**ELECTRICITY REGULATORY AUTHORITY
NOTICE OF INTENDED MODIFICATION OF
LICENSE FOR SUPPLY OF ELECTRICITY No. 48
Of UMEME LIMITED**

(*Under the Electricity Act, 1999 Chapter 145 Laws of
Uganda*)

The Electricity Regulatory Authority (ERA) is a regulatory Authority established in accordance with Section 4 of the Electricity Act, 1999. ERA's mandate is to regulate the electricity sector in accordance with the provisions of the Electricity Act.

The Authority received an application from Umeme Limited's for the modification of its licence No. 48 for the Supply of Electricity. Having dully considered and made a decision to modify the Licence in accordance with the provisions of the Electricity Act 1999, the Authority now invites members of the public to make representations and or objections to the Authority, in respect of the Authority's intended modification. Written representations and or objections should be submitted by post, fax, hand or email to the ERA address indicated above. The deadline for comments is 14th December 2012.

The following documents in respect of the application may be viewed on the ERA website www.era.or.ug or at the ERA resource centre between 08:30 Am and 04:30 Pm during working days;

- a) Umeme Limited's licence (as amended);
- b) Umeme Limited's application for modification of its licence;
- c) The decision of the Authority in respect of Umeme's application;
- d) Proposed modification of licence.

The Authority hereby intends to amend Umeme Limited's Licence as follows:

1. To amend Clause 3.3.2 of the Licence to allow Umeme submit its application for its retail tariff at least '60 (Sixty)' prior to the effectiveness of the tariff year.
2. To amend Clause 1.10 of Annex A – Tariff Methodology to provide for the periodic review of Umeme Limited's Distribution Operation and Maintenance Costs (DOMC), Target Uncollected Debt Factor (TUCF), Days Lag (DY) and Loss Factors (LF) after the 12th and 17th years of the transfer date as detailed in Schedule A-5 and for the LF figures appearing in Schedule A-4' (indicated in clause 7 and 8 below);
3. To amend Clause 4 – Annex A – Tariff Methodology HVE, LVSc to provide for the submission of the licensees total energy purchases and actual retail sales from three to two months before the commencement of the tariff year.

THE TRADE MARKS ACT.

(Cap. 83).

NOTICE.

NOTICE IS HEREBY GIVEN that any person who has grounds to oppose the registration of any of the marks advertised herein may within sixty days from the date of this *Gazette*, lodge a Notice of opposition on Trade Mark Form No. 6 together with a fee of Shs. 4000 in case of National applicants or US\$ 250 in case of Foreign applicants. The period of lodging Notice of opposition may be extended in suitable cases by the Registrar as he thinks fit upon such terms as he may direct. Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant so that he may have an opportunity to withdraw his application before the expense of opposition proceedings is incurred. Failure to give such notice will be taken into account in considering any application by the opponent for an order for costs if the opposition is uncontested by the applicant. Representations of the marks herein advertised can be inspected at the office of the Registrar of Trade Marks, Georgian House, Plot No. 5B, George Street, P.O. Box 6848, Kampala.

**THE UGANDA NATIONAL METEOROLOGICAL
AUTHORITY ACT, 2012**

An Act to provide for the establishment of the Uganda National Meteorological Authority, to provide for the functions of the Authority; to provide for the Meteorological Board; for the functions of the Board; to give effect to the Convention on the World Meteorological Organization; the United Nations Framework Convention on Climate Change and other related Conventions, protocols and Memoranda of Understanding to which Uganda is a party; to provide for the control and development of technically sound and scientific meteorological services and to provide for other related matters.

DATE OF ASSENT: 10th October, 2012.

Date of Commencement: See section 1.

BE IT ENACTED by Parliament as follows—

PART I—PRELIMINARY**1. Commencement.**

This Act shall come into force on a date to be appointed by the Minister by Statutory Instrument.

2. Interpretation.

In this Act, unless the context otherwise requires—

- “Authority” means the Uganda National Meteorological Authority established by section 3;
- “Board” means the Uganda National Meteorological Board established by section 5;
- “climate” means the average or mean weather conditions of a place as determined by the day- to- day values of the meteorological or weather elements that affect a locality covering a reasonably long period such as 30 years;
- “climate change” means a significant change in the climate with a definite trend in at least one of the weather elements; the change must be recorded over an extended period, typically a decade or longer to differentiate it from climate variability which, although a major meteorological hazard, has no definite trend;
- “Congress” means the Congress of the World Meteorological Organisation;
- “Constituent body” means a constituent body of the World Meteorological Organization which includes the Executive Council, the Regional Associations or Technical Commissions;
- “Convention” means the Convention of the World Meteorological Organization which was concluded in Washington D.C. on 22nd September 1947;
- “currency point” has the value assigned to it in the Schedule 1;
- “Executive Director” means the Executive Director of the Authority;
- “Meteorology” means the science of the atmosphere that embraces both weather and climate and is concerned with the physical, dynamical and chemical state of the earth's atmosphere;

“Meteorological services” means services provided by the Authority;

“Minister” means the Minister responsible for matters relating to meteorology;

“Organisation” means the World Meteorological Organisation;

“weather” is the condition or state of the atmospheric environment over a short period of time such as an instant or a few hours to a number of days or seasons involving various meteorological elements or parameters such as rainfall, wind, temperature, sunshine and atmospheric pressure among others;

“weather modification” means any activity performed with the intention or the ultimate outcome or both of producing artificial change in the composition, behavior and dynamics of the atmosphere.

PART II—THE UGANDA NATIONAL METEOROLOGICAL AUTHORITY

3. Establishment of the Authority.

(1) There is established the Uganda National Meteorological Authority.

(2) The Authority shall be a body corporate with perpetual succession and an official seal and may for the discharge of its functions under this Act—

(a) acquire, hold and dispose off moveable and immovable property;

(b) sue and be sued in its corporate name; and

(c) do all acts and things as a body corporate may lawfully do.

(3) The Authority shall be under the general supervision of the Minister.

(4) The official seal of the Authority shall be in a form determined by the Board.

(5) The official seal shall, when affixed to any document, be authenticated by the signatures of the Executive Director and one other member of the Board.

(6) In the absence of the Executive Director, the person performing the functions of the Executive Director shall sign.

(7) An instrument or contract which if executed or entered into by a person other than a body corporate would not require to be under seal may be executed or entered into on behalf of the Board by the Chairperson or by any member of the Board or any other person if that member of the Board or other person has been duly authorized by resolution of the Board to execute or enter into the instrument or contract as the case may be.

(8) Every document purporting to be an instrument or contract executed or issued by or on behalf of the Board in accordance with this section shall be considered to be so executed or issued until the contrary is proved.

4. Functions of the Authority.

The functions of the Authority are—

- (a) to establish and maintain systems for the rapid exchange of meteorological and related information;
- (b) to establish networks of stations for taking, recording and transmitting meteorological observations as well as hydrological and other geophysical observations related to meteorology;

- (c) to establish and maintain an effective national weather forecasting centre for short, medium, and long term applications using state-of-the-art technology and contemporary best practices;
- (d) to apply meteorology to aviation, marine transport, water resources management, agriculture, health, national defence and security, disaster preparedness, and other developmental activities;
- (e) to research and train in meteorology and in related fields and to coordinate national, regional, and international aspects of the research and training;
- (f) to establish a framework under which aeronautical meteorological services are paid for at commercial rates by end users at a rate to be determined by Regulations under this Act and to ensure that the framework is updated periodically;
- (g) to establish and maintain a total quality management system in its operations while providing the necessary data essential for environmental impact assessment;
- (h) to monitor the state of the atmosphere in Uganda, at different time and spatial scales, analyze, document and disseminate weather, climate and climate trends and their implications on socio-economic development;
- (i) to build capacity at local government levels for the implementation of the climate and weather programmes through Uganda National Meteorological Authority regional offices;
- (j) to promote the use of weather and climate services in development planning, build strategic partnership with national and international governments, agencies, academic institutions, civil society organizations, cultural and other institutions at various levels in the management of climate and weather programmes;

- (k) to mobilise resources to support climate and weather programmes and activities;
- (l) to participate in the review, formulation, and implementation of weather and climate policies and programmes;
- (m) to interpret, review and recommend appropriate changes in the climate and weather policies as well as international instruments;
- (n) to promote, guide and coordinate the implementation of policies and programmes;
- (o) to promote collaboration and strategic partnership with national and international governments, agencies, academic institutions, civil society organizations, cultural and other institutions at various levels in the management of climate and weather programmes and projects;
- (p) to manage and exercise all authority over the National Climate Data Bank and Archive;
- (q) to set and implement national standards in observations of weather and climate whose data is to be forwarded to the National Data Bank;
- (r) to supervise any other weather and climate observers whose data is to go into National Data Bank;
- (s) to assist government to meet its international obligations in conventions and other international agreements related to weather, climate and climate change;
- (t) to prepare long-term development plans, annual programmes and financial estimates of the Authority, including any aid, grants or loans by international organizations;

Art 11

- (u) to observe, record and transmit meteorological observations as well as hydrological and other geophysical observations related to meteorology and for that purpose establish networks of stations; and
- (v) such other matters affecting meteorology as the Minister may from time to time refer to the Authority.

5. Board.

(1) The governing body of the Authority shall be a Board.

(2) The Board shall consist of a Chairperson and six other members appointed by the Minister with the approval of Cabinet.

(3) At least one-third of the members of the board appointed under subsection (2) shall be women.

(4) In appointing the persons referred to in subsection (2), the Minister shall have regard to the technical experience or qualifications of the persons in matters relating to either management, business, financial management, meteorology or environmental sciences.

(5) The Minister shall appoint the Chairperson of the Board from among the members appointed under subsection (2).

(6) The Executive Director shall act as the Secretary to the Board and shall be an ex officio member.

6. Qualifications of Board members.

(1) The members of the Board shall be persons of high moral character and proven integrity who are qualified in terms of section 5(4).

(2) The members of the Board shall hold office on terms and conditions specified in their instruments of appointment.

- (3) A person shall not be appointed to the Board who—
- (a) has been convicted of an offence under this Act or of an offence involving dishonesty or fraud by a competent court in or outside Uganda;
 - (b) has been convicted of an offence and sentenced to a term of imprisonment for six months or more by a competent court in or outside Uganda;
 - (c) is an undischarged bankrupt, or has made any assignment or arrangement with his or her creditors; or
 - (d) is a Member of Parliament, a Minister or a member of a local government council.
