Government Notice No. 42

NIGERIA EDUCATIONAL RESEARCH COUNCIL

VACANCIES

Applications are invited from suitably qualified and interested candidates to fill the following positions in the above Council. The tasks encompassed under the functions of the Council require the development of a team of workers who are not only knowledgeable and innovative in their subject areas or fields, but are also, able to identify educational problems, evolve programmes from policies, create appropriate 'modus operandi' for solution building, from broad governmental, educational and overall national development aspirations via institutional curricular innovations and research, responsive to manpower training for national development. Applicants will in addition be expected to have, at the same time, the type of temperament, outlook, communicational and other skills and attitudes as would encourage and advance the contributions expected from the Nigeria Educational Research Council to national development.

Posts :

1. Chief Education Research Officer.
2. Assistant Chief Education Research Officer.
3. Principal Education Research Officer.
4. Senior Education Research Officer.
5. Administrative Officer.
6. Librarian/Documentalist.

Posts 1-4 above will be filled by applicants with specialized training and experiences in any of the following subject or subject fields namely:—*Educational Foundations, English, French, Physical Science, Social Studies, Education, Special Education, Hausa Language, etc.*

In each case, a good perception and conception of the phenomenon Education and its roles in the positive engineering of the human environment will be a necessary requirement.

Duties :

1. *Chief Education Research Officer*.—The Chief Education Research Officer will have responsibility in a specific subject area or field, e.g. Educational Foundations, English, French, Physical Science, Home Economics, Social Studies Education, Special Education and Hausa Language, and will be responsible to the Secretary on matters relating to his/her subject areas. The tasks of the Chief Education Research Officer include:—

- (a) identification of problems in his/her subject area;
- (b) specification of the actions necessary for tackling or resolving the identified problems through research, etc.
- (c) arrangements for the development of learning systems and materials, e.g. syllabus, curriculum guidelines, course texts and related evaluation instruments;
- (d) organisation of writers workshop on the subject;
- (e) mounting of in-service course for teachers, supervisors and inspectors to communicate and intimate them with the philosophies of the new

innovation in his/her subject as part of the preparation for field implementation.

(f) awareness of and responsibility for national co-ordination or curricular or educational researches going on in his/her subject area.

2. Assistant Chief Education Research Officer.—The Assistant Chief Education Research Officer will have responsibility in a specific subject area and will be directly responsible to the Secretary where he is the head of his division.

His duties will be as for the Chief Education Research Officer above.

3. Principal Education Research Officer.—The Principal Research Officer will have responsibilities similar to that listed for the Chief Education Research Officer in a specific subject field, and will be directly responsible to C.E.R.O. if they are in the same subject field or directly to the Secretary when in-charge of a specific subject or organising a Council project.

4. Senior Education Research Officer.—The Senior Education Research Officer will assist the Principal Education Research Officer or Chief Education Research Officer particularly in such subject fields as Science or Social Studies. Where he is given responsibility for a particular subject his duties will cover the same broad areas as the Principal Education Research Officer.

5. Administrative Officer.—The Administrative Officer will, under the direction of the Secretary take charge of the physical, non-research aspects of the Council activities including travelling arrangements for Council staff, interpretation and clarification of establishment circulars and such other duties as the Secretary may allocate to him.

6. Librarian/Documentalist.—The Librarian/Documentalist will take charge of the building and proper organisation on modern lines of the Council's library. He will collect, classify, and disseminate all relevant innovative educational research bulletins, blue prints, and materials, in addition to the cataloguing, and indexing of all available printed materials and shall be responsible to the Secretary.

Qualifications :

1. Chief Education Research Officer.—Should have a good degree in the relevant subject area, with a post-graduate certificate or diploma in education, with not less than 8 years' teaching experience. Participation in curriculum projects or the development of 'course materials' in his subject area. A higher degree in curriculum development or educational research and a good measure of initiative in research matters and leadership in group-research or curriculum work will be required.

2. The Assistant Chief Education Research Officer.—Should have a good degree in the relevant subject area with a post-graduate certificate in education. About 8 years' teaching experience in a secondary school or teacher training college. Participation in curriculum development work or attendance at refresher courses for teachers on innovative programme in education. A higher degree in curriculum development or educational research.

3. The Principal Education Research Officer.—Should have a good degree in the relevant subject area, with post-graduate training in education and about 7 years' teaching experience at the secondary or teacher education level. A higher degree in education will be an advantage.

4. The Senior Education Research Officer.—Should have a good degree in the appropriate subject area with a post-graduate certificate in education including exposure or intimation with curriculum development and having about 6 years' teaching experience at secondary or teacher education levels.

5. The Administrative Officer.—Should have a good university degree or its equivalent with on or two years' administrative experience in a government or private establishment.

6. The Librarian/Documentalist.—Should have a good education or teaching background, i.e. (NCE or B.Ed.), and with some years' experience. He should possess relevant qualification in Librarianship or a diploma in Library studies.

Remuneration
