in the implementation of the World Weather Watch plan in the field of the Global Data-Processing System and the planning of corresponding second stream activities.

To maintain close technical liaison with other appropriate international organizations.

To co-ordinate and promote activities of the Commission for Basic Systems and its working groups in the field of data-processing; in particular operational aspects of numerical weather prediction and storage and retrieval of data within the WWW/GDPS and related subjects (including codes).

To assist various constituent bodies of WMO, panels of experts and working groups in the field of GDPS and codes.

To plan and direct the internal data-processing activities of WMO, supervising the work of system analysts, programmers, draughtsmen and data preparation clerks.

To assist in the organization of sessions of CBS and regional associations and in the immediate follow-up action on these sessions.

To assist in the monitoring of the performance of the GDPS.

To provide assistance to the Executive Committee Working Group on Antarctic Meteorology.

Qualifications.—*Education.*—Graduate of a recognized university or technical institute in mathematics, physics or geophysics with subsequent specialization in meteorology.

Experience.—Long experience in theoretical and practical meteorology and of organizing and co-ordinating meteorological programmes, such as would be acquired in a senior post in an international organization or a national Meteorological Service. A thorough knowledge of the Global Data-Processing System of the World Weather Watch and experience in data-processing, including numerical weather prediction and storage and retrieval of data, of the nature of that acquired by service in a major meteorological centre within the WWW. Experience in writing reports, documents and correspondence on technical meteorological subjects. Familiarity with other technical work in the field of international meteorology and a detailed knowledge of the work of the Commission for Basic Systems would be an advantage.

Others.—Maturity of judgment, initiative, originality of ideas, ability to plan, organize and direct meteorological work at a high level.

Languages.—Excellent knowledge of English or French and a good knowledge of one of the three other working languages.

(Note: Working languages of WMO are English, French, Russian and Spanish).

Commencement of duty.—1st January, 1976 or as soon as possible thereafter.

Applications.—Applications should be made on WMO Personal History Forms, which may be obtained from the Secretariat on request and should be addressed to:—the Secretary-General, World Meteorological Organization, Case postale No. 5, CH-1211 GENEVA 20.

Closing date.—Applications should be received in the Secretariat not later than 15th October, 1975

Government Notice No. 1354

WORLD METEOROLOGICAL ORGANIZATION VACANCY NOTICE No. 779

Post.—Scientific officer.

Organisational Unit.—Telecommunications System Branch, World Weather Watch Department.

Grade.—P.4.

Initial Salary.—Net US \$17,532 per annum after deduction for staff assessment. (See attached note for detailed information on emoluments and other financial conditions).

Nature of Appointment.—Fixed term of two years with possibility of renewal.

Duties.—Subject to general directives, the appointee will assist in the work of the Telecommunications System Branch, which has the following tasks:

Technical aspects of the implementation of the World Weather Watch plan in the field of the

Global Telecommunication System and in the planning of corresponding second stream activities.

Technical liaison with other appropriate international organisations.

Co-ordination and promotion of activities as regards telecommunications in the field of CBS and CMM and their working groups.

Telecommunications activities relating to the work of other constituent bodies of WMO, panels of experts and working groups.

Assist in carrying out the monitoring of the performance of the GTS.

Qualifications.—

Education.—Graduate of a recognized university or technical institute in electronic engineering with subsequent specialization in telecommunications.

Experience.—Several years' experience in meteorological telecommunications and in organizing and co-ordinating in this field, such as would be acquired in a senior post in a national meteorological or telecommunications service. Practical experience in the field of international meteorological telecommunications would be on advantage.

Experience in writing reports, documents and correspondence on meteorological telecommunications subjects.

Other requirements.—Maturity of judgment, initiative, originality of ideas, ability to plan, organize and direct meteorological telecommunication work.

Languages.—Excellent knowledge of English or French and a good knowledge of one of the three other working languages.

(Note: Working languages of WMO are English, French, Russian and Spanish).

Commencement of duty.—1st November, 1975 or as soon as possible thereafter.

Applications.—Applications shall be made on WMO Personal History Forms, which may be obtained from the Secretariat on request and shall be addressed to: the Secretary-General, World Meteorological Organization, Case postale No. 5, CH-1211 GENEVA 20.

Closing date.—Applications should be received in the Secretariat not later than 30th September, 1975.

Annex.—1

Note.—This vacancy notice replaces Vacancy Notice No. 762, dated 8th January, 1975. All applications received for Vacancy Notice No. 762 will be taken into consideration and there will be no necessity for these candidates to re-apply.

Government Notice No. 1355

WORLD METEOROLOGICAL ORGANIZATION VACANCY NOTICE No. 780

Post.—Technical Officer.

Organizational unit.—Global Data-Processing System Division, World Weather Watch Department.

Grade.—P. 2 (with possibility of promotion to P. 3 in due course).

Initial salary.—US \$12,025.-net per annum after deduction for staff assessment (see attached note for detailed information on emoluments and other financial conditions).

Nature of appointment.—Fixed term of two years with possibility of renewal.

Duties.—Under the supervision of the Chief of the Global Data-Processing System Division, the appointee will be assigned duties in the field of meteorological data processing and evaluation of monitoring reports, in particular:

to prepare documents, memoranda and correspondence related to the work of the Commission for Basic Systems and Regional Associations in the field of the Global Data-Processing System (including codes);

to assist, as appropriate, in the preparation of reports of sessions of working groups;

to prepare technical reports for publications;

to draft inquiries to Member countries and subsequently analyse and summarize their replies;

other similar duties as assigned.

Qualifications.—

Education.—Diploma from a secondary school or from a recognized technical college, with subsequent specialization in meteorology.

Experience.—Several years experience in weather forecasting and/or data processing or similar functions in a Meteorological Service. Experience in writing reports, documents and correspondence on meteorological data-processing subjects.

Other requirements.—Maturity of judgment and originality of ideas. Ability to express ideas clearly, especially in writing. Interest in co-ordinating international work.

Languages.—Excellent knowledge of English or French and a good working knowledge of the other language.

Commencement of duty.—1st January, 1976, or as soon as possible thereafter.

Applications.—Applications shall be made on WMO Personal History Forms which may be obtained from the Secretariat on request and shall be addressed to:—The Secretary-General, World Meteorological Organization, Case postale No. 5 CH-1211 GENEVA 20.

Closing date.—Applications must be received in the Secretariat not later than 15th October, 1975.

Government Notice No. 1356

UNITED NATIONS DEVELOPMENT PROGRAMME

ANNOUNCEMENT OF VACANCY

RAF/WMO/16

Country.—Member countries of the Permanent Inter-State Committee for Drought Control in the Sahel (CILSS): Chad, Gambia, Mali, Mauritania, Niger, Senegal and Upper Volta.

Title of post.—Professor of general and dynamic meteorology.

Duration.—One year with possibility of extension.

When required.—October 1975 or as soon as possible thereafter.

Duty station.—Niamey (Niger).

Duties.—The expert will perform the duties of a professor at the Science Faculty of the University of Niamey. In close collaboration with the Rector of the University and with the Manager of the Programme for strengthening the Agrometeorological and Hydrological Services of the Sahelian countries

and establishment of a Centre for training and applications of agrometeorology/operational hydrology of which this post is a component (see annex), he will :

(a) give courses in general, synoptic and dynamic meteorology for student meteorologists in Classes I and II ;

(b) prepare teaching materials ;

(c) supervise work done by students on weather circulation and development in West Africa.

Qualifications.—Candidates should have a university diploma in meteorology or equivalent training. They should have experience of teaching meteorological personnel in Classes I and II. Experience of meteorology in the semi-arid African zone would be an advantage.

Language.—A sound knowledge of French is essential.

Salary.—Net initial salary equivalent of US \$21,324 per annum, plus allowances*.

Exonerations from taxation in respect of salary and allowances are the same as those enjoyed by officials of the United Nations.

Applications.—Applications should be submitted on UN or WMO Personal History forms and sent to the Secretary-General World Meteorological Organization, Case Postale No. 5, CH-1211 Geneva 20, Switzerland.

Applications submitted by cable will also be considered.

Closing date.—Applications should reach the Secretariat by 30th September, 1975.

*** Allowances:**

1. **Post adjustment.**—This adjustment is variable according to cost of living at the duty station. At present, for Niamey, the equivalent of US \$6,710 per annum is payable for an expert without dependants and the equivalent of US \$10,065 per annum is payable for an expert with dependants.

2. **Assignment allowance.**—Without dependants, equivalent of US \$1,900 per annum ; with dependants, equivalent of US \$2,400 per annum.

3. **Dependency allowance.**—Equivalent of US \$400 per annum for a dependent wife ; equivalent of US \$450 per annum for each dependent child.

4. **Education grant.**—A grant up to a maximum of, the equivalent of US \$1,500 per annum is payable under certain conditions, in respect of each dependent child in full time attendance at a school or university.

5. **Other main benefits in accordance with staff rules.**—United Nations Joint Staff Pension Fund and Group Life Insurance Plan (compulsory) ; medical scheme compulsory for experts and optional for dependants ; annual, home and sick leave travel expenses on appointment, repatriation and home-leave ; installation and repatriation grant ; transport of personal effects and household goods. Under certain conditions, these benefits are also applicable to recognized dependants.

Annex

EXPLANATORY NOTE

Programme for strengthening the Agrometeorological and Hydrological Services of the Sahelian

countries and establishment of a Centre for training and applications of agrometeorology/operational hydrology.

The strengthening of national Services and the setting up of the Centre are among the medium-term measures intended to minimize the effects of climatological disasters and to improve the living conditions of the inhabitants of this area. The seven countries affected by the drought have set up a joint body in order to combine their efforts : the Permanent Inter-State Committee for the Fight Against Drought in the Sahel (CILSS). These countries are : the Gambia, Upper Volta, Mali, Mauritania, Niger, Senegal and Chad.

The present programme consists of :

Seven national projects intended to develop the agrometeorological and hydrological observational networks, to strengthen services for data processing and providing users with short-term forecasts, and lastly, the training of technical personnel required for these tasks ;

a regional Centre to provide training for these personnel. This Centre will subsequently have personnel and equipment for data processing on a regional basis.

Each national project comprises :

the services of an expert for two years, responsible for supervising meteorological and agrometeorological activities undertaken in the country ;

the supply of equipment for strengthening the networks ;

granting fellowships ;

hydrological activities undertaken a subcontract with ORSTOM (except the Gambia).

The Centre comprises :

the services of a Programme Manager responsible for the management and implementation of the entire programme ;

the services of four instructors in meteorology (2), agrometeorology (1) and climatology (1) ;

the services of two experts in operational hydrology responsible for planning and supervising the work of the subcontractor ;

the supply of didactic material.

It is also proposed to add data processing facilities on a regional scale by attaching two experts, providing data processing equipment and a telecommunication network for the collection and re-distribution of these data.

The duration of these operations will be five years for the Centre and two years for the national projects.

Government Notice No. 1357

**WORLD METEOROLOGICAL ORGANISATION
UNITED NATIONS DEVELOPMENT PROGRAMME**

**ANNOUNCEMENT OF VACANCY—
NIC/WMU/5**

Country.—Nicaragua.

Title of post.—Meteorologist.

Duration.—Two years (initial contract of one year).

When required.—As soon as possible.

Duty station.—Managua, with travel as necessary within the country.

Duties.—The expert will be required to :

(a) Assist the Director of the National Meteorological Service of Nicaragua in the organisation of the National Meteorological Centre in Managua as part of the full implementation of the World Weather Watch programme and particularly as regards the collection, processing and storage of data to enable the Service to satisfy the requirements of the users ;

(b) Assist in the preparation of work programme, appropriate technical and administrative instructions as well as guidance material for the local technical staff ;

(c) Give on-the-job training to the local technical personnel.

Qualifications.—The expert should have a university degree in mathematics, physics or meteorology and have a wide experience in the organisation and operation of a National Meteorological Service. He should also have experience in machine processing of meteorological data.

Language.—It is essential to have a good knowledge of Spanish.

Salary level.—Initial net salary equivalent of US \$17,532.00 per annum, plus allowances.

Applications.—Applications should be made on UN or WMO Personal History forms and should be addressed to the Secretary-General, World Meteorological Organization, Case Postale No. 5, CH-1211 GENEVA 20, Switzerland. Applications by cable will also be considered.

Closing date.—Applications should reach the Secretariat not later than 15th October, 1975.

Allowances :

1. **Post adjustment.**—This adjustment is variable according to cost of living at the duty station. At present, for Managua, the equivalent of US \$2,550.00 per annum is payable for an expert without dependants and the equivalent of US \$3,825.00 per annum is payable for an expert with dependants.

2. **Assignment allowance.**—Without dependants, equivalent of US\$1,600.00 per annum ; with dependants, equivalent of US \$2,000.00 per annum.

3. **Dependency allowance.**—Equivalent of US \$400.00 per annum for a dependent wife ; equivalent of US \$450.00 per annum for each dependent child.

4. **Education grant.**—A grant up to a maximum of the equivalent of US \$1,500.00 per annum is payable, under certain conditions, in respect of each dependent child in full time attendance at a school or university.

5. **Other main benefits in accordance with staff rules.**—United Nations Joint Staff Pension Fund and Group Life Insurance Plan (compulsory) ; medical scheme compulsory for experts and optional for dependants ; annual, home and sick leave ; travel expenses on appointment, repatriation and home leave ; installation and repatriation grant ; transport of personal effects and household goods. Under certain conditions, these benefits are also applicable to recognized dependants.

Exonerations from taxation in respect of salary and allowances are the same as those enjoyed by officials of the United Nations.

Government Notice No. 1358

WORLD METEOROLOGICAL ORGANIZATION UNITED NATIONS DEVELOPMENT PROGRAMME ANNOUNCEMENT OF VACANCY— PAK/WMO/13*

Country.—Pakistan.

Title of post.—Expert in Hydrological Net work Design and Operation.

Duration.—Two years (initial contract of months).

When required.—September 1975.

Duty station.—Lahore, with frequent visits to other parts of the country.

Duties.—The expert will be a member of the team of WMO experts entrusted with the implementation of the project entitled : improvement of the River and Flood Forecasting and Warning System for the Indus River Basin (a short description of the project is given in the Annex). Under the general supervision of the Team Leader, the expert will be called upon to undertake the following duties :

(i) organize, install and operate automatic and telemetering gauging stations to measure the water level and discharge of rivers ;

(ii) supervise the installation and operation of rainfall stations in the catchment area ;

(iii) establish suitable guidelines and detailed programme for work to be undertaken for the development of a modern hydrological network ;

(iv) periodically inspect the hydrological stations, and provide guidance to the national counterpart hydrologists and meteorologists in improving the operational techniques.

Qualifications.—The candidate should have a degree from a recognized university or equivalent institute in either geophysics or engineering (civil or agricultural) or in a related field. He should have wide and recent field experience in hydrological network design and operation, automated data collection and a good knowledge of hydrological instruments and their capabilities.

Language.—An excellent knowledge of English is required.

Salary.—Initial net salary equivalent of US \$21,324.00 per annum, plus allowances*.

Exonerations from taxation in respect of salary and allowances are the same as those enjoyed by officials of the United Nations.

Applications.—Applications should be made on UN or WMO personal history forms and should be addressed to the Secretary-General, World Meteorological Organization, Case Postale No. 5, 1211 GENEVA 20, Switzerland. Applications by cable will also be considered.

Closing date.—Applications should reach the WMO Secretariat not later than 15th September, 1975.

***Allowances :**

1. **Post adjustment.**—This adjustment is variable according to cost of living at the duty station. At present, for Lahore, the equivalent of US \$610.00 per annum is payable for an expert without dependants and the equivalent of US \$915.00 per annum is payable for an expert with dependants.

2. *Assignment allowance*.—Without dependants, equivalent of US \$1,900.00 per annum; with dependants, equivalent of US \$2,400.00 per annum.

3. *Dependency allowance*.—Equivalent of US \$400.00 per annum for a dependent wife; equivalent of US \$450.00 per annum for each dependent child.

4. *Education grant*.—A grant up to a maximum of the equivalent of US \$1,500.00 per annum is payable, under certain conditions, in respect of each dependent child in full time attendance at a school or university.

5. *Other main benefits in accordance with staff rules*.—United Nations Joint Staff Pension Fund and Group Life Insurance Plan (compulsory); medical scheme compulsory for experts and optional for dependants; annual, home and sick leave; travel expenses on appointment; repatriation and home leave; installation and repatriation grant; transport of personal effects and household goods. Under certain conditions, these benefits are also applicable to recognized dependants.

Appendix to PAK/WMO/13

IMPROVEMENT OF THE RIVER AND FLOOD FORECASTING AND WARNING SYSTEM FOR THE INDUS RIVER BASIN IN PAKISTAN

The purpose of this project, the first phase of which will have a duration of three years is to establish a modern forecasting system for the Indus River Basin in Pakistan. This is to be achieved through the implementation of a large project which will have the following components:

(i) Expansion and modernization of the basic hydrological data collection and processing system.

(ii) Establishment of a radar hydrology and a meteorological satellite read-out support system.

(iii) Establishment of a river and flood forecasting system.

Both UNDP and bilateral assistance will be used to implement this comprehensive project.

* Subject to approval by the Government of Pakistan and the UNDP.

Government Notice No. 1359

WORLD METEOROLOGICAL ORGANIZATION UNITED NATIONS DEVELOPMENT PROGRAMME ANNOUNCEMENT OF VACANCY— PAK/WMO/14*

Country.—Pakistan.

Title of post.—Expert in Installation and Operation of Hydrological Equipment.

Duration.—One year.

When required.—January 1976.

Duty station.—Lahore (with frequent trips within the country).

Duties.—The expert will be a member of the team of WMO experts entrusted with the implementation of the project entitled: "Improvement of the River and Flood Forecasting and Warning System for the Indus River Basin" (a short description of the project is given in the Annex). Under the general supervision of the Team Leader and under the direct guidance

of the expert in hydrological network design and operation, the expert will be called upon to undertake the following duties:

(i) to participate in the rehabilitation of the hydrometric network in the project area;

(ii) to participate in the installation and operation of automatic and telemetering gauging stations to measure the water level and discharge of rivers;

(iii) to participate in the installation of rainfall stations in the project area;

(iv) periodically to inspect the hydrological stations and give training to local personnel in making hydrological observations and in the maintenance of instruments.

Qualifications.—The candidate should have a degree from a recognized university or equivalent institution in either geophysics or engineering (civil or agricultural) or in a related field. He should have extensive field experience in the installation, operation and maintenance of hydrological stations. A knowledge of telemetering equipment would be an advantage. A certain experience in training counterpart personnel is necessary.

Language.—A good working knowledge of English is required.

Salary level.—Initial net salary equivalent of US \$17,532.00 per annum, plus allowances*.

Exonerations from taxation in respect of salary and allowances are the same as those enjoyed by officials of the United Nations.

Applications.—Applications should be made on UN or WMO personal history forms and should be addressed to the Secretary-General, World Meteorological Organization, Case Postale No. 5, CH-1211 GENEVA 20, Switzerland. Applications by cable will also be considered.

Closing date.—Applications should reach the WMO Secretariat not later than 1st October, 1975.

* *Allowances*:

1. *Post adjustment*.—This adjustment is variable according to cost of living at the duty station. At present, for Lahore, the equivalent of US \$510.00 per annum is payable for an expert without dependants and the equivalent of US \$765.00 per annum is payable for an expert with dependants.

2. *Assignment allowance*.—Without dependants, equivalent of US \$1,600.00 per annum; with dependants, equivalent of US \$2,000.00 per annum.

3. *Dependency allowance*.—Equivalent of US \$400.00 per annum for a dependent wife; equivalent of US \$450.00 per annum for each dependent child.

4. *Education grant*.—A grant up to a maximum of the equivalent of US \$1,500.00 per annum is payable, under certain conditions, in respect of each dependent child in full-time attendance at a school or university.

5. *Other main benefits in accordance with staff rules*.—United Nations Joint Staff Pension Fund and Group Life Insurance Plan (compulsory); medical scheme compulsory for experts and optional for dependants; annual, home and sick leave; travel expenses on appointment, repatriation and home leave; installation and repatriation grant; transport of personal effects and household goods. Under certain conditions, these benefits are also applicable to recognized dependants.

Government Notice No. 1360

WORLD METEOROLOGICAL ORGANIZATION
UNITED NATIONS DEVELOPMENT PROGRAMME
ANNOUNCEMENT OF VACANCY—
YEM/WMO/4

Country.—Yemen Arab Republic

Title of post.—Expert in Radiosonde and APT Techniques.

Duration.—24 months (initial appointment of twelve months).

When required.—1st January, 1975.

Duty station.—Sana'a with travels in the country.

Duties.—The expert will be one of a team of five experts in the UNDP project "Meteorological Services" in the Yemen Arab Republic of which WMO is the Executing Agency. Under the general supervision of the Project Manager, and in close co-operation with the counterpart staff the expert will:

(a) assist in setting up and operating radiosonde stations at Sana'a and Hodeidah and an APT station at Sana'a;

(b) train Yemeni staff in radiosonde and APT operation and maintenance.

Qualifications.—The expert should have a degree from a recognized University or equivalent institution in electronic or electrical engineering. A background in meteorology, with substantial experience in the installation, operation and maintenance of the radiosonde and APT equipment is required.

Languages.—Excellent knowledge of English is required and knowledge of Arabic would be an advantage.

Salary level.—Initial net salary equivalent of US \$17,532 per annum plus allowances.

Allowances:

1. *Post adjustment.*—This adjustment is variable according to cost of living at the duty station. At present, for Sana'a, the equivalent of US \$2,550.00 per annum is payable for an expert without dependants and the equivalent of US \$3,825.00 per annum is payable for an expert with dependants.

2. *Assignment allowance.*—Without dependants, equivalent of US \$1,600.00 per annum; with dependants, equivalent of US \$2,000.00 per annum.

3. *Dependency allowance.*—Equivalent of US \$400.00 per annum for a dependent wife; equivalent of US \$450.00 per annum for each dependent child.

4. *Education grant.*—A grant up to a maximum of the equivalent of US \$1,500.00 per annum is payable, under certain conditions, in respect of each dependent child in full-time attendance at a school or university.

5. *Other main benefits in accordance with staff rules.*—United Nations Joint Staff Pension Fund and Group Life Insurance Plan (compulsory); medical scheme compulsory for experts and optional for dependants; annual, home and sick leave; travel expenses on appointment, repatriation and home leave; installation and repatriation grant; transport of personal effects and household goods. Under certain conditions, these benefits are also applicable to recognized dependants.

Exonerations from taxation in respect of salary and allowances are the same as those enjoyed by officials of the United Nations.

Applications.—Applications should be made on UN or WMO personal history forms and should be addressed to: the Secretary-General, World Meteorological Organization, Case Postale No. 5, CH-1211 GENEVA 20. Applications by cable will also be taken into consideration.

Closing date.—Applications should reach the Secretariat not later than 15th September, 1975.

Government Notice No. 1361

INTERNATIONAL CIVIL AVIATION ORGANIZATION
VACANCY NOTICE PC 18/75

Title.—Chief, Planning and Evaluation Office.

Level. P-5.

Cost No.—6300.03.

Salary range.—Gross: US \$30,540 increasing by nine annual increments to US \$38,370 per annum.

Net (free of tax): US \$21,324 increasing by nine annual increments to US \$25,703 per annum.

Plus post adjustment (cost of living allowance) which is at present:

US \$2,440-US \$2,800 per annum (free of tax) for staff member without dependents.

US \$3,660-US \$4,200 per annum (free of tax) for staff member with dependents.

Note.—Appointments will normally be made at the minimum of the salary and post adjustment ranges indicated.

Office.—Planning and Evaluation Office, Technical Assistance Bureau, Headquarters, Montreal.

Qualifications.—

1. *Education.*—University degree or equivalent academic qualifications preferably in one of the main sub-divisions of the science of aeronautics.

2. *Experience.*—Extensive high level planning experience in one or more of the fields of civil aviation essential, in a technical division of a civil aviation administration or a major international

airline. Experience in the development and direction of technical work programmes. Experience in conducting high level negotiations with government authorities desirable.

3. *Languages.*—Command of at least one of the languages of the Organization (English, French, Russian, Spanish) essential and a good working knowledge of the others desirable.

4. *General.*—Proven ability to :

(i) Plan, direct and supervise broad and complex development projects ;

(ii) Decide or advise on the solution of important problems of policy or practice ;

(iii) Execute representative functions requiring negotiating skill ;

(iv) Prepare technical papers and data. Sound knowledge of ICAO functions and aviation activities in the international field desirable. Ability to maintain harmonious working relationships.

Occupant responsible to.—Director, Technical Assistance Bureau.

Duties.—

1. Undertake the analysis of all existing Technical Assistance field activities, the assessment of future needs and of actions required for their achievement ; the examination of current and future means of funding projects ; the preparation of appropriate reports, summaries and recommendations. In particular :

(i) Prepare and periodically update 5-year forecast requirement for field experts, equipment and fellowships, based on current or approved TA projects.

(ii) Assess future civil aviation training needs, by region and speciality, compare with available or projected facilities, and formulate proposals to meet deficiencies.

(iii) Examine the utilization and effectiveness of Regional and Inter-Regional TA programmes, consideration of future needs, and develop suitable proposals.

(iv) Prepare analytical reviews of other TA activities being provided, including country missions, and the development of proposals to provide additional assistance wherever required.

(v) Co-ordinate the preparation of country briefs as required by the UNDP and devise systems for their regular updating.

(vi) Analyse the bi-annual reports of Missions and Projects, assessing where follow-up action is required.

(vii) Conduct research into the current and potentially available resources for the funding of future activities, in particular for economically viable large-scale projects.

(viii) Co-ordinate the preparation of reports to Council, periodical summaries of projects under consideration and other related matters.

2. Maintain continuous liaison with senior TAB staff in the development forecasts, the requirements for additional activities, and in the preparation of appropriate recommendations.

3. Direct and co-ordinate the work of the Planning and Evaluation Office staff.

4. Perform other related duties as assigned.

Terms of appointment.—Two years without expectancy of renewal, i.e. non-career appointment.

Applications.—Applications must be made on the ICAO Application-for-Employment form in strict accordance with all instructions on the form. The form, if not available locally, may be obtained by writing to the address below. When completed it should be sent to—Chief, Personnel Branch, International Civil Aviation Organization, 1080 University Street, Montreal 101, P.Q., Canada.

Please quote.—Vacancy Notice number and full title of post.

Closing date for the receipt of applications.—27th September, 1975.

Summary of Benefits Additional to Salary

Available to Holders of Non-Career Appointments

(Amounts Quoted are in US Dollars)

1. *Dependency allowance.*—\$400 per annum for a spouse and \$450 per annum for each child provided those concerned qualify as being financially dependent upon the staff member. If the allowance in respect of a spouse is not paid a dependency allowance at the rate of \$200 per annum may be paid in respect of a parent or a brother or sister, subject to the same condition of financial dependency upon the staff member.

2. *Education grant.*—Under certain conditions an education grant is paid up to a maximum of \$1,500 per child annually, as well as expenditure on children's education travel to and from the home country or other permissible place of education.

3. *Pension fund.*—The staff member will become a full participant in the United Nations Joint Staff Pension Fund, which involves a contribution by the staff member of 7 per cent of his pensionable remuneration (presently established at 105 per cent* of the gross salary) with the Organization contributing 14 per cent. The staff member's contribution plus accrued interest will be refunded to him on termination of his contract.

4. *Compensation for service incurred death, injury or illness.*—The Organization pays compensation for death, injury or illness attributable to the performance of official duties, in accordance with established rules.

5. *Medical Insurance.*—The staff member will be required to participate in the Quebec Medical Insurance Plan (Medicare) and the appropriate deduction will be made from his salary. In addition there is a supplemental optional group medical insurance plan.

6. *Life Insurance.*—A group life insurance plan can be joined by the staff member.

7. *Sick leave.*—Adequate sick leave is granted.

8. *Annual leave.*—Six weeks annual leave accrue each year.

9. *Travel and related expenses on appointment.*—The Organization meets the cost of travel expenses of the staff member and his recognized dependents from his home to the duty station, and in addition pays reasonable costs of removal of furniture and personal effects. Alternatively the Organization may decide to pay an assignment allowance in lieu of removal of furniture and personal effects. Also payable is an installation grant, varying in amount according to the location of the duty station and the number of dependents of the staff member, to compensate for expenses normally incurred in initially settling in at the duty station.

10. *Travel and related expenses on termination.*—The Organization pays the cost of travel of the staff

member and his recognized dependents from the duty station to his home. The Organization also pays reasonable costs of removal of furniture and personal effects to the staff member's home unless the staff member was being paid an assignment allowance during his appointment.

11. *Terminal expenses.*—A repatriation grant designed to assist the staff member in re-establishing himself in his home country and varying in amount with the length of service rendered and family status is paid on separation from service.

* 120 per cent from 1st July, 1975
