SL Mining Limited  
Gerald International Limited,  
Standard Chartered Bank (SL) Limited

Dear Sirs,

**RE: NOTICE TO REMOVE MINING ASSETS FROM THE MARAMPA MINES AREA**

I wish to refer to the above subject and to draw your attention to the recent termination of the SL Mining Ltd. mining Licences over the Marampa mining area.

I also wish to draw your attention to several legal actions which have been instituted (or are threatened) against the Government of Sierra Leone nationally and internationally. In these actions which several conflicting claims have been made regarding the ownership of the Marampa Mine assets by yourselves of which the Government of Sierra Leone is not in the position to authenticate such ownership titles or rights.

The claims have been made severally and jointly by persons known or described as:

- (1) Timis Corporation (SL) Limited  
26 Brook Fields Motor Road, Free Town, Sierra Leone
- (2) Cosimo Borreli Walsh -Borreli Walsh  
Level 17, Tower 1 Admiralty Centre, 18 Harcourt Road, Hong Kong
- (3) Nilani Perera  
4/F Palm Grove House, Road Town, Tortola, British Virgin Islands
- (4) SL Mining Limited  
26 Brook Fields Motor Road, Free Town, Sierra Leone

- 5) Gerald International Limited  
3rd Floor, 1 Strand, Grand Buildings, Trafalgar Square, London WC 2N 5 HR
  
- (6) Standard Chartered Bank (Representing 'The Banks'- The Lenders to London Mining Limited) Lightfoot  
Boston Street, Freetown, Sierra Leone

The Government of Sierra Leone is aware that there are agreements or arrangements between one or more of the above entities and interests in relation to the competing and/or consolidated claims to the assets at the Marampa Mines, which the Government of Sierra Leone has not guaranteed, endorsed or is a party thereto.

Also, the Government of Sierra Leone cannot identify, verify or certify the authenticity of all the various claims and interests asserted over the assets at the Marampa Mines. And there are also no valid existing mining licences currently held over the Marampa mines.

The Government of Sierra Leone therefore calls on all the claimants and/or purported owners of the assets (however they may determine their rights thereto, jointly or severally) to remove the mining assets from the land lying in the Marampa mines and surrounding areas by the 28 February 2020.

Please note that no Minerals, Mineral Ore or other natural resources under this notice shall be deemed to constitute assets belonging to any entity or individual under this notice other than the Republic of Sierra Leone. Any attempt to remove Minerals, Mineral Ore or other natural resources is unlawful and criminal.

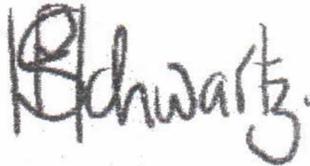

The Republic of Sierra Leone wishes all to know that failure to remove the mining assets by the date of 28 February 2020, the Government of Sierra Leone will impose a charge of 50,000 United States Dollars for each day that the said assets remain on the lands of the Marampa Mines area, depriving the Government of Sierra Leone from productive and gainful use of its mineral resources.

Also note that, after a further period of two months from the date of this notice, should the mining assets remain on the Marampa Mines area and having incurred the said charges stated above, the Government of Sierra Leone reserves the right to take all necessary action to secure its rights within the Marampa mining area.

By this letter, all claimants of the assets on the Marampa mining lands are advised to act (jointly or severally, as you so determine by or amongst yourselves to the extent of your interests) to vacate the lands of the Marampa Mines site of all your assets with immediate effect.

You MUST also ensure that all your liabilities to any private entity, or individual occurring out of use of any assets or claims with respect thereto is settled upon removal of the assets.

This Notice herein conveyed, will be published in the Sierra Leone Gazette and in other media outlets for the attention of the general public, and other parties (or their assigns) that may have any interest in the Marampa Mines asset that has not been disclosed to the Government of Sierra Leone.

Yours sincerely

Dr Priscilla Schwartz
