NIGERIAN ENTERPRISES PROMOTION BOARD
15 AND 19 KEFFI STREET, SOUTH WEST, IKOYI;
P.M.B. 12553, LAGOS

PRESS RELEASE

The attention of the Nigerian Enterprises Promotion Board has been drawn to the fact that, despite previous warnings, some unscrupulous Nigerians have been conniving with some aliens to 'purchase' 40 per cent of the paid-up capital of defaulting Schedule II enterprises in ways and manners contrary to the provisions of the Federal Military Government's White Paper on the Report of the Industrial Enterprises Panel. The Board will like to reaffirm, once again, its earlier warnings that any such transactions which are not conducted through the Board and in accordance with the provisions of the White Paper are null and void.

2. It has also come to the attention of the Board that some aliens and Nigerians have been undertaking and concluding deals with one another with a view to buy and sell enterprises or shares ostensibly in an attempt to comply with the proposed Phase II of the Indigenisation Programme. The Board will like to reiterate its earlier warnings that any transfers done by anybody, in an attempt to pre-empt the new Nigerian Enterprises Promotion Decree, is done at his own risk and that agreements about such transfers will not be recognised by the Board.

for Chairman,
Nigerian Enterprises Promotion,
Board
