AUDITORS' REPORT

As auditors appointed under Section 44(1) of the Central Bank of Nigeria Act (Chapter 30), we have examined the above Balance Sheet and Income and Expenditure Account and Notes 1 to 11 on the Accounts, and have obtained all the information and explanations which we considered necessary. Proper books of account have been kept and the financial statements are in agreement therewith.

During and at the end of the year, there was a breach of Section 28 of the Central Bank of Nigeria Act, 1958 as amended by Section 3 of the 1967 Act, relating to the minimum level of external assets the Bank is expected to maintain relative to its total demand liabilities.

In our opinion, the financial statements together with the Notes thereon show a true and fair view of the state of the Bank's affairs at 31st December, 1986, and of the operating surplus ascertained and apportioned in the manner so stated for the year ended on that date.

To the best of our knowledge and from our examination of the books and records, no contravention of the Productivity, Prices and Incomes Board policy guidelines has come to our notice in respect of the year ended 31st December, 1986.
