(i) A number of work people who registered for employment are known to be not unemployed. "They register with the hope of obtaining more regular or more remunerative employment.

(ii) Maritime Pools:—Number awaiting sea-going employment 360 this figure consists of the following—

(a) Persons who have unemployed for three weeks.

(b) Persons who have recently returned from a voyage and who should rest for three weeks before being eligible for another voyage. These unemployed workers are usually engaged on casual jobs as stevedores while awaiting sea-going employment.

(iii) Articled Seamen's Pools? Number awaiting sea-going employment 2,654 this figure consists of persons who were unemployed at the end of the week referred to above.

(iv) With effect from January, 1973, this table has been revised by classifying the occupation for which people registered in accordance with the International Standard Classification of Occupations. The figure for Apprentices who normally are classified under a separate Group has been shown in this table under the occupational group for which they registered but separately. The figure for 'Boys' in previous statistics has been included in the figure for 'Male' in the current statistics.
