THE MEETING BEING QUORATE

1. The Chairperson reported that for the last few years, the company has been struggling financially due to a number of reasons including COVID-19 that affected the timber business in particular. That FINNFUND FOR INDUSTRIAL COOPERATION who is the main and primary lender of the Sound and Fair business has been made aware of the situation.

All present having unanimously agreed to and confirmed the above arrangements,

IT WAS RESOLVED as follows: -

2. It was RESOLVED and AGREED that because of the company's current financial situation and the change in timber business practices locally and globally, and the fact that there is an ongoing growing FinnFund loan interest plus the Tanzania Revenue Authority liability, this business is no longer viable, and therefore the company should go into voluntary liquidation immediately. All the assets should be sold to pay the creditors according to Tanzanian company laws.
