Government Notice No. 559

REPUBLIC OF ZIMBABWE

RURAL ROADS PROJECT CONSTRUCTION OF THE GWANDA-GUYU ROAD

Pre-qualification of Contractors

The Government of the Republic of Zimbabwe has applied for a loan from the African Development Bank, part of which will be used to finance the construction of the Gwanda-Guyu Road.

The Gwanda-Guyu Road which is 53km long is located in the South-Western part of the country, Gwanda Town being 126km from Bulawayo and Bulawayo City being 439 km from the Capital City, Harare. The road cross-section will be composed of a 6.0m wide bitumen surfaced carriageway (double surface treatment) with 0.5m wide surfaced shoulders on either side within a formation width of 7.0m and it contains five bridges. The proposed new horizontal alignment follows the existing road in most places. The terrain is generally flat to gently rolling. The proposed road profile follows the ground as closely as possible and therefore earthworks have been minimized to a total of about 280 000m³. Base gravels will be natural materials obtained from natural deposits along the road alignment.

Invitations for tenders are expected to be issued in September, 1985 with a tender period of 3 months, and the award of the contract is expected to be made in early 1986.

Applications for prequalification are invited from suitably qualified contractors from participant states and member countries of the ADB for the construction of the above project. Prequalification will be determined on the basis of financial capability and previous and current experience in the construction of similar projects. Any special requirements and conditions by ADB will also be taken into consideration.

Application for the prequalification questionnaire should be addressed to the Permanent Secretary, Ministry of Transport, P.O. Box 8109, Causeway, Harare, Zimbabwe.

Telephone Zimbabwe : 708851/702421.

Telex: 2141 ZW

Responses to questionnaires should reach the Harare Offices of the Ministry of Transport not later than Friday, 9th August, 1985. Tender documents will be issued only to Contractors who respond to this notice and can, inter alia, satisfy the prequalification requirements of the Republic of Zimbabwe.
