Sound experience in the planning, co-ordination and supervision of translation services. Demonstrated ability to translate and revise.

3. **Languages.**—A complete command of French as the mother tongue, or the language used for the purpose of education, including an intimate knowledge of its syntax and stylistics. A profound knowledge of English is essential. A working knowledge of Russian or Spanish is particularly desirable.

4. **General.**—A broad cultural background is essential to meet the varying requirements of the language activity. An exacting sense of expression and style is required as well as an understanding of technological trends in aviation. Familiarity with the objectives and procedures of international organizations functioning at government level, and particularly of ICAO, desirable. Ability to plan and implement effective and efficient use of staff resources and work procedures. Ability to prepare concise and accurate reports and documentation. Qualities of leadership, initiative, maturity of judgment, discretion and ability to maintain harmonious working relationships.

Occupant responsible to.—Chief, Language Branch.

Duties.

1. Direct and plan the work of the French Section to ensure provision of adequate and timely translation. Supervise activities of staff and assign work priorities. In consultation with the Chief of the Interpretation, Terminology and Reference Section, arrange for the release of language officers assigned to interpretation work.

2. Produce revised translations of documentation, correspondence and other material frequently involving the use of technical and scientific terminology, and assume responsibility for the release of such material.

3. Assist in keeping current a multi-language lexicon of aviation terminology.

4. Assist in the recruitment of French Section staff.

5. Assist in organizing, holding and assessing language examinations.
6. Arrange for and participate in the training and guidance of French section staff.
7. Undertake supervisory assignments in language services at meetings away from Headquarters.
8. Advise on French language matters.
9. Perform other related duties as assigned.

Terms of appointment.—The appointment may be offered initially for a period of two years on a renewable basis intended to lead to a permanent career or on a non-renewable non-career basis for a period of up to three years (in the latter case the incumbent may, however, apply for reappointment when the vacancy in the post is announced on expiry of his term of appointment). Applicants should state their preference, but if their preference is for a career appointment, they should indicate also whether they would be prepared to accept a non-career appointment. As the statutory retirement age for the ICAO Secretariat staff is 60, only applicants who are expected to complete a regular term of appointment will normally be considered.

Applications.—Must be made on the ICAO, Application for Employment Form in strict accordance with all instructions on the form. The form, if not available locally, may be obtained by writing to the address below. When completed it should be sent to Chief, Personnel Branch, International Civil Aviation Organization, P.O.
