Government Printing Works

Notice submission deadlines

Government Printing Works has over the last few months implemented rules for completing and submitting the electronic Adobe Forms when you, the customer, submit your notice request.

In line with these business rules, GPW has revised the notice submission deadlines for all gazettes. Please refer to the GPW website www.gpwonline.co.za to familiarise yourself with the new deadlines.

CANCELLATIONS

Don't forget!

Cancellation of notice submissions are accepted by GPW according to the deadlines stated in the table above. Non-compliance to these deadlines will result in your request being failed. **Please pay special attention to the different deadlines for each gazette.**

Please note that any notices cancelled after the cancellation deadline will be published and charged at full cost.

Requests for cancellation must be sent by the original sender of the notice and must accompanied by the relevant notice reference number (N-) in the email body.

AMENDMENTS TO NOTICES

take note!

With effect **from 01 October**, GPW will not longer accept amendments to notices. The cancellation process will need to be followed and a new notice submitted thereafter for the next available publication date.

CUSTOMER INQUIRIES

Many of our customers request immediate feedback/confirmation of notice placement in the gazette from our Contact Centre once they have submitted their notice – While GPW deems it one of their highest priorities and responsibilities to provide customers with this requested feedback and the best service at all times, we are only able to do so once we have started processing your notice submission.

GPW has a **2-working day turnaround time for processing notices** received according to the business rules and deadline submissions.

Please keep this in mind when making inquiries about your notice submission at the Contact Centre.

PROOF OF PAYMENTS

REMINDER

GPW reminds you that all notice submissions **MUST** be submitted with an accompanying proof of payment (PoP) or purchase order (PO). If any PoP's or PO's are received without a notice submission, it will be failed and your notice will not be processed.

When submitting your notice request to submit.egazette@gpw.gov.za, please ensure that a purchase order (GPW Account customer) or proof of payment (non-GPW Account customer) is included with your notice submission. All documentation relating to the notice submission must be in a single email.

A reminder that documents must be attached separately in your email to GPW. (In other words, your email should have an Adobe Form plus proof of payment/purchase order – 2 separate attachments – where notice content is applicable, it should also be a 3rd separate attachment).

REMINDER OF THE GPW BUSINESS RULES

- Single notice, single email – with proof of payment or purchase order.
- All documents must be attached separately in your email to GPW.
- 1 notice = 1 form, i.e. each notice must be on a separate form
- Please submit your notice **ONLY ONCE**.
- Requests for information, quotations and inquiries must be sent to the Contact Centre **ONLY**.
- The notice information that you send us on the form is what we publish. Please do not put any instructions in the email body.

Adjustment of Eastern Cape Department of Health tariffs: 2016/2017**1. PURPOSE**

The purpose of this submission is to obtain Treasury Approval in terms of Treasury Regulations 7.3.1 for the adjustment of tariffs for the Eastern Cape Department of Health.

2. BACKGROUND

The department generates its revenue from patient fees charged to patients who present themselves for treatment at the public health institutions.

3. METHOD OF CHARGING FEES**Patient Fees**

(i) These fees are charged according to the

- Ability of patients to pay for healthcare services rendered – means test.
- Level of public health service delivery
- Level of the health practitioner rendering the health care service
- Type of health care service rendered
- Bed type/ ward if the patient is admitted
- Emergency and rescue services: charges are calculated on the basis of stages of kilometres travelled and on the level of care rendered to the patient.

This means that patient fees will differ accordingly as above. Services rendered to indigent patients, however, are all inclusive and do not differentiate on bed / ward type and level of health care practitioner.

4. CLASSIFICATION OF PATIENTS ACCORDING TO MEANS TEST AND EXPLANATION OF TARIFFS

Patients are thus classified as follows;

Table 1 – Patient Classification

Category	Description	Applicable tariff
H0	No income Social pensioners	Services are free except where specified
H1	Individual : Income less than R36 000 per annum Household : Income less than R50 000 per annum	Minimum tariff applies and services are all inclusive. Maximum tariffs apply where specified
H2	Individual : Income less than R72 000 per annum Household : Income less than R100 000 per annum	A tariff above minimum is charged. Differentiation and itemized billing applies
H3 Self Funded	Earnings above R72 000 per annum single and R100 000 per annum household	85% of full UPFS tariff
Externally funded	Patients covered by a Health Insurance, and treated in a 'public ward'	Full UPFS rates apply
Interdepartmental patients	E.g. Claimants from the Road Accident Fund/ Persons on awaiting trial e.t.c.	Full UPFS rates apply
Private patients	Patients who prefer to be treated by their own doctors in a public hospital, including pregnant and lactating women and children under 6 years	Full UPFS Facility rates apply
Private patients	Patients treated in differentiated amenities	NHRPL equivalent or tariffs agreed to with Medical Aid Schemes.

(ii) Free Services

There exist certain circumstances under which patients will receive services free of charge. Such services include, but are not limited to Primary health care services. These services are illustrated in Table 2.

(iii) By Pass Fee

A by pass fee of R50.00 will be charged to all patients who come to public health hospitals without a referral letter from primary health care institutions and or a doctor.

IMPLEMENTATION OF TARIFFS

Patient fees will increase by 6.0% from the 2015/16 financial year and the increase applies to externally funded patients only. Tariffs for self-funded patients have not increased. This is a Uniform Patient Fee Schedule (UPFS) tariff that is applicable throughout the Republic of South Africa.

5. CONSULTATION

On approval of the tariff reviews by Provincial Treasury, communities and other relevant stakeholders will be informed, and the tariffs will be gazetted.

6. FINANCIAL IMPLICATIONS

The adjustment of tariffs will increase revenue.

7. RECOMMENDATION

It is hereby recommended that Eastern Cape Provincial Treasury approves the adjustment of tariffs with effect from 1 April 2016

Yours in promoting Quality Health Care for ALL
