No. 5**AMENDMENT OF ALLOCATION TO MUNICIPALITIES LISTED IN THE SCHEDULE OF PROVINCIAL GAZETTE NO. 1163 DATED 25 MAY 2004 – SCHEDULE E (5): ERADICATION OF BUCKET TOILETS SYSTEMS**

In terms of the section 16 (2) of the Division of Revenue Act (DORA) 2004, a Provincial accounting officer intending to make an allocation other than a allocation listed in any schedule to the Act, to a municipality from the provincial revenue fund must publish such information in a provincial gazette. The required information is submitted to you for such publications.

Transferring Department	Housing, Local Government and Traditional Affairs.
Name of allocation	Eradication of Bucket Toilet Systems.
Purpose	To fund projects that aim to eradicate bucket toilet systems and thus improve the quality of the environment by addressing problems in urban communities.
Measurable outputs	Improvement of the quality of human settlements by funding projects which will address the eradication of bucket toilet systems in such settlements. The outputs of the programme depend largely upon the unique content of each project funded in terms of the programme. It will include the upgrading infrastructure in areas served by bucket toilets with a view to eradicating them and the number of employment opportunities created by such upgrading. The maintenance of such upgraded infrastructure by the Local Authority.
Conditions	<ul style="list-style-type: none"> To form part of a contract between the Provincial Government and the identified Municipalities on the

	<p>specific projects.</p> <ul style="list-style-type: none"> Provincial spending plans prepared as part of the strategic plans submitted with the 2004/05 Budget proposals.
Allocation criteria	Based on the project proposals submitted by Municipalities.
Reasons not incorporated in the equitable share	As an instigating programme, the Department needs to be involved in approving, monitoring and evaluation as well as specific project outputs with a view the formation of a comprehensive self sustained development.
Monitoring mechanisms	The departmental "Municipal Infrastructure & Project Management" division monitors projects on an on-going basis through financial and implementation reports, as well as site visits in order to ensure compliance and correct reporting. The MIG procedures will be followed.
Past performance	Past performance in other programmes such as the Human Settlement Redevelopment Programme as well as the Consolidated Municipal Infrastructure Programme has proved the Departments' capability in this respect.
Projected life	With the progress towards the Eradication of Bucket Toilet Systems the programme is an important mechanism in achieving functional settlements. It is expected to continue until all settlement areas that need to have Bucket Toilets eradicated have been covered.
Payment schedule	Transfers will be made to Municipalities within the framework of the Payment Schedule below.
Capacity and preparedness of the transferring department.	The departmental "Municipal Infrastructure & Project Management" division has been identified to manage this Programme and the necessary capacity and expertise exists to undertake this task.
