It was further adopted by Council in July 2021 in compliance with the Municipal Systems Act, 2000 and Spatial Planning and Land Use Management Act, 2013 (SPLUMA). The Provincial SDF Review process adhered to the public consultation process whereby all the District and Local Municipalities and the affected and interested stakeholders within the Province were involved from the initial to the completion of the review process. Each phase of the SDF was reviewed and approved by the steering committees prior to the community consultations. The public comments were solicited over a period of 60 days through newspaper adverts, government gazette notices, virtual meetings and one on one workshops.

As a result, the Department of Cooperative Governance and Traditional Affairs are satisfied that all the legislative requirements have been complied with. SDF review process has been finalized, and the final report can be downloaded from the cogta.gov.za
