**COOPERATION AGREEMENT ON THE TRANSFER OF SENTENCED
PRISONERS/OFFENDERS**

[Handwritten signatures]

¹

Preamble

The Government of the Republic of Kenya, the Government of the Republic of Rwanda and the Government of the Republic of Uganda;

Understanding that proper management of correctional services is a key component in effective administration of justice;

Desirous of developing mutual cooperation in the field of correctional services;

Believing that such co-operation should further the ends of justice and the social resettlement of sentenced persons;

Considering that those objectives require that persons who are deprived of liberty as a result of a criminal offence should be given the opportunity to serve sentences within their respective countries.

Convinced that this aim can be best achieved by transferring sentenced prisoners/offenders to their respective countries;

Bearing in mind that full respect for human rights, as laid down in the International Human Rights Standards, should be ensured;

HAVE AGREED on the following:

Article 1

Definitions

For the purposes of this Agreement, the following terms would mean:

Partner States means Countries signatory to Northern Corridor Integration Project.

Sentencing State means the country where the prisoner/offender was sentenced.

Administering State means the Country where the prisoner/offender will be transferred to serve the remainder of the sentence.

Conviction means a formal declaration by the verdict of a competent court of law that someone is guilty of a criminal offence.

Intermediary means a person/body who acts on behalf of the prisoner/offender seeking transfer.

Parties means States signatories to the present Agreement;

Sentence means any punishment or measure involving deprivation of liberty ordered by court or tribunal in exercise of its criminal jurisdiction and includes supervision while at liberty on parole or on probation;

Prisoner/offender means a person who is deprived of his/her liberty upon conviction of a crime;

Prison authority means the authorities in charge of prisons and correctional services in the partner states;

Article 2

General Principles

1. The social resettlement of prisoner/offenders should be promoted by facilitating the return of persons convicted of crimes back to their country of nationality to serve the remaining part of their sentences at the earliest possible stage.

In accordance with the above, the Partner States ("Partner States" / party in singular) will afford each other the widest measure of cooperation within the framework of this Agreement.

2. The transfer of prisoner/offenders under this Agreement shall be effected on the basis of mutual respect for national sovereignty and jurisdiction.

Three handwritten signatures in blue ink are visible at the bottom right of the page. The first signature is a stylized 'K' followed by 'leo'. The second signature is a stylized 'J'.

Article 3

Basis of Transfer

The transfer of prisoner/offenders shall only be effected under the agreement on the basis of a final and definitive sentence and where;

1. The offence in respect of which the prisoner/offender was ordered/convicted and sentenced is punishable by both the State in which the prisoner/offender was tried and sentenced ("the Sentencing State") and the State to which the transfer is to be effected ("the administering State") according to their national laws;
2. The prisoner/offender is a national of the Administering State notwithstanding the fact that prisoner/offender may be having dual citizenship;
3. The prisoner/offender is remaining with at least 1 year of the sentence to serve in prison;
4. The Sentencing State shall agree with Administering State on rules governing management of the sentence.
5. Both the Sentencing State and the Administering State agree to the transfer.
6. The grant of amnesty should be done by the sentencing State.
7. The grant and period of parole and other related conditional release shall be agreed to by both sentencing State and administering State.

Article 4

Consent Requirements

1. A transfer may be requested by either the Sentencing State, the Administering State or the prisoner/offender.
2. Where a prisoner/offender to whom this Agreement may apply shall be informed by the Sentencing State of the substance of the Agreement and may submit application for

24  

transfer under the agreement through the responsible authorities. To that end, the responsible authority of the Partner State which receives the application for transfer shall as soon as practicable, forward the application to the responsible authority of the other contracting States.

3. The prisoner/offender shall, before giving his consent to a transfer, be fully informed of the process of such transfer.

4. The Sentencing State shall ensure that the prisoner/offender gives his consent to the transfer voluntarily, in writing and with full knowledge of the legal consequences thereof.

5. In case of the prisoner/offender's incapacity to freely determine his will in view of his age, physical or mental condition, his legal representative or intermediary may consent to the transfer on his behalf.

6. The prisoner/offender shall be informed in writing of any action or decision taken by the Sentencing State, or the Administering State, on an application for transfer within period not exceeding 6 months starting on the date of receipt by competent authority.

Article 5

Other Requirements

1. The decision whether to transfer a prisoner/offender or not shall be taken without inordinate delay and a response given within 6 months.

2. If the request is denied, the relevant contracting State shall set out its reasons, based on the principles set out in Article 1 and 2, bearing in mind international human rights standards, in its response to the requesting State.

3. No transferred prisoner/offender may be tried again in the Administering State for an offence arising out of the facts in respect of which he was convicted and sentenced in the Sentencing State.

Three handwritten signatures are present at the bottom right of the page. The first signature is a stylized 'K' with '25' written below it. The second signature is a cursive 'Jeo'. The third signature is a stylized 'JL'.

27  

Article 9

Agreement on the Establishment of the Global Green Growth Institute

The Parties to this Agreement,

Acknowledging that the integration of economic growth and environmental sustainability is essential for the future of humankind;

Recognizing the need to develop and diffuse a new model of economic growth—green growth—that simultaneously targets economic performance and environmental sustainability, ultimately supporting the global paradigm shift towards a sustainable economy;

Supporting the sustainable development of developing and emerging countries, including the poorest communities within those countries and the least developed countries, through effective green growth strategies and plans that deliver poverty reduction, job creation and social inclusion in an environmentally sustainable manner;

Striving to achieve the sustainable development of the international community through dialogue, collective learning and collaboration between developed and developing countries and the public and private sectors;

Contributing to the successful outcome of the United Nations process on sustainable development and attainment of other internationally agreed goals, including the Millennium Development Goals such as eradicating extreme poverty and hunger, ensuring environmental sustainability and developing global partnerships for development;

Pursuing a close collaboration with other international organizations and international financial institutions that promote green growth;

Understanding that the design and implementation of green growth require continuity and a long term perspective;

Noting that a new kind of interdisciplinary and multi-stakeholder international organization is necessary to effectively address climate change and implement low-carbon development strategies; and

Desiring to establish the Global Green Growth Institute as an international organization;

Have agreed as follows:
