**NOTIFICATION FOR THE PUBLIC DISCLOSURE OF THE ENVIRONMENTAL AND  
SOCIAL IMPACT ASSESSMENT (ESIA) OF TONGUMA LIMITED'S PLANNED  
UNDERGROUND MINING OPERATION**

Govt. Notice No. 487

This notice serves to inform interested and/or affected persons/parties (I&APs) about the Environmental and Social Impact Assessment (ESIA) conducted with respect to the commencement of underground mining operations in Tonguma Limited's existing operations in the Lower Bambara Chiefdom, Kenema District, Eastern Sierra Leone.

Tonguma Ltd, previously a subsidiary of Ocea Mining, was established to undertake Kimberlite exploration activities with the issuance of an exploration licence in 2004. In 2016, Stellar Diamonds Ltd, a junior diamond development company with kimberlite assets in West Africa, entered into a binding Tribute Mining Agreement with Tonguma Ltd. Since the completion of the agreement process, Stellar Diamonds Ltd was acquired by Newfield Resources Ltd in May 2018. Newfield Resources, through its subsidiary Sierra Diamonds Ltd, now assumes the sole responsibility for funding and operational development of the Tonguma mine, and intends to include underground mining methods in their operations.

The proposed underground mining operations and the changes in the overall mining operations warrant a comprehensive ESIA which will depict the associated environmental, social and health impacts of the new mining methodology as stipulated in the EPA Act, 2008 & MMA Act 2009.

In terms of international standards and the laws of Sierra Leone, the project needs to be planned and designed in a manner that minimizes the potential negative social and environmental impacts and maximize the benefits. This will be achieved through the ESIA Process that the consultant, CEMMATS Group Ltd. (CEMMATS), an experienced Environmental Assessment consultancy with vast experience of working in the mining sector, and staff of Tonguma Limited/Sierra Diamonds Ltd with considerable experience, not only in the current operation but in underground operations worldwide have undertaken.

This collaboration has made for a comprehensive assessment that adequately addresses all the major issues that may arise from the new underground mining operations and ensure that Tonguma Limited proceeds with its underground mining whilst adopting sound environmental principles.

Although the ESIA concentrates primarily on the underground mining, the reports also cover the entire operation and therefore include updating the original ESIA done by CEMMATS in 2014.

This assessment is now at the stage where the results need to be presented to interested and/or affected persons/parties for discussion and finalization. The reports submitted to the Environment Protection Agency Sierra Leone (EPA-SL) are to be presented to interested and affected persons during public disclosure sessions for discussion at the following locations and dates at 9:30a.m.:

- \* Panguma (Korjie Hall) - Tuesday, 18th December 2018
- \* Kenema Town (Kenema District Council Hall) - Wednesday, 19th December 2018

The Environmental and Social Impact Assessment Study for Tonguma Limited's Underground Mining Project was reported in two volumes titled:

- \* Volume 1 -The Executive Summary and Main Report;
- \* Volume 2 - Environmental and Social Management Plan

The reports are now available for reference purposes at the following locations:

**Freetown:**

- \* The Environment Protection Agency - Sierra Leone (EPA-SL) office, 21 Old Railway Line Brookfields, Freetown;
- \* CEMMATS Group Ltd. at 7A Cantonment Road, Beyoh House, off King Harman Road, Brookfields, Freetown;
- \* The Sierra Library Board, Tower Hill

**Kenema:**

- \* Lower Bambara Paramount Chiefs house - Panguma
- \* Kenema District Council Office
- \* Kenema City Library

We would now like to invite you and other key stakeholders to participate in the consultation process for this project. Your input and any issues or insights that you may have regarding the project will be valuable in the specialist investigations. Comments can be submitted verbally at the stakeholders' workshop or in written format. Written comments must be delivered to CEMMATS Group Ltd, 7 A Cantonment Road, off King Harman Road, Freetown or via email or telephone to the addresses provided below. We look forward to your participation in the consultation and disclosure process.
