#### REPORT OF THE AUDITORS

As auditors appointed under Section 44(1) of the Central Bank of Nigeria Act (Chapter 30), we have examined the above Balance Sheet and annexed Income and Expenditure Account which are in agreement with the books of account. We have obtained all the information and explanations which we considered necessary and in our opinion, proper books of account have been kept.

To the best of our knowledge and from our examination of the books and records no contravention of the Prices and Income Policy Guidelines 1978-79 has come to our notice in respect of the period 1st April to 31st December, 1978.

In our opinion, these accounts show a true and fair view of the state of the Bank's affairs at 31st December, 1978 and of the operating surplus ascertained and apportioned in the manner indicated for the year ended on that date.
