B. S. KING,
Financial Secretary.

Govt. Notice No. 818

SIERRA LEONE
DEVELOPMENT FUND GENERAL WARRANT
1972-1973C. A. KAMARA-TAYLOR,
Minister of Finance.

Place: FREETOWN.

Date: 11TH AUGUST, 1972.

To: THE ACCOUNTANT-GENERAL

YOU ARE HEREBY AUTHORISED and required to pay from the Development Fund of Sierra Leone during the financial year 1972/73 at such times as may be necessary during the year and to charge to the appropriate Heads, Subheads and items shown in the Estimates of the Development Expenditure 1972/73 to a total of Le14,867,000.

And for so doing, this, together with the Accounts, Certificates and Acquittances prescribed in the Laws and Instructions of Sierra Leone, shall be your sufficient warrant and discharge:

This Warrant also authorises the officers controlling expenditure votes, as enumerated in the Approved Estimates to incur expenditure under the subheads and items under their control:

Provided that such officers may incur such expenditure only to the extent authorised in allotment warrants which may be issued quarterly or from time to time by the Financial Secretary acting under my direction, as further described in Financial Circular No. 3 of 1972.

Govt. Notice No. 843

THE SIERRA LEONE STATE LOTTERY LIMITED

NOTICE UNDER SECTION 50 OF THE ARTICLES OF ASSOCIATION
DETAILED PROGRAMME FOR THE DRAW OF LOTTERY TICKETS1. *Application of the Programme*

This programme provides for the following ordinary draws which will be performed in the manner and under the conditions specified below:—

- (1) Ordinary Draw No. 20/72 to be held on 2nd November, 1972.
- (2) Mid-Month Draw No. 21/72 to be held on 16th November, 1972.
- (3) Ordinary Draw No. 22/72 to be held on 5th December, 1972.
- (4) Mid-Month Draw No. 23/72 to be held on 19th December, 1972.

2. *The Lottery tickets for the Ordinary and Mid-Month Draws*

- (a) For the ordinary and mid-month draws specified in this programme, the State Lottery shall issue 50,000 tickets to bearer (hereinafter referred to as tickets).

- (b) The tickets issued for any of the series mentioned in section 1 above will be numbered in the places (on the face of each ticket) with serial numbers:—

- (1) Ordinary Draw No. 20/72 from JJ 00001 to JJ 50000
- (2) Mid-Month Draw No. 21/72 from K 00001 to K 50000
- (3) Ordinary Draw No. 22/72 from KK 00001 to KK 50000
- (4) Mid-Month Draw No. 23/72 from L 00001 to L 50000 inclusive. The tickets will be marked with the words "Ordinary Draw" and "Mid-Month Draw" respectively also with the series number of the draw in which the tickets are to participate.

- (c) In the programme a reference to a serial number shall be deemed to include a reference to any letter printed immediately before the digits forming the said serial number.

3. *Participation in the draws*

- (a) All tickets issued for the ordinary and mid-month draws specified in this programme will participate subject to the conditions specified in this programme. Separate draw will be held for each series.

- (b) Notwithstanding anything contained in this section 3, a ticket issued by the State Lottery under section 2 hereof shall not participate in the draw if either the serial number on the face of the tickets (in either of the places where that number is marked) or the series numbers or any digit or part of a digit, are not printed thereon, or are not properly printed or printed in such a manner that it is not possible to verify such numbers or digits on the face of the ticket.

- (c) The holder of a ticket on which the serial number of the ticket or the series number of the draw is not printed or is not properly printed or is printed in such a manner that it cannot be verified as stated in paragraph (b) of this section, shall be entitled to receive from the State Lottery only the nominal price of the ticket as stated thereon. Such ticket shall not entitle its holder to any right whatsoever other than the aforesaid right to receive the nominal price and in particular such ticket shall not entitle its holder to any compensation whatsoever for not including such ticket in the draw, or for any other reason.

4. *The sale of tickets and their price*

- (a) The ticket shall be sold by the State Lottery directly and/or through Selling Agents or Sellers appointed by the above-mentioned agents.

- (b) The price of each ticket shall be:—

Ordinary Draw	40 cents
Mid-Month Draw	25 cents

5. *Marking of tickets with the name and address of the agent*

The selling agent shall upon the sale of any ticket (either by him directly or through his sub-agent or seller) stamp it with a stamp bearing the name and address of such agents.

6. *The prizes of the Ordinary Draw*

- (a) In the ordinary draw of the series specified in this programme 10,868 numbers (out of 50,000) corresponding to the numbers on the issued tickets will be drawn in six

A Consolation prize of Le10 will be paid to the seller of the ticket which wins Le1,000.

7. *The making of the draws and the control thereof*

The draws will be made by the State Lottery and under its instruction. The draws will be made in public at the place and at the time to be specified in a public notice that will be published in the daily press.

8. *Deferment of the draws*

In the event of the State Lottery being unable due to circumstances over which it has no control to hold the ordinary and mid-month draws or part thereof under this programme, such draws or part thereof shall be held at a place and time specified in a notice issued to the public by the State Lottery.

9. *Lottery Machines*

(a) For making the ordinary and mid-month draws under this programme, the State Lottery shall use, of its discretion from time to time—

(i) The (five) rotary machines as specified in section 10 herein or

(ii) The projecting machine as specified in section 11 herein.

(b) For making the ordinary and mid-month draws under this programme, the State Lottery shall use, as addition to the machines as mentioned in paragraph (a) above, an additional lottery box in the form of a draw hereinafter referred to as "Prize Box".

(c) In the said draw the machine and prize box specified above shall be operated in accordance with instructions given by the representative of the State Lottery present at the draw.

10. *Rotary Machines—Manner of Use*

(a) The five rotary machines shall be marked consecutively with letters A, B, C, D, and E.

(b) Before the making of the draws under this programme, the balls as specified below shall be inserted in each of the rotary machines:—

(1) In machine A—ten balls marked consecutively with digits 0 to 9 inclusive.

(2) In machine B—ten balls marked consecutively with digits 0 to 9 inclusive.

(3) In machine C—ten balls marked consecutively with digits 0 to 9 inclusive.

(4) In machine D—ten balls marked consecutively with digits 0 to 9 inclusive.

(5) In machine E—five balls marked consecutively with digits 0 to 4 inclusive.

(c) Every ball of the said balls bearing digit 6 or 9 as the case may be shall be marked with an additional sign i.e. a horizontal line drawn under the digit on the ball referred to above.

11. *Projecting Machine—Manner of use*

(a) The projecting machine—which was manufactured for the State Lottery by the Royal Institute for International Research in Norway—shall consist of wheels on which digits as specified below are engraved. The machine shall consist of a device for the projection of the digits on the wheels as specified, in such a manner that not more than one digit on any wheel of the machine shall be projected at a time.

(b) In order to execute the draw in its following stages i.e. first, second, third, fourth, fifth and sixth stages five wheels are to be inserted in the machine 1 and shall be marked consecutively with letters A, B, C, D and E as follows—

(1) Wheel 'A' on which digits 0 to 9 inclusive are engraved.

(2) Wheel 'B' on which digits 0 to 9 inclusive are engraved.

(3) Wheel 'C' on which digits 0 to 9 inclusive are engraved.

(4) Wheel 'D' on which digits 0 to 9 inclusive are engraved.

(5) Wheel 'E' on which digits 0 to 4 inclusive are engraved.

12. *The preparation of the 'Prize Box' for the Ordinary and Mid-Month draws*

Before making the ordinary and mid-month draws under this programme a number of cards equivalent to the number of the tickets that will be drawn at the 6th stage of the draw will be deposited in the prizes box. On each such card there will be printed a sum equal to the amount of one of the prizes specified for the said stage of the draw in accordance with section 6 and 6A (a) of this programme.

13. *The manner in which the draw of the tickets for the ordinary and mid-month draws shall be made under sections 6 and 6A (a) by the rotary machine as specified in section 3.*

(a) The winning numbers of the first stage of the ordinary and mid-month draws shall be drawn by the picking up of one ball only from the rotary machine marked 'A' and the coming up of this ball shall be deemed to constitute the drawing at this stage, of all the tickets of that series the serial numbers of which end with the digit marked on the ball as drawn from the machine marked 'A'.

(b) The winning numbers of the second stage of the ordinary and mid-month draws shall be drawn by picking up of the ball as specified in paragraph (a) above and before commencing the draw of the second stage of the ordinary and mid-month draws, the ball ejected from machine 'A' is re-inserted into that machine and ten balls marked consecutively with digits from 0 to 9 inclusive shall be deposited in machine marked 'B'.

(c) On completion of the operation prescribed in paragraph (b) the draw of the numbers corresponding to the second stage of the ordinary and mid-month draws shall be held by picking up two balls, the first ball from machine 'A' and the second ball from machine 'B' to constitute the drawing of all tickets the serial numbers of which end with the two digits marked on the balls picked up as aforesaid.

(d) On completion of the operation prescribed in paragraph (c) the draw of the numbers corresponding to the third, fourth and fifth stages of the ordinary and mid-month draws shall be held separately for each item of the items enumerated in the said third stage and immediately afterwards—separately for each item of the items enumerated in the said fourth stage—and immediately afterwards—separately for each item of the items enumerated in the said fifth stage; i.e. by picking up three balls and four balls respectively; the first ball from machine A, the second—from machine B, the third—from machine C and the fourth—from machine D, and the coming up of these three and four balls shall be deemed with respect to the relevant items of the third, fourth and fifth stages as the case may be, to constitute the drawing of all the tickets the serial numbers of which end with the digits marked on the ball picked up as aforesaid; that is—the digit marked on the ball drawn from the machine A shall be deemed to be the first digit from the right side of the said serial number and the digit marked on the ball drawn from the machine B shall be deemed to be the second digit from the right side of the said serial numbers the digit marked on the ball drawn from machine C shall be deemed to be the third digit from the right side of the said serial number and the digit marked on the ball drawn from machine D shall be deemed to be the fourth digit from the right side of the said serial numbers.

(e) After the completion of the draws of each item of the third, fourth and fifth stages, the balls that were picked up from each rotary machines marked A, B, C, and D shall be returned to the machines from which they were removed before commencing the draws for the next stage.

(f) The draw of the numbers of the sixth stage of the ordinary and mid-month draws shall be made (separately for each number which has to be drawn in accordance with the items enumerated for this stage) by the picking up of one ball only from each of the rotary machines marked A, B, C, D and E and the picking up simultaneously of one card only from the 'prize box'. The coming up of the five balls—one only from each of the rotary machines marked A, B, C, D and E shall be deemed to be the draw of the tickets bearing the serial number conforming to the number formed by the digits marked on the five balls in such a way that the digit marked on the ball drawn from machine A shall be deemed to be the first digit from the right side of the serial number of the said ticket and the digit marked on the ball drawn from machine B shall be deemed to be the second digit from the right side of the said serial number and that the digit marked on the ball drawn from machine C shall be deemed to be the third digit from the right side of the said serial number and the digit marked on the ball drawn from machine D shall be deemed to be the fourth digit from the right side of the said serial number and that the digit marked on the ball drawn from machine E shall be deemed to be the fifth digit from the right side of the said serial number. The amount marked on the card drawn simultaneously from the prizes box as aforesaid.

(g) After the picking up of the balls as specified in paragraph (f) above the ball drawn from each of the machines marked A, B, C, D and E as aforesaid, shall be returned to the machine from which it was drawn before beginning the draw for the next item of the stage.

(h) Notwithstanding anything contained in paragraph (g) above, in the event that the balls drawn in accordance with the said paragraph from machines A, B, C, D and E all bear the digit '0' it shall be deemed that the ticket bearing number 50,000 was drawn in accordance with that paragraph.

- (i) Notwithstanding anything contained in this section 13 in the event of more than one ball being picked up from any of the machines A, B, C, D and E at the making of the draws specified in this programme, including the separate draw of tickets at the 6th stage, the picking up of all balls for this item of the stage of the draws in question shall be null and void and all balls so drawn shall be returned into the machine from which they were drawn and the draw for this item shall be recommenced from the beginning.
- (j) Notwithstanding anything contained in this section, in the event of one or more of the balls being broken while a draw is being made for any item of a stage of the stages of the draw specified in this programme the draw shall be cancelled and the broken ball or balls shall be replaced by others bearing the same digit and the draw for this item shall be recommenced from the beginning.
- (k) The provision of this section 13 shall not apply in the event of the State Lottery deciding under section 9 (a) hereof to use the projecting machine referred to in sub-paragraph (ii) thereof.
14. *The Manner in which the draw of the tickets for the Ordinary and Mid-Month draws shall be made under section 6 (a) by the projecting machine as specified in section 9 (a) (ii).*
- (a) The winning number of the first stage of the Ordinary and Mid-Month draws shall be drawn by the employment of wheel 'A' only of the machine No. 1 and the digit that will be projected from the wheel marked 'A' shall be deemed to constitute the drawing at this stage, of all the tickets of that series, the serial numbers of which end with the digit projected from wheel 'A'.
- (b) Immediately after the projection of the digit as specified in paragraph (a) above, the machine No. 1 shall be removed from the projecting machine and substituted by machine No. 2 with its set of five wheels marked with letters 'A' to 'E' will be engraved with digits 0-4 and the others 0-9.
- (c) On completion of the operation prescribed in paragraph (b) above, the draw of the numbers corresponding to the second stage of the ordinary and mid-month draws shall be held by the employment of wheels A and B only of the projecting machine and the two digits that will be projected from the wheels A and B shall be deemed to constitute the drawing of all tickets the serial numbers of which end with the two digits projected as aforesaid, that is—the digit projected from wheel 'A', shall be deemed to be the first digit from the right side of the said serial number and the digit projected from wheel 'B' shall be deemed to be the second digit from the right side of the said serial number.
- (d) On completion of the operation prescribed in paragraph (c) above, the draw of the numbers corresponding to the third, fourth and fifth stages of the ordinary and mid-month draws shall be held separately for each item of the items enumerated in the said third stage and immediately afterwards—separately for each item of the items enumerated in the said fourth stage and immediately afterwards—separately for each item of the items enumerated in the said fifth stage; by the employment of wheels A, B, C and D only of the projecting machine and the three and four digits that will be projected from the wheels A, B, C and D shall be deemed with respect to relevant items of the third, fourth and fifth stages as the case may be, to constitute the drawing of all tickets the serial numbers of which end with the three and four digits projected as aforesaid, that is the digit projected from wheel 'A' shall be deemed to be the first digit from the right side of the said serial number and the digit projected from wheel 'B' shall be deemed to be the second digit from the right side of the said serial number and the digit projected from wheel 'C' shall be deemed to be the third digit from the right side of the said serial number and the digit projected from wheel 'D' shall be deemed to be the fourth digit from the right side of the said serial numbers.
- (e) After the completion of the draws of each item of the third, fourth and fifth stages of the ordinary and mid-month draws prescribed in paragraph (d) above, the draw of the numbers of the 6th stage of the ordinary and mid-month draws shall be made separately for each number which has to be drawn in accordance with all the wheels A, B, C, D and E and the picking up simultaneously of one card from the 'Prize Box' the five digits that will be projected from the wheels A, B, C, D and E shall be deemed to be the draw of the ticket bearing the serial number conforming to the number formed by the digit projected from the five wheels in such a way that the digit projected from wheel 'A' shall be deemed to be the first digit from the right side of the serial number of the said ticket and the digit projected from wheel 'B' shall be deemed to be the second digit from the right side of the said serial number and that the digit projected from wheel 'C' shall be deemed to be the third digit from the right side of the said serial number and that the digit projected from wheel 'D' shall be deemed to be the fourth digit from the right side of the said serial number and that the digit projected from wheel 'E' shall be deemed to be the fifth digit from the right side of the said serial number. The amount marked on the card drawn simultaneously from the prizes box as aforesaid.
- (f) Notwithstanding anything contained in paragraph (e) above, in the event that all the digits projected from the wheels A, B, C, D and E shall be '0' it shall be deemed that the ticket bearing serial number 50000 was drawn in accordance with that paragraph.
- (g) Notwithstanding anything contained in this section 14 in the event of a number being unclearly projected on a digit or digits of such number shall be missing, at any time of any stage of the stages of the draws specified in the programme, including the separate draw of tickets at the sixth stage, such projection shall be null and void and the projecting machine shall be re-employed for the making of the draw of this item.
- (h) The provisions of this section 14 shall not apply in the event of State Lottery deciding under section 9 (a) hereof to use the rotary machine referred to in sub-paragraph (i) thereof.
15. *The recording and publication of the results of the draw*
- (a) The number of each ticket drawn and the prize appertaining thereto shall be recorded in a written statement at the conclusion of the ordinary and mid-month draws under this programme and such statement shall be signed by the representative of the State Lottery present at the time of the draw and only such statement shall bind the State Lottery.
- (b) The results of the draw shall be published as soon as possible in a special notice to be issued by the State Lottery.
- (c) The holders of tickets shall check the numbers of their tickets against the list of numbers published in the said notice, in order to verify whether the numbers on their tickets correspond with the winning numbers.
16. *The payment of prizes*
- (a) The payment of the amount of the prize to the bearer of the ticket whose number is drawn at the ordinary and mid-month draws specified in this programme shall be made upon the bearer's request and against presentation and surrender of the ticket, as from the third day after the holding of the draw in which the winning ticket was drawn but not later than 180 days from the date of the draw. Payment of prizes shall be effected at the time and place specified in the public notice announcing the results of the draw which shall be published by the State Lottery as aforesaid.
- (b) The State Lottery shall not be obliged to pay the prize if it was not claimed as provided in paragraph (a) above.
- (c) The State Lottery shall not be obliged to pay the prize for a ticket the number of which was drawn in the draw if such ticket is lost, destroyed or obliterated or torn or cut or holed or its serial number or the series number of the draw in which it participated is not sufficiently clear at the time the ticket is presented for payment.
- (d) Notwithstanding anything contained in this section 16, if the Managing Director of the State Lottery has reason to believe that a ticket presented for payment has been lost or stolen, payment of any prize to which the bearer would be entitled under this programme, may be withheld for a reasonable period in order to permit any person who claims that he has a better right to the ticket than the bearer, to institute legal action and if such person initiates any such action within the said period, the State Lottery shall withhold payment until the matter has been finally decided by a competent Court.
17. *Income Tax*
- The prizes are not liable to Income Tax.
18. *Licence to hold the draw*
- The draws are held in accordance with the terms of a licence issued under section 3 of the Control of Betting and Lotteries Act, 1962.
19. *The Address of the State Lottery*
- In all matters concerning the State Lottery and this programme application shall be made to the office of the Company at 44 Siaka Stevens Street, Freetown.

M. A. ABDULLAH,
Managing Director.

J. ROGERS WILLIAMS,

**THE WEST AFRICAN EXAMINATIONS COUNCIL
VACANCIES FOR DATA PROCESSING STAFF**

The West African Examinations Council, an International Government-financed Organisation responsible for the conduct of a wide range of public examinations below University level in Nigeria, Ghana, Sierra Leone and The Gambia, is looking for persons—preferably West Africans—with requisite training and experience and proven record of success in data processing to fill the important positions indicated below in its Data Processing Department. The persons selected would be expected to assume duty early in 1973.

1. SYSTEM DEVELOPMENT MANAGER**(a) Duties**

To be the Administrative and Technical Head of all E.P.D. activities of the Council for the two computer installations, in Lagos and Accra. In that capacity, to be responsible for the fulfilment of all data processing performed within the Council, including equipment selection, systems analysis and programming, and to develop improved techniques and methods. Also to develop and train personnel.

(b) Qualifications

- (i) A degree, or similar professional qualification.
- (ii) Experience of IBM System 360 and/or 370.
- (iii) Several years' data processing experience, the last three of which must have been in a Senior Management position in a thoroughly professional environment.
- (iv) Ability to present data processing proposals to all levels of management, up to and including Board level.

(c) Salary

- (a) In Ghana: C6,406x C343.20–C8,122.40 (Under Review)
- (b) In Nigeria: £N2,480x£N120–£N2,720; £N2,900x£N120–£N3,140.

POST OF LECTURER/SENIOR LECTURER

Pan African Institute for Development,
Du Sautoy College,
Buea.

Date

From 1st October, 1972 if possible.

Qualifications

Degree—at least a first degree

—preferably in Economic Development with reference to developing countries and to planning.

Experience—(i) It is equally important that the person appointed should have practical field and administrative experience; preferably in relation to rural and community development; regional planning and integrated development.

(ii) Experience in lecturing/teaching/training is also hoped for; or at least an interest in training middle-level and higher level development personnel.

(iii) Knowledge of French would be an advantage; a willingness to learn is essential; although all courses at the Buea College of the Institute are conducted in English.

Salary and Conditions

Minimum salary approximately £2,750 with free housing and medical facilities. For non-Camereroonians the salary will be tax free for a staff member appointed directly by the Institute. Two months annual paid leave with return passages to home country. In view of the qualifications and experience needed it is expected to appoint above the minimum.

The Institute

It was established in 1964 with its Head Office in Geneva. There are currently three sections:—

The Ecole de Cadres, Douala—francophone—120 students.

Du Sautoy College, Buea—anglophone—45 students in 1972/73.

The Centre for Applied Research—bilingual.

The Institute is an independent organisation financed largely by Technical Assistance and Trusts from wide variety of countries. Its aim is to provide training for development staff in a Pan African setting. The current course at Buea is for 9 months and draws middle-level personnel from some 12 African countries, in the main nominated by their Governments. The approach is somewhat experimental and aimed towards producing people who will be of practical value in the development of their own countries, or in the training of such people. The staff is multinational.

At a Conference at Buea in May high level representatives from all over anglophone Africa expressed support for the College and suggested lines for its further development.

All enquiries in relation to this post should go to:

The Director,
Pan African Institute for Development, Du Sautoy College,
P.M.B. 7,
BUEA, United Republic of Cameroon.
