OYO STATE OF NIGERIA PUBLIC SERVICE

COMPETITION FOR ENTRY INTO THE ADMINISTRATIVE AND SPECIAL DEPART- MENTAL CADRES OF THE OYO STATE OF NIGERIA PUBLIC SERVICE, 1978

It is notified for the information of intending candidates that the competition for entry into the Administrative and Special Departmental Cadres of Auditors, Accountants, Assistant Registrars of Co-operative Societies, Produce Officers and Inspectors of Taxes, all in Grade Level 08, in the Oyo State of Nigeria Public Service will start in January 1978.

2. The competition comprises :—

- a qualifying written examination, conducted by the West African Examinations Council;
- a series of tests and interviews, known as Extended Interviews, conducted by the Public Service Selection Board; and
- an interview before the Public Service Commission.

Only those candidates who attain the qualifying standard in the written examinations will be invited for the tests and interviews to be conducted by the

Public Service Selection Board. The Public Service Commissioners will subsequently select, in the light of candidates' performance at the Selection Board, those whom they will themselves interview.

3. To be eligible for admission to the competition, a candidate who is not already a serving officer in the Oyo State of Nigeria Public Service must hold a Degree in either Arts, Social Sciences, Law, or Business Administration from a recognised university, or alternatively in the case of the Special Departmental Cadres of Auditors, Accountants and Inspectors of Taxes, a recognised professional qualification, i.e. the Final Certificate or Associate Membership of any of the following Professional Bodies :—

- (i) Institute of Chartered Accountants ;
- (ii) Association of Certified and Corporate Accountants ;
- (iii) Institute of Cost and Management Accountants ;
- (iv) Institute of Municipal Treasurers and Accountants.

Note.—(1) For the Special Departmental Cadre of Assistant Registrars of Co-operative Societies, a Degree in Economics is preferable and for the Cadre of Produce Officers, the Degree must be either in Agriculture or Economics. Holders of these degrees are not exempted from the written examination and the Extended Interviews.

(2) Candidates applying for the post of Auditor or Accountant who possess a good degree (either general with honours or distinction or special honours) in Accountancy or Economics with Accounts as the major subject, of a recognised university or any of the qualifications listed in paragraph 3 (i)-(iv) above are exempted from the written examination and the Extended Interviews mentioned in paragraph 2 (a) and (b) above, and need not pay the ₦12.00 fee mentioned in paragraph 6 below when submitting their applications. They will, however, be interviewed by the Public Service Commission.

(3) 'Recognised' in the above context means 'recognised by the Government of Oyo State of Nigeria.'

4. Candidates who are sitting for examination in any of the above-mentioned qualifications in 1978 will also be eligible for admission into the competition on the understanding that if they fail to secure the appropriate qualifications, they will automatically drop out of the competition. University undergraduates who have to serve for one year in the compulsory National Youth Service Corps can participate in the competition but consideration for their appointment into any of the posts will, among other things, be subject to the production of a discharge certificate issued by the Directorate of the National Youth Service Corps.

5. The Written Examination will not be designed to test candidates on the subjects in which they hold degrees, but to test their ability to think clearly and to understand and write English and, also, their knowledge of current affairs, with particular reference to West African Affairs.

(i) *English (Precis and Critical Appreciation).*—This paper will consist of a precis of a passage supplemented by a question asking candidates to comment critically on the central idea of the passage.

(ii) *Current Affairs.*—This will be in two parts. Paper I will consist of three questions of the traditional Essay type, all of which must be answered. Paper II, an objective test, will consist of fifty questions, all of which must also be answered. In both papers, the range of questions will be such as will cater for the graduate, the university student as well as the non-graduate. The questions are intended to test the intelligent awareness of current affairs which any educated person may reasonably be presumed to possess.

(iii) *General.*—This will consist of two questions, one will test ability to detect dubious thinking and will contain short passages, the logical force of which is to be discussed critically. The other will test ability to draw statistical inferences from a table of numerical data.
