PART C — LEGAL NOTICES

- | | |
|--|----|
| 20. The Pharmacy (Prescription of Fees) Regulations, 1981 | S1 |
| 21. The Premiums for Insurance of Motor Vehicles (Amendment) (No. 2) Notice, 1981 .. | S2 |

PUBLISHED BY AUTHORITY.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and the role of the accounting department in ensuring the integrity of the financial statements. It also highlights the need for regular audits and the importance of transparency in financial reporting.

2. The second part of the document focuses on the internal controls and risk management framework. It describes the various controls in place to prevent fraud and errors, and the process for identifying and mitigating risks. It also discusses the role of the internal audit function in monitoring the effectiveness of these controls.

3. The third part of the document addresses the external audit process and the relationship between the company and its auditors. It explains the scope of the audit and the types of procedures used to gather evidence. It also discusses the importance of communication between the company and the auditors throughout the audit process.

4. The fourth part of the document discusses the impact of accounting on the company's financial performance and its ability to attract investors. It highlights the importance of providing timely and accurate financial information to investors and the role of the accounting department in this process.

5. The fifth part of the document discusses the role of accounting in the company's strategic planning and decision-making process. It explains how accounting data is used to analyze the company's performance and identify areas for improvement. It also discusses the importance of accounting in setting budgets and monitoring progress against these budgets.

6. The sixth part of the document discusses the role of accounting in the company's compliance with applicable laws and regulations. It explains the importance of staying up-to-date on changes in the regulatory environment and the role of the accounting department in ensuring compliance.

7. The seventh part of the document discusses the role of accounting in the company's social and environmental reporting. It explains how accounting data is used to measure the company's impact on society and the environment and the importance of providing this information to stakeholders.

8. The eighth part of the document discusses the role of accounting in the company's human resources management. It explains how accounting data is used to analyze the company's labor costs and the importance of providing accurate information to management for decision-making.

9. The ninth part of the document discusses the role of accounting in the company's information technology system. It explains how accounting data is used to monitor the company's IT costs and the importance of providing accurate information to management for decision-making.

10. The tenth part of the document discusses the role of accounting in the company's overall business strategy. It explains how accounting data is used to analyze the company's performance and identify areas for improvement. It also discusses the importance of accounting in setting budgets and monitoring progress against these budgets.
