**Sub: Final Decision on Somaliland Air Space
Management and CACAS Project**

Dear Mr. Clapp:

This is to officially inform you ,the official response statement on yesterday May 11, 2013 political statement stated jointly by representative of UNDP and ICAO with the Federal Government of Somalia (FGOS) in regard to the EX-Somalia (Somalia and Somaliland) Air Space Management that was

trusted to UNDP by the UN Security Council in 1933 under Security Resolution NO 954 to administer and management until political settlement is reached on the existing conflicts.

As you may recall, UNDP and ICAO/CACAS project management has been coordinating the joint "Steering Committee Meetings" activities in relation to the process of transferring the ownership into the hands of Somalis. The SC was established On May 2011 jointly by the Government of Somaliland and Transitional Government of Somalia (TFG) respectively signed by the Minister's of civil Aviation and Air Transportation (MoCAAT) of Somaliland and the Minister of planning of the TFG. The objectives were to oversee the process of transferring the present CACAS project.

Since, that time there were 7 quarterly SC meetings of which the last one was held on January 07, 2013 at the ICAO Head Quarter in Montreal, Quebec Canada. The agreed minutes that came out of this meeting was as follows:

1. Implementation of the Technical Gap Analysis Report and Recommendation
2. To hire the Technical Transitional Team (TTT) in order to prepare the ground for the readiness aspect of transferring the CACAS project
3. To call for Inter-Ministerial Meeting on June 2013 in Nairobi, Kenya in order to brief the ministers the progress of the CACAS and the SC meetings and also up-date each other on the political

developments in the ground (Somaliland /Somalia)

Unfortunately, the political statement jointly made by UNDP/ICAO and the FGoS through the media in regard to the unilateral decision to agree the transfer of the “EX-Somaliland Air Space and its management to the FGoS is a violation to our existing agreement and transitional process to bring back the ownership to mutually agreed solution between Somali –Stakeholders.

As a result, on behalf of the Government of Somaliland and the officially mandated institution on the Somaliland Air Space Management, that MOCAAT reached the following decision to rectify your wrong decision:

1. Starting from May 15th 2013 at 06:00hrs (03:00 GMT) all UNHAS flights are suspended and those aircraft stationed in Airport of Somaliland are grounded until further notice (Refer to the current NOTAM) related to this Issue ,
2. Starting from July 05th, 2013, the total ownership of Somaliland “Air Space management and Control “will be fully under the management of MoCAAT and all clients both commercial and humanitarian fleets are directed to make official request for “Over-Flight and Landing permission “ to MoCAAT only;
3. Starting June 01,2013CACAS project Coordinator is hereby instructed to not manage

any long the Mogadishu FIR for Somaliland Air Space management and Control

4. UNDP/ICAO –CACAS available project resources must be put on hold for expenditure until our share of the funding are earmarked for us and transferred to us as per the ITATA records of the “Air Navigation Charges “as of today may 14,2014

In summary, we are cautioning our development partners UNDP and ICAO/CACAS Project management not to make any further action that will be contrary to agreed structure to oversee the CACAC’ process of transferring ownership and also discontinue the present relationship with of called represent of the FGoS who has been the misleading factor to executive of Somalia

Finally, we expect your official acknowledgement and written response to our official statement in regard to the EX-Somalia (FGoS/Somaliland) without further delays.

Hon. Mohamoud Hashi Abdi

Minister of MoCAAT
