Government Notice No. 242

Patents and Designs Decree 1970

(1970 No. 60)

NOTICE OF GRANT OF PATENTS SECTION 5 (3)

It is hereby notified that the undermentioned patents have been granted under the terms of the Patents and Designs Decree 1970.

Any person interested may apply under section 9 of the Decree to nullify any of the Patents.

In the following list the first numbers shown are the Serial Numbers which are given to applications on acceptance of the specifications. The second numbers (in brackets) are the corresponding application numbers.

The date immediately following the title of the invention is the date of filing the specification. In the case of a Convention application in which a priority document will have been filed in pursuance of section 3(4)(b) of the Patents and Designs Decree 1970 No. 60, the name of the Convention country and the number and date of the application in that country are shown in brackets.

Persons interested are reminded that the accuracy of the information is not guaranteed.

N. O. NKANG,
Secretary, Public Service Commission

10th February, 1977.

Government Notice No. 269

INTERNATIONAL LABOUR OFFICE TECHNICAL CO-OPERATION PROGRAMME ANNOUNCEMENT OF VACANCY

Country.—Thailand.

Project Code.—THA/TF (Post 01).

Date issued.—December 1976.

Closing date for application.—No fixed date.

General field.—Vocational Education.

Title of post.—Chief Technical Adviser (Curriculum Development Specialist) (Post 01).

Duty station.—Bangkok with frequent travel throughout the country.

Duration of appointment.—12 months with possibility of extension.

Desirable starting date.—1st March, 1977.

Terms of appointment.—On the basis of international agreements of national law relating to presence or residence abroad, ILO salaries and emoluments are generally tax exempt. In the absence of exemption, tax paid will be reimbursed in accordance with an ILO document which will be supplied upon request. Although quoted in US dollars, the salaries and emoluments are payable partly in the currency of the home country and partly in the currency of the duty station.

Annual salary.—Between US \$21,324 and US \$25,704. (The initial salary of the appointee will be fixed in accordance with his/her qualifications and experience. Increments are granted annually).

Post adjustment.—(Class 4) (subject to change)—Between US \$2,440 and US \$2,800 (single rate); Between US \$3,660 and US \$4,200 (dependant rate).

Assignment allowance.—US \$1,900 (single rate); US \$2,400 (dependant rate).

Family allowance.—(if eligible) Spouse : US \$400 per annum. Each child : US \$450 per annum.

Other benefits.—Installation allowance, education grant for children, repatriation grant upon termination of assignment, 30 working days' annual leave, home leave travel with eligible dependants every two years, social security benefits.

Description of duties.—The main objective of the project is to establish with the Department of Vocational Education (DOVE) a new approach to the education and training of "Industrial Technicians" by upgrading four existing technical Institutes in Thailand by providing them with additional building facilities, new workshop and laboratory equipment, and new curricula geared to the needs of technician employment.

The Chief technical adviser will :

(a) have the over-all responsibility for the implementation and operation of the project on behalf of the ILO. He will co-ordinate the work of the team of ILO experts and will act as the means of communication between the Department of Vocational Education and the team. He will liaise very closely with the national director of this project for the improvement of industrial technician level, education and training ;

(b) work closely with the national staff and the ILO experts in the technical section and procurement section and maintenance and supply division associated with the project in dealing with equipment procurement, inspection and installation of equipment ;

(c) with the help of national specialists and ILO experts, analyse and prepare curricula for the industrial technician courses in selected fields ;

(d) assist in revising equipment lists to ensure that they comply with the workshop and laboratory equipment required for the new training programmes for technicians ;

(e) evaluate the effectiveness of the technicians' courses and make corrections, as required ;

(f) perform any other duties in connection with his particular competence as a vocational education expert.

Qualifications required.—(a) A good general and higher technical education.

(b) Experience in modern pedagogical techniques with specialisation in curricula development.

(c) Broad knowledge and experience in planning, implementing, administering and supervising vocational educational schemes on a national level.

(d) Capability to advise on programmes at the national level and at the same time able to participate in the day-to-day work of the project.

(e) Ability to explain ideas clearly and to maintain good working relations with the national staff.

Language.—Thorough knowledge of written and spoken English.

Government Notice No. 270

(c) Ability to correspond and discuss clearly and accurately on all procedures regarding equipment procurement.

(d) Ability to train national staff for the efficient administration of the procurement section within DOVE.

Language.—Thorough knowledge of written and spoken English.

Government Notice No. 275

FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

VACANCY ANNOUNCEMENT

Post No.—2251-217.

Duration of Post.—Fixed-term 3 years*

Posting Time.—

Date issued.—28th January, 1977.

Closing date.—25th March, 1977.

Organizational Unit.—Central Office/Area Banks Investment Centre Development Department.

Location.—Rome.

Duties and responsibilities.—Under the general supervision of the Director, FAO Investment Centre and specifically the Deputy Director, Investment Centre/Central Office, the incumbent will assist in the formulation and operation of the programme of work in the field of agricultural credit and financing. In particular, his duties will include :

To advise FAO Member Governments and the co-operating financial institutions on the planning, development, design and operation of agricultural credit programmes and projects through participation in identification and preparation missions in the field.

To review government proposals for financial institutions' support of programmes and projects for development of rural credit and agricultural financing, and to advise governments and/or financing institutions as to their technical suitability, economic justification, financial viability and organizational soundness.

To advise FAO Member Governments and the financial institutions on the administration of loans/credits to agricultural borrowers granted by national credit institutions or other financial institutions, especially in cases where lending involves organization of co-operatives or associations of farmer groups.

To participate in various types of FAO Investment Centre or other FAO missions in technical, economic and specialized fields, with special reference to agricultural credit.

To perform such other duties as may be required under the work programme of the FAO Investment Centre and, in particular, to consult with and advise related FAO divisions in matters relating to agricultural credit.

Qualifications—Essential.—University degree in Economics, Commerce, or Business Management, or equivalent certification from a recognized specialized accounting or banking institution.

Five years' experience in administration of loans to agricultural borrowers, planning of agricultural credit programmes, evaluation of financial position and working of credit institutions, and operations of co-operatives or other farmers' organizations.

Full working knowledge of English, French or Spanish and good working knowledge of one of the other two.

Ability to write reports and correspondence clearly and concisely.

Ability to work in harmony and to establish and maintain good working relations with people of different national and cultural backgrounds.

Field experience in developing countries.

Qualifications—Desirable.—Experience in the organization and operation of an agricultural credit programme in a development bank in a developing country.

Emoluments and other benefits :

Salary per annum :

Starting	Maximum

Organizational unit.—Fish Production and Marketing Service Fishery Industries Division Fisheries Department.

Location.—Rome.

Duties and responsibilities.—Under the general direction of the Service Chief and in close collaboration with other Fishery Industry Officers covering related subjects in the general field of fishery technology, the incumbent assumes responsibility for the technical inputs provided by the Service in the implementation of practical programmes concerned with inshore fishing vessel development and construction; such inputs will be principally concerned with the identification of vessel requirements for specific fisheries, preparation of designs, advice on and organization of adequate boat-building facilities and relevant training programmes. In particular, he will:

Identify and evaluate requirements for new or improved inshore fishing boats in the framework of Government Co-operative Programme and other field projects and in response to specific government requests.

Prepare designs and specifications for suitable vessels.

Advise field projects and governments on construction methods, materials, equipment and production facilities and relevant training requirements.

Participate in related Service activities in direct support of field projects, specifically through preparation of manuals and guidelines.

Perform other related duties as required.

Qualifications—Essential.—University or technical college degree in naval architecture, or equivalent professional qualification.

Seven years' professional experience in design and construction of medium-sized vessels of which at least three years concerned with design development of medium and small fishing vessels.

Full working knowledge of English, French or Spanish and working knowledge of one of the other two.

Ability to prepare technical drawings and to write concise technical papers and reports; knowledge of construction techniques employing different materials (steel, wood, GRP).

Ability to develop effective working relationships with people of different nationalities in international agencies, government service and industry.

Qualification—Desirable.—Good working knowledge of English in view of work requirements.

Experience of vessel requirements of developing fisheries; knowledge of major fishing methods; general fisheries experience.

Emolument and other benefits:

Salary per annum:	
Starting	Maximum
(Gross: \$29,940)	(Gross: \$40,980)
Net: \$20,209	Net: \$27,749

Family Allowance per annum.—(Subject to eligibility of dependency).

Child \$450; Secondary dependent \$300.

Post adjustment per annum.—Variable according to cost of living and to dependency status. At present from \$— to \$—.

Emoluments.—Are payable in the currency of the Duty Station and on request, partially in any one other currency. "Gross salary" represents the amount from which Staff Assessment is deducted, similar to a progressive national income tax. "Net salary" is the amount payable to the staff member less deductions (e.g. pension fund, health and life insurance schemes).

Other benefits.—Subject to specific terms of appointment: Pension and medical schemes; annual, sick and maternity leave. Also, for non-locally filled post, appointment and repatriation travel, transport of household goods or assignment allowance, installation allowance and repatriation benefits, home leave travel with eligible dependents every 2 years, children's education grant (where applicable).

Applications.—to be submitted to Central Recruitment, Personnel Division, FAO, via delle Terme di Caracalla, 00100 Rome, Italy.

Internal candidates.—Complete 10 copies of ADM 75 form.

External candidates.—Complete in detail Personal History Form; may be requested to provide satisfactory evidence of educational qualifications prior to appointment; languages claimed on the Personal History Form will be verified through testing.

N.B.—Applications must be received by the closing date and the vacancy announcement Number must be quoted.

Government Notice No. 278

FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

ANNOUNCEMENT OF VACANCY

Post title and grade.—CHIEF, DISTRIBUTION AND SALES SECTION, P-4.

Post no.—3203-0212.

Duration of post.—Fixed-term 3 years with possibility of extension.

Organizational unit.—Distribution and Sales Section Publication Division, General Affairs and Information Department.

Location.—Rome.

Posting time.—

Date issued.—24th January, 1977.

Closing date.—21st March, 1977.

Duties and responsibilities.—With general guidance from the Branch Chief and the help of 3 Professional and 60 General Service Staff, the incumbent:

Develops and implements organizational policies on dissemination of FAO publications and documents.

Organizes and promotes their distribution and sales both internally and world-wide to governments, organizations, libraries, institutions and the general public. Represents FAO at book fairs and exhibits.

Establishes the prices of all FAO publications. Manages their sale through an international network of commercial sales agents and book sellers, controls appointments and terminations of sales representatives and determines individual terms of agreements.

Administers the international network of FAO depository libraries, including preparation, issuance and enforcement of related policy rulings.

Determines and controls printruns according to demand; maintains supply stocks as appropriate and is responsible for book value of all priced titles.

Prepares and controls publications and documents, accounts, and other records; initiates and carries out external surplus publications stock disposal drives and co-ordinates internal clearance of surplus documents stocks.

Qualifications—Essential.—University degree, preferably in business administration, journalism or related fields.

Seven years' professional marketing experience in the publishing field.

Demonstrated organization ability and thorough knowledge of advanced mass distribution techniques. Managerial/supervisory experience.

Ability to work with people of different national and cultural backgrounds.

Ability in copy preparation for advertisements and short pieces for publication/promotion. Demonstrated ability to draft concisely, to express oneself clearly in discussions, and to negotiate with tact.

Full working knowledge of English, French or Spanish and working knowledge of the other two.

Qualification—Desirable.—Knowledge of Italian and Arabic.
