Government Notice No. 1096

THE FEDERAL GOVERNMENT OF NIGERIA
FEDERAL MINISTRY OF INDUSTRIESNITROGENOUS FERTILIZER PROJECT
REQUEST FOR PROPOSAL FOR PROJECT
MONITORING CONSULTANCY SERVICES

Introduction.—The Federal Ministry of Industries of the Federal Government of Nigeria (hereinafter called the FMI) in conjunction with a Technical Partner plans to build a gas-based Nitrogenous Fertilizer Complex at Onne, near Port Harcourt in Rivers State, Nigeria.

The Complex will consist of—

(a) an ammonia unit of 1000 metric tons per day (mtpd).

(b) a urea unit of 1500 mtpd.

2. *Invitation to submit Proposals.*—(i) Proposals are invited for monitoring services in respect of the project from experienced consultancy and management companies in accordance with the requirements outlined below.

(ii) Proposals should be submitted in English, and in three copies to arrive by noon on Friday, 18th December, 1981 to the Permanent Secretary, Federal Ministry of Industries, Federal Secretariat, (Phase I), Ikoyi, Lagos—Attention: Dr A. J. Oyekan.

(iii) Any additional information required in connection with the preparation of the proposal may be requested from the Federal Ministry of Industries, Petrochemical Division, Room 970, Phase I, Federal Secretariat, Ikoyi, Lagos, Nigeria.

3. *Scope of Work.*—The main functions of the prospective monitoring consultants include:

(i) To render advice and assistance to FMI in relation to the Nitrogenous Fertilizer Complex as set out above.

(ii) The monitoring consultant shall perform the said services in Nigeria, USA, Japan or such other places as may be required in order to perform the work.

(iii) The Monitoring Consultant shall assist in reviewing and where required approve, the engineering and design carried out by the Contractor in the Contractor's home offices in order to enable the FMI to fulfil all obligations pertinent to such approvals in a timely manner.

The Monitoring Consultant shall, at the FMI's option—

(a) Approve documents on behalf of the FMI thereby acting as Engineer in the context of the engineering procurement and construction (epc) contract and or

(b) Review documents and provide such reviews to the Engineer in the Contractor's place of work to enable the Engineer grant approval. The role of the Engineer under the e.p.c. contract is out-lined in Appendix 1.

(iv) Provided such personnel as are required to ensure the timely performance of the work in (iii) above in conformity with the requirements of the e.p.c. contract, based upon the programmes and schedules issued by the contractor.

(v) Review programmes and schedules provided by the Contractor and advise the FMI as to whether such schedules are satisfactory and will permit the Contractor to meet his contractual obligations.

(vi) Monitor the said schedules on a continuing basis and review on a monthly basis delays in the schedules advising the FMI, where possible, of any actions which should be taken by the Contractor or FMI in order to obviate or minimise the said delays.

(vii) Provided a Project Manager who shall work closely with the FMI's schedule officer/project manager advising him on any matters which in a project of this nature are the responsibility of the project manager. It is anticipated that the respective project managers shall meet together no less than once in six weeks and that such meetings will take place in Lagos in the

absence of a more suitable venue. This shall not however restrict the Monitoring Consultant's obligation to meet with the FMI's schedule officer/project manager frequently as the work shall dictate.

(viii) Review the Contractor's cost estimate(s) for their reimbursible portion of the Project and advise the FMI of the suitability and competence of the said cost estimate.

(ix) Review copies of the Contractor's cost report documents for the said reimbursible part of the e.p.c. contract and advise the FMI of the accuracy and correctness thereof.

(x) Provide, in Port Harcourt, or in any other single and suitable location to be agreed, a full time Commercial Manager or officer from month six to month thirty-six of the duration of the project construction who shall assist in the checking and approving all documentation submitted to the FMI by the Contractor in respect of the procurement of "reimbursible items" and pass said documents to FMI for final approval. The Commercial Manager/Officer shall use all reasonable endeavours to ensure that no approval is given for reimbursement of any items which should rightfully be included in the Contractor's Lumpsum price. The Monitoring Consultant's Commercial Manager/Officer shall additionally maintain cost records in respect of reimbursible items and shall, if agreements with Contractor so require comment on request for approval of suppliers' invoices for payment. This service shall not under any circumstances be construed to include financial accounting.

(xi) Provide a team of qualified personnel i.e. field officers/advisers to advise the FMI's staff responsible for monitoring schedule, quality of work and adherence to the drawing and specifications in respect of the work to be carried out on the site in Nigeria. This team will be supervised by a Construction Manager who shall represent the Monitoring Consultants in all matters in the absence of the Project Manager. The Construction Manager and his team will work closely with both the FMI's field staff and the Contractor's field staff and the Construction Manager will be experienced and competent to advise the FMI on contractual matters as and when these arise.

(xii) Review the costs of ammonia, area and NPK production (inputs, operation and maintenance as and when they are provided by the Company who are appointed by the FMI to manage the plant.

(xiii) Issue monthly progress and highlight reports including comments on Contractor's monthly reports. Issue quarterly detailed project reports including cost control the latter based upon Contractor's cost control methods, record, and maintain recorded numerical sequence records of numbered Project Correspondence, etc. with Monitoring Consultants and with Contractor.

4. *Information required in Proposals.*—The proposals from the Monitoring Consultant should contain the following:

(a) Company's name, place of business, general experience in fertilizer plants, number of years of appropriate company experience, approximate number of personnel.

- (d) Company structure and outline indications of the plan or method for carrying out the work.
- (e) Any other information which the company feels may be significant to FMI in making the selection.
- (f) A draft contract agreement including a lumpsum contract price for the work.

*Permanent Secretary,
Federal Ministry of Industries,
Federal Secretariat Complex, Phase I,
Ikoyi, Lagos.*
