TAARIFA YA KAWAIDA NA. 27

UNIVERSAL COMMUNICATIONS SERVICE ACCESS FUND
PUBLIC REGISTER OF UNIVERSAL SERVICE PROVISION

1. INTRODUCTION:

The Government of the United Republic of Tanzania established the Universal Communications Service Access Fund (the Fund) to promote universal access to information and communications technology services in Tanzania. The Fund is responsible for enabling accessibility and participation by communication operators in the provision of communication services, with a view to promoting social, economic development of the rural and urban underserved areas; to provide for availability of communication services by establishing a legal framework for universal service providers to meet the communication needs of consumers.

Regulation 28(1) of the UCSAF's Regulations of 2009 states that The Fund shall maintain a register of universal service provision which shall include the following:-

- (a) Designated service providers;
- (b) A list of licensees contributing to the Fund; and
- (c) A list of information required by the Fund when determining designated universal service providers.

Following this requirement the Fund has developed this register that is subject to update from time to time.

2. DESIGNATED SERVICE PROVIDERS:

The following section presents designated service providers for universal service provision. These are mainly mobile operator service providers whose main responsibility is to extend mobile communication in rural and urban areas of the country. Through the subsidy provided by the Fund, currently there are 443 wards that will receive communication service through these designated service providers as indicated in **Annex** of this register.

A table below summarizes different phases of rural telecommunication projects being implemented by the Fund.

3. A LIST OF LICENSEE'S CONTRIBUTING TO THE FUND

Regulation 5(1) of the Regulations of the Fund states that, all holders of communication licenses shall be required to pay to the Fund a universal service levy of 0.3 percent of their yearly gross operating revenue. A complete list of licensee is found in Annex II to Annex VII of this report. A complete list of licensees can be also found in Regulator website which is <https://www.tcra.go.tz> and is updated from time to time.

There are 21 Network Facilities Licensee's, 17 Network Services Licensee's, 80 Application Services Licensee's, 84 Content Service Providers - Radio with 26 Television and there are 47 licensee's Postal and Courier Operators.

4. INFORMATION REQUIRED WHEN DESIGNATING SERVICE PROVIDER

The beneficiaries of subsidies from the Fund are all licensees contributing service levy to the Fund. For instance only mobile operators operating in the United Republic of Tanzania are allowed to participate in and receive subsidies to implement rural telecommunication projects.
