SECTION 1

INTERPRETATION

Definition and Interpretation

1(1) In these By-Laws, unless the context otherwise indicates: -

“authorized agent” means an agent which is authorized by the Council to perform specified services;

a) The King Sabata Dalindyebo Municipality established by Provincial Notice No. 6766 of 2000 dated 1 October 2000, as amended, exercising its legislative and executive authority through its Municipal Council; or

b) Its successor in title; or

c) A structure or person exercising a delegated power or carrying out an instruction, where any power in these by-laws has been delegated or sub-delegated, or an instruction given, as contemplated in Section 59 of the Local Government: Municipal Systems Act, 2000 (Act No. 32 of 2000); or

d) A service provider fulfilling a responsibility under these by-laws, assigned to it in terms of Section 81(2) of the Local Government: Municipal Systems Act, or any other law, as the case may be.

“public road” means road, sidewalk, island in a road, subway, avenue, bridge, as shown on the general plan of a township or in respect of which the public has acquired a prescription or other right of way and which is vested in the Council in terms of the Municipal Ordinance 1974 (Ordinance 20 of 1974), or Section 2 of the Divisional Councils Ordinance 1976 (Ordinance 26 of 1976), or any amendments thereto and includes a street and a sidewalk.

“road authority” means the organization or authorized agency appointed by the Council that is responsible for providing and maintaining the road network within the municipal area of the Council; Directorate of Engineering Services: Roads Branch.

“road reserve” means the full width of a public road, and includes the verge and the roadway;

“service” means any system for supplying a public need that a service agency has on the road reserve;

“service agency” means that any Municipal Department, public agency, company or utility that has a service in the road reserve;

“sidewalk” means that portion of street between the outer boundary of the roadway and the boundary lines of the adjacent property or buildings which are intended for the use of pedestrians;

“stormwater” means water resulting from natural precipitation or accumulation and includes rain water, surface water, subsoil water or spring water;

“stormwater drain” means a pipe, conduct or surface channel situated on a site, which is used to convey stormwater to a suitable point of discharge;

“street” has the meaning assigned thereto by Section 2 of the Municipal Ordinance, 1974 (Ordinance 20 of 1974), or Section 2 of the Divisional Councils Ordinance, 1976 (Ordinance 18 of 1976), or as amended thereto, and, except where inconsistent with the context, includes a sidewalk;

“vehicle” has the meaning assigned thereto by Section 1 of the Road Traffic Ordinance, 1966 (Ordinance 21 of 1966);

SECTION 2**PUBLIC ROADS, STREETS AND MISCELLANEOUS****1. Sidewalks and encroachments on streets**

1.1 No person shall:

- a) construct or lay a sidewalk in a street:
 - i) except with the written permission of the road authority, or
 - ii) otherwise than in accordance with the requirements prescribed by such road authority, or
- b) construct a verandah, stoep, wall on a stoep, steps or other projection or erect a post in a street except with the written permission of the road authority.

2. Advertisements visible from streets

No person shall display any advertisement, placard, poster or bill in a street: -

- a) except with the written permission of the road authority, and
- b) otherwise than in accordance with such conditions as may be determined by such road authority.

This Section shall not be applicable to signs which have been exempted under the provisions of the Standard By-Law relating to Advertising Signs and the Disfigurement of the Front or Frontages of Streets, promulgated under Provincial Notice 593 dated 26 September 1958, as amended.

3. Animals or objects causing an obstruction

No person shall:

- a) deposit or leave any goods or articles in a street, other than for a reasonable period during the course of the loading, off-loading or removal thereof, or
- b) in any way, obstruct the pedestrian traffic on a sidewalk by bringing or allowing to be brought thereon any object or vehicle (other than a perambulator or wheelchair which is being used for the conveyance of children or the disabled), or
- c) cause or allow any blind, awning, cord or other object to project over or onto a street: -
 - a. except with the written permission of the road authority, or
 - b. otherwise than in accordance with such conditions as may be determined by such road authority.

4. **Trees in streets**

4.1 No person shall: -

- a) plant a tree or shrub in a street, or in any way cut down a tree or a shrub in a street or remove it therefrom, except with the written permission of the road authority.
- b) climb, break or damage a tree growing in a street, or
- c) in any way mark or paint any tree growing in a street or attach any advertisement thereto.

4.2 Any tree or shrub planted in a street shall become the property of the road authority.

5. **Trees causing an interference or obstruction**

5.1 Whenever there is upon any property any tree or other growth which interferes with overhead wires or is a source of annoyance, danger or inconvenience to persons using a street, the road authority may by notice in writing order the owner or occupier of such property to prune or remove such tree or growth to the extent and within the period specified in such notice.

5.2 Any person failing to comply with a notice issued in terms of subsection (1) shall be guilty of an offence.

5.3 If any person fails to comply with a notice in terms of this section, the road authority may itself prune or remove the tree or growth at the expense of the person on whom the notice is served.

6. **Use of explosives**

No person shall use explosives or undertake blasting operations: -

- a) except with the written permission of the road authority, and
- b) otherwise than in accordance with such conditions as may be determined by such road authority.

7. **Conveyance of animal carcasses or other products through streets**

No person shall carry out or convey through a street the carcass of an animal or any materials garbage, nightsoil, refuse, litter, rubbish, manure or any other product that may be detrimental to the street:

- a) unless it is properly covered, and
- b) unless it is conveyed in such type of container as will not allow any offensive liquids or parts of the load to be split in the street.

8. Fences on street boundaries

8.1 No person shall erect a fence on the boundary of a street except with the written permission of the road authority: -

- a) maintenance of fences along street boundaries or road reserves is for the account of the property owner.

9. Building material

No person shall: -

- a) bore or cut stone, slake, or sift lime, or mix building materials in a street, and
- b) store or place building materials in a street or transport building materials, mixed or unmixed, across the street in such a way as to damage the street.

10. Balconies and verandahs

No person shall, except with the written permission of the road authority:

- a) use a balcony or verandah erected beyond the boundary line of a street for purposes of trading or the storage of goods, or for the washing or drying of clothes thereon, or
- b) enclose or partition a balcony or verandah erected beyond the boundary line of a street or portion thereof as a living or bedroom.

11. Drying of washing on fences on boundaries of streets

No person shall dry or spread washing on a fence on the boundary of a street.

12. Damaging of notice boards

No person shall deface, damage or in any way interfere with any notice board, road traffic sign, street name board or other similar sign or any hoarding which has been erected in a street by or with the permission of the road authority.

13. Excavation in streets

No person shall make or cause to be made an excavation or dig or cause to be dug a pit, trench or hole in a street: -

- a) except with the written permission of the road authority, and
- b) otherwise than in accordance with the requirements prescribed by such road authority attached as schedule 2.

14. Poison in streets

No person other than an official of a road authority or an authorized person who administers

legally approved weed-killers or poisons shall set or cast poison in any street.

15. **Overflow of water into streets**

No person shall cause or allow any water other than rainwater to flow into a street.

16. **Bridges and crossings over gutters and sidewalks**

30. No private crossing, pathway, bridge or culvert shall be made or built to or in front of any dwelling or other premises in any street or public place: -

- a) except with the written permission of the road authority, and
- b) otherwise than in accordance with the attached requirements:
 - i) gutter bridges type entrances to be avoided, depressed or roll over construction being the preferred option.
 - ii) no entrances to exceed 6.0m in length
- c. no alterations to the sidewalks or street levels being made
- d. maintenance and construction of entrances to be for the property owner's account
- e. only one entrance / exit be permitted per property
- f. all deviations from above be approved in writing by the road authority
- g. all cost to be for the applicants / property owners account

Penalties

(1) Any person who contravenes or fails to comply with any of the provisions of this By-Law shall be guilty of an offence.

(2) Any person shall who continues to commit an offence after notice has been served on such person has been convicted of such offence shall be guilty of a continuing offence.

(3) Any person convicted of an offence under this By-Law for which no penalty is expressly provided shall be liable to a fine not exceeding ten thousand rands or imprisonment for a period not exceeding six months or a combination of the aforementioned; and, in the case of a continuing offence, for each day on which such offence is continued, to an additional fine not exceeding two hundred rands per day or additional imprisonment for a period not exceeding ten days for each additional imprisonment for a period not exceeding ten days for each day on which such offence is continued or a combination thereof.

Such fines may be increased from time to time by resolution of the King Sabata Dalindyebo City Council.

(4) Every person committing a breach of the provisions of this By-Law shall be liable to recompense the Municipality for any loss or damage suffered or sustained by it in consequence of such breach.
