digit projected from wheel 'A' shall be deemed to be the first digit from the right side of the said serial number and the digit projected from wheel 'B' shall be deemed to be the second digit from the right side of the said serial number.

(c) On completion of the operation prescribed in paragraph (c) above, the draw of the numbers corresponding to the third, fourth and fifth stages of the ordinary and mid-month draws shall be held separately for each item of the items enumerated in the said third stage and immediately afterwards—separately for each item of the items enumerated in the said fourth stage and immediately afterwards—separately for each item of the items enumerated in the said fifth stage by the employment of wheels A, B, C and D only of the projecting machine and the three and four digits that will be projected from the wheels A, B, C and D shall be deemed with respect to relevant items of the third, fourth and fifth stages as the case may be, to constitute the drawing of all tickets the serial numbers of which end with the three and four digits projected as aforesaid, that is—the digit projected from wheel 'A' shall be deemed to be the first digit from the right side of the said serial number and the digit projected from wheel 'B' shall be deemed to be the second digit from the right side of the said serial number and the digit projected from wheel 'C' shall be deemed to be the third digit from the right side of the said serial number and the digit projected from wheel 'D' shall be deemed to be the fourth digit from the right side of the said serial numbers.

(d) After the completion of the draws on each item of the third, fourth and fifth stages of the ordinary and mid-month draws prescribed in paragraph (d) above, the draw of the numbers of the 6th stage of the ordinary and mid-month draws shall be made separately for each number which has to be drawn in accordance with all the wheels A, B, C, D and E and the picking up simultaneously of one card from the 'Prize Box' the five digits that will be projected from the wheels A, B, C, D and E shall be deemed to be the draw of the ticket bearing the serial number conforming to the number formed by the digit projected from the five wheels in such a way that the digit projected from wheel 'A' shall be deemed to be the first digit from the right side of the serial number of the said ticket and the digit projected from wheel 'B' shall be deemed to be the second digit from the right side of the said serial number and that the digit projected from wheel 'C' shall be deemed to be the third digit from the right side of the said serial number and that the digit projected from wheel 'D' shall be deemed to be the fourth digit from the right side of the said serial number and that the digit projected from wheel 'E' shall be deemed to be the fifth digit from the right side of the said serial number. The amount marked on the card drawn simultaneously from the prizes box as aforesaid.

(e) Notwithstanding anything contained in paragraph (c) above, in the event that all the digits projected from the Wheel A, B, C, D and E shall be '0' shall be deemed that the ticket bearing serial number 60,000 was drawn in accordance with the paragraph;

(f) Notwithstanding anything contained in this section 12 in the event of a number being unclearly projected on a digit or digits of such number shall be missing, at any time of any stage of the stages of the draws specified in the programme including the separate draw of tickets at the sixth stage, such projecting shall be null and void and the projecting machine shall be re-employed for the making of the draw of this item.

The manner in which the draw of the tickets for the Ordinary and Mid-Month draws shall be made under Section 6 and 6A and the Electronic Lottery Machine as specified in Section 9 (a)

The winning numbers of all stages of the ordinary and mid-month draws shall be drawn by the pressing of the Draw Button which automatically projects the numbers on to the Monitor, as per programmed Boards for the Ordinary and Mid-Month draws, stages 1 to 6.

15. *The recording and publication of the results of the draw*

- (a) The number of each ticket drawn and the prize appertaining thereof shall be recorded in a written statement at the conclusion of the ordinary and mid-month draws under this programme and such statement shall be signed by the representative of the State Lottery present at the time of the draw and only such statement shall bind the State Lottery.
- (b) The result of the draw shall be published as soon as possible in a special notice to be issued by the State Lottery.
- (c) The holders of tickets shall check the numbers of their tickets against the list of numbers published in the said notice, in order to verify whether the numbers of their tickets correspond with the winning numbers.

16. *The payment of Prizes*

- (a) The payment of the amount of the prize to the bearer of the ticket whose number is drawn at the ordinary and mid-month draws specified in this programme shall be made upon the bearer's request and against presentation and surrender of the ticket, as from the third day after the holding of the draw in which the winning ticket was drawn but not later than 30 days from the date of the draw. Payment of Prizes shall be effected at the time and place specified in the public notice announcing the results of the draw which shall be published by the State Lottery as aforesaid.
- (b) The State Lottery shall not be obliged to pay the prize if it was not claimed as provided in paragraph (a) above;
- (c) The State Lottery shall not be obliged to pay the prize for a ticket the number of which was drawn in the draw if such ticket is lost destroyed or obliterated or torn or cut or holed or its serial number or the serial number of the draw in which it participated is not sufficiently clear at the time the ticket is presented for payment.
- (d) Notwithstanding anything contained in this Section 16, if the Managing Director of the State Lottery has reason to believe that a ticket presented for payment has been lost or stolen, payment of any prize to which the bearer would be entitled under this programme, may be withheld for a reasonable period in order to permit any person who claims that he has a better right to the ticket than the bearer, to institute legal action and if such person initiates any such action within the said period, the State Lottery shall withhold payment until the matter has been finally decided by a competent Court.

17. *Income Tax*

The Prizes are not liable to Income Tax.

18. *Licence to hold the draw*

The draws are held in accordance with the terms of a licence issued under Section 3 of the Control of Betting and Lotteries Act, 1962.

19. *The Address of the State Lottery*

In all matters concerning the State Lottery and this programme application shall be made to the office of the Company at 44 Siaka Stevens Street, Freetown.

V. O. YOUNGE,
Managing Director.

D. S. B. WILLIAMS,
Director.

FREETOWN.

7. The making of the draws and the control thereof

The draw will be made by the State Lottery and under its instructions. The draw will be made at the place and at the time to be specified in a public notice that will be published in the daily press.

8. Deferment of the draws

In the event of the State Lottery being unable due to circumstances over which it has no control to hold the ordinary and mid-month draws or part thereof under this programme, such draws or part thereof shall be held at a place and time specified in a notice issued to the public by the State Lottery.

9. Lottery Machine

(a) For making the ordinary and mid-month draws under this programme, the State Lottery shall use, of its discretion from time to time—

(i) The projecting machine as specified in Section 10 herein;

(ii) The Electronic Lottery machine as specified in Section 11 herein.

(b) For making the ordinary and mid-month draws under programme, the State Lottery shall use, as addition machine as mentioned in paragraph (a) above, an additional lottery box in the form of a drum hereinafter referred to as "Prize Box".

(c) In the said draw the machine and prize box specified above shall be operated in accordance with instructions given by the representative of the State Lottery present at the draw.

10. Projecting Machine—Manner of Use

(a) The projecting machine—which was manufactured for the State Lottery by the Institute for International Research in Norway—shall consist of wheels on which digits specified below are engraved. The machine shall consist of a device for the projection of the digits on the wheels specified, in such a manner that not more than one digit on any wheels of the machine shall be projected at a time.

(b) In order to execute the draw in its following stages—first, second, third, fourth, fifth and sixth stages—wheels are to be inserted in the machine 1 and shall be marked consecutively with letters A, B, C, D and E as follows—

(1) Wheel 'A' on which digits 0 to 9 inclusive are engraved.

(2) Wheel 'B' on which digits 0 to 9 inclusive are engraved.

(3) Wheel 'C' on which digits 0 to 9 inclusive are engraved.

(4) Wheel 'D' on which digits 0 to 9 inclusive are engraved.

(5) Wheel 'E' on which digits 0 to 4 inclusive are engraved.

11. Electronic Lottery Machine—Manner of Use

The Electronic Lottery Machine—which was manufactured for the State Lottery by Norwegian Electronics A—S—shall consist of two electronic built in Boards programmed for Ordinary and Mid-Month Draws, which shall automatically project the winning prize numbers on to the Monitor when the draw button is depressed as per serial numbers and stages.

12. The preparation of the 'Prize Box' for the Ordinary and Mid-Month Draws

Before making the Ordinary and Mid-Month draw under programme a number of cards equivalent to the number of tickets that will be drawn at the 6th stages of the draw shall be deposited in the prize box. On each such card there shall be printed a sum equal to the amount of one of the prizes specified for the said stage of the draw in accordance with Section 6A (a) of this programme.

13. The manner in which the draw of the tickets for the Ordinary and Mid-Month draws shall be made under Section 6 and by the projecting machine as specified in Section 9(a) (i)

(a) The winning number of the first stages of the Ordinary and Mid-Month draws shall be drawn by the employment of wheel 'A' only of the machine No. 1 and digit that shall be projected from the wheel marked 'A' shall be deemed to constitute the drawing at this stage, of all the tickets that series, the serial numbers of which end with the digit projected from wheel 'A'.

(b) Immediately after the projection of the digit as specified in paragraph (a) above, the machine No. 1 shall be moved from the projecting machine and substituted by machine No. 2 with its set of five wheels marked with letters 'A' to 'E' will be engraved with digits 0-4 and others 0-9.

(c) On completion of the operation prescribed in paragraph (b) above, the draw of the numbers corresponding to the second stage of the ordinary and mid-month draws shall be held by the employment of wheels, A and B only of the projecting machine and the two digits that will be projected from the wheels A and B shall be deemed to constitute the drawing of all tickets the serial numbers of which end with the two digits projected as aforesaid, that is—

Notice No. 500

SIERRA LEONE STATE LOTTERY COMPANY
LIMITEDUNDER SECTION 50 OF THE ARTICLES OF ASSOCIATION
DETAILED PROGRAMME FOR THE DRAW OF LOTTERY TICKETS1. *Application of the Programme*

This programme provides for the following draws which will be conducted in the manner and under the conditions specified

- (1) Ordinary Draw No. 18/84 to be held on 11th October, 1984.
- (2) Mid-Month Draw No. 19/84 to be held on 25th October, 1984.
- (3) Ordinary Draw No. 20/84 to be held on 8th November, 1984.
- (4) Mid-Month Draw No. 21/84 to be held on 22nd November, 1984.
- (5) Ordinary Draw No. 22/84 to be held on 6th December, 1984.
- (6) Mid-Month Draw No. 23/84 to be held on 20th December, 1984.

2. *The Lottery tickets for the Ordinary and Mid-Month Draws*

For the Ordinary and Mid-Month draws specified in this programme, the State Lottery shall issue 60,000 tickets to bearer (hereinafter referred to as tickets);

The tickets issued for any of the series mentioned in section 1 above will be numbered in the places (on the face of each ticket) with serial numbers—

- (1) Ordinary Draw No. 18/84 from II 000001 to II 060000.
- (2) Mid-Month Draw No. 19/84 from J 000001 to J 060000.

inclusive. The tickets will be marked with the words "Ordinary Draw" and "Mid-Month Draw" respectively also with the serial numbers of the draw in which the tickets are to participate.

In the programme a reference to a serial number shall be deemed to include a reference to any letter printed immediately before the digits forming the said serial number.

3. *Participation in the draws*

All tickets issued for the ordinary and mid-month draws specified in this programme will participate subject to the conditions specified in this programme. A separate draw will be held for each series.

Notwithstanding anything contained in this section 3, a ticket issued by the State Lottery under section 2 hereof shall not participate in the draw if either the serial number on the face of the tickets (in either of the places where that number is marked) or the serial numbers or any digit or part of a digit, are not printed thereon, or are not properly printed in such a manner that it is not possible to verify such numbers or digits on the face of the tickets.

The holder of a ticket on which the serial number of the ticket or the serial number of the draw is not printed or is not properly printed or is printed in such a manner that it cannot be verified as stated in paragraph (b) of this

section, shall be entitled to receive from the State Lottery only the nominal price of the ticket as stated thereon. Such ticket shall not entitle its holder to any right whatsoever other than the aforesaid right to receive the nominal price and in particular such tickets shall not entitle its holder to any compensation whatsoever for not including such ticket in the draw, or for any other reason.

4. *The sale of tickets and their price*

(a) The ticket shall be sold by the State Lottery directly and/or through Selling Agents or Sellers appointed by the above-mentioned agents.

(b) The price of each ticket shall be—

Ordinary Draw	..	50 cents
Mid-Month Draw	..	35 cents

5. *Marking of tickets with the name and address of the Agents*

The Selling Agent shall upon the sale of any ticket (either by him directly) or through his sub-agent or seller) stamp it with a stamp bearing the name and address of such agents.

6. *The Prizes of the Ordinary Draw*

In the ordinary draw of the series specified in this programme, 13,036 numbers (out of 60,000) corresponding to the numbers on the issued tickets will be drawn in six stages in which the total prizes shall amount to Le12,610 as follows—
