2002 No. 72.

## The Uganda National Bureau of Standards (Import Inspection and Clearance) Regulations, 2002

IN EXERCISE of the powers conferred upon the Minister by section 42 of the Uganda National Bureau of Standards Act, 1983, and with the Resolutions of the National Standards Council passed at a meeting of the Council on the 27th day of February 2002, these Regulations are made this 21st day of October, 2002.

Act 1 of  
1983.

1. These Regulations may be cited as the Uganda National Bureau of Standards (Import Inspection and Clearance) Regulations, 2002.

Citation.

2. These Regulations shall come into force on such date as the Minister may, by statutory order appoint.

Commence-  
ment.

3. In these Regulations, unless the context otherwise requires—

Interpre-  
tation.

“accreditation” means a procedure by which an authoritative body gives formal recognition that a body or person is competent to carry out specific tasks;

“accredited laboratory” means a testing laboratory recognized by the Bureau under established procedures for competence to carry out specific tasks on behalf of the Bureau;

“Act” means the Uganda National Bureau of Standards Act, 1983;

“authorized officer” means an employee of the Bureau or other government agency designated as such by

to conduct inspection, sampling, testing or evaluation of the product to determine its conformity with the relevant standard;

“Bureau” means the Uganda National Bureau of Standards established under section 1 of the Act;

“certification” means a system that has its own rules of procedure and management for carrying out certification of conformity;

“certification body” means an organization that conducts certification of conformity;

“certification of conformity” means an action by a third party demonstrating that adequate confidence is provided by the producer or manufacturer that a duly identified product, is in conformity with a relevant standard or other normative document;

“compulsory standard specification” means the standard specification declared as such under section 17 of the Act;

“Council” means the National Standards Council established under section 3 of the Act;

“Director” means the Executive Director of the Bureau;

“import clearance certificate” means a document issued by the Bureau attesting that the quality of an imported product conforms with a relevant Uganda Standard;

“inspection” means evaluation for conformity by measuring, observing, testing or gauging the relevant characteristics of a product;

“inspection body” means an organization that performs inspection services on its own or on behalf of the Bureau;

“International or foreign Standard” means a standard developed by International Organization for Standardization (ISO), International Electrotechnical Commission, (IEC) Codex Alimentarius, International Telecommunication Union (ITU) or other body accepted by the Bureau for the purpose of certification;

“Minister” means the Minister responsible for trade and industry;

“product” means any article, commodity or thing which is covered by a compulsory standard specification;

“recognized laboratory” means a testing laboratory recognized by the Bureau under established procedures for its competence to carry out specific tasks;

“relevant standard” means the national standard or international standard which is used for certification;

“standard specification” means a specification declared as such under section 14 of the Act;

“testing laboratory” means a laboratory which measures, examines, calibrates or otherwise determines the characteristics or performance of materials or products;

“test method” means a defined technical procedure to determine one or more specified characteristics of a material or product;

“standard” means a document, established by consensus and approved by a recognized body, that provides, for common and repeated use, rules, guidelines, characteristics for activities or their results, aimed at the achievement of the optimum degree of order in a given context;

Application  
for import  
clearance  
certificate.

4. (1) An importer of a product covered by a compulsory standard specification shall apply to the Bureau for an import clearance certificate.

(2) The application shall be made prior to or upon arrival of the product at the point of entry but prior to release of the product to the importer by the Uganda Revenue Authority.

(3) An application for an import clearance certificate shall be made on a prescribed form and shall be filled in duplicate.

(4) The application shall be accompanied by—

(a) packing list;

(b) transit customs document;

(c) invoice;

(d) Bill of Lading or Airway Bill; or

(e) any other document that may be required by the Bureau.

Procedure  
after receipt  
of  
application.

5. (1) Upon receipt of an application for an import clearance certificate, the authorized officer shall inspect the product, take a sample of the product and shall then subject it to an evaluation and testing.

(2) Based on the results of the inspection, sampling and testing, the authorized officer shall evaluate the product to determine whether it complies with the requirements of the relevant Uganda Standard.

(3) If the product complies with the requirements of the relevant Uganda Standard, the Bureau shall issue the applicant with an import clearance certificate upon payment of the relevant fees.

(4) Where the test results show that the product does not conform to the requirements of the relevant Uganda Standard, the authorised officer shall not issue a certificate to the importer; and in such a case the authorised officer shall notify the relevant authorities such as the Uganda Revenue Authority that the product does not conform with the Uganda Standard and the goods should not be permitted entry in the domestic market.

(5) Where the importer of a product is not satisfied with the test results, he or she may request for two sets of samples for independent testing to be done by an independent testing laboratory which is recognised by the Bureau.

(6) The results of the independent testing shall be released within ten working days.

6. A person shall not release a product from a point of entry, other than to a bonded warehouse, or distribute, sell, use or transfer to the market such product before the importer of the product has been issued with an import clearance certificate.

No release of goods before issuance of certificate.

7. An importer of a product manufactured by a foreign company which has been issued a license to use the Uganda Standard (US) Certification Mark shall not be subject to import clearance and shall not pay the fees in the Schedule.

Products with Uganda Standard (US) Certification Mark.

8. An importer of a product manufactured by a foreign company that has been issued a product certification mark either by the Kenya Bureau of Standards or the Tanzania Bureau of Standards shall not be subject to import clearance and shall pay inspection fee in the Schedule.

Products with other Product Certificate Marks.

9. Where the Bureau is not satisfied with the quality of the products referred to in regulation 7 and 8, the Bureau may subject the product to inspection, sampling, testing and evaluation as if such a manufacturer of the product was not issued with a license to use the Uganda Standard Certification Mark or a product certification mark.

Dissatisfaction with quality of product.

Products  
with test  
Certificates.

**10.** (1) A product which has an accompanying original test certificate based on Uganda Standard and issued by an accredited laboratory shall be evaluated to determine whether the product complies with the requirements of the relevant Uganda Standard.

(2) If the product complies with the requirements of the relevant Uganda Standard, and upon the payment of the relevant fees, the importer of such product shall be issued with an import clearance certificate on a per shipment basis.

(3) A product that has been tested in a foreign country as meeting Uganda Standard may be randomly subjected to re-sampling and testing by the Bureau or an accredited or recognized testing laboratory without the importer of the product incurring further inspection, sampling and testing costs.

(4) Where a random check of a product reveals inconsistencies in the quality of the actual imported product with the test certificates issued in the country of origin, all subsequent products from that country shall be subjected to a pre-shipment inspection, sampling, and testing by the Bureau regardless of who the importer is and notwithstanding their certification in a country of origin.

(5) The pre-shipment inspection, sampling and testing shall continue until such a time that consistency in the quality of the product with the test certificate issued in the country of origin is re-established to the satisfaction of the Bureau.

Denial of  
import  
Clearance  
Certificate.

**11.** An importer of a product which does not comply with the requirements of the relevant Uganda Standard shall not be issued with an import clearance certificate and such a product shall not be permitted entry in the domestic market but shall be re-exported or disposed off by the proper authorities at the importer's expense.

Offences  
and  
penalties.

**12.** A person who releases, distributes, sales or markets a product that does not conform to the requirements of the relevant Uganda Standard, commits an offence and is liable on conviction to a fine not exceeding three thousand shillings or imprisonment not exceeding three months or both.

13. An applicant who is aggrieved by a decision of the Bureau, denying him or her an import clearance certificate, may appeal as provided for under section 24 of the Act.

Appeal.

14. The fees and charges to be incurred in relation to the import clearance which are prescribed in the Schedule to these Regulations shall be collected and retained by the Bureau.

Fees and  
Charges.

15. The Minister may, in consultation with the Minister responsible for finance, amend the Schedule to these Regulations.

Amendment  
of schedule.
