Government Notice No. 1505

FEDERAL GOVERNMENT SCHOLARSHIP, 1976-77 AWARDS

The Federal Military Government has given a total of 9,458 scholarships to deserving Nigerians under the 1976-77 programme. Of this number, 3,982 are for Undergraduate Courses, 3,762 for Technical and 1,714 for Post-graduate Courses.

2. To facilitate the implementation of the awards, the recipients are advised as follows :—

(*i*) Offers of Provisional Award are now being despatched to addresses given at time of application from where recipients should collect them.

(*ii*) Award regulations require recipients accept offer and complete bond formalities before implementation. But, to provide immediate relief to needy students, interim implementation for *one term/semester only* will be effected on presentation of the letters of award to appropriate Institutions within Nigeria *or* to any of Nigerian overseas Missions in the case of scholars abroad provided in the latter case that the awards are made tenable overseas. Any scholar who travelled abroad after submitting application in a design to force a change of venue when award is made, does so at his own risk as such change of venue will not be allowed if the award is made tenable in Nigeria.

(*iii*) Recipients should allow reasonable time for the offers of Provisional Awards to reach them by post and check at their addresses before writing to the Board for any inquiry.

GANI A. BELO,
Secretary, Federal Scholarships Board,
for Permanent Secretary,
Federal Ministry of Education
