Article 7: Procedure for issuance of an import license

If the risks associated with a plant, plant product or other regulated articles are unknown, the competent authority conducts pest risk analysis based on the following:

1° the list of pests obtained from the competent authority from the country of origin of a plant or plant product as applied for by the importer;

2° other information gathered from pest databases including research institutions, scientific publications or personal communication.

The competent authority may, basing on the result of the pest risk analysis, issue or reject authorization for importation of a plant, plant product or other regulated articles.

Article 7: Procédure de délivrance de licence d'importation

Si les risques associés à un végétal, produit végétal ou aux autres articles réglementés sont inconnus, l'autorité compétente effectue une analyse du risque sur base de ce qui suit:

1° la liste des organismes nuisibles délivrée par l'autorité compétente du pays d'origine d'un végétal ou produit végétal conformément à la demande de l'importateur;

2° autres renseignements obtenus à partir des bases de données sur les organismes nuisibles, y compris les réalisations des instituts de recherche, publications scientifiques ou des communications personnelles.

L'autorité compétente, selon le résultat de l'analyse du risque des organismes nuisibles, peut, soit refuser ou autoriser l'importation d'un végétal, produit végétal ou autres articles réglementés.

Article 11: Special considerations for importation of plants

Plants with a phytosanitary certificate issued by the competent authority of the exporting country or copies thereof are allowed to be imported.

However, it is not necessary to attach to a consignment a phytosanitary certificate for plants prescribed by an Order of the Minister in charge of agriculture as not for planting use and as having minimal possibility of contamination from quarantine pests.

Plants sent via mail shall not be imported as mail unless they are in small packets, parcel post and in letters prescribed in accordance with this Order.

Article 13: Sealing or unsealing of a consignment

A custom officer or any other officer authorized in writing by the competent authority is the only one allowed to seal, unseal or change the seal of a consignment or any other article.

However, where it is practically impossible for the authorized customs officer to unseal or break the seal, he/she may delegate such power, in writing, to another customs officer.

The owner or the person with possession, or in control of a consignment or of any other article on which the seal is affixed, must ensure that the seal is not removed, broken, tampered with or modified.

Le format d'un certificat de réexportation d'un végétal ou produit végétal est en annexe II du présent arrêté.

Article 13: Sceller ou desceller un envoi

Seul un agent de douane ou un agent autorisé par écrit, par l'autorité compétente, est autorisé à apposer, enlever ou changer un sceau à un envoi ou à tout autre article.

Cependant, lorsqu'il est pratiquement impossible pour un agent de douane compétent d'enlever ou casser un sceau, il peut autoriser un autre agent de douane, par écrit, de le faire en son nom.

Le propriétaire ou la personne ayant la possession, la garde ou le contrôle sur l'envoi ou sur tout autre article sur lequel un sceau est apposé, doit veiller à ce que le sceau n'est pas enlevé, cassé, altéré ou modifié.
