PRESIDENT'S OFFICE

Govt. Notice No. 868

IMMIGRANTS TO SIERRA LEONE FROM LEBANON
ETC.

It is announced from the Office of the President that the Government views with growing concern the large numbers of immigrants to Sierra Leone, principally from Lebanon, within the past six months. It has come to the notice of Government that most of these immigrants have arrived in the country without having previously obtained visas and that in the great majority of cases, the Immigration Authorities have been finding much difficulty in tracking those who, on arrival, were given entry visas for visits of between one to three months.

The Government wishes to make it publicly and widely known that the Principal Immigration Officer has been given strict instructions not to allow anyone to land in Sierra Leone for purposes of sojourn, irrespective of the duration of the stay, without a valid entry visa having previously been obtained.

The Government also desires to make it abundantly clear to all Airlines operating in Sierra Leone that no passenger from flights operated by those Airlines will be allowed to land in the country without a valid entry visa having previously been obtained. Any contravention of this instruction will be the direct responsibility of the Airline concerned and such Airline will automatically have to fly back the passenger concerned on the same flight.

G. L. V. WILLIAMS,
Secretary to the President.
