30

27. The Department of Health shall take steps to ensure appropriate Health research and system development.

CHAPTER 6

RIGHTS AND OBLIGATIONS OF HEALTH CARE SERVICE PROVIDERS AND HEALTH CARE USERS

Information on services

40

28. (1) All Health facilities in the Province shall display in a prominent place a list of services available at a particular Health facility for the information of the general public.

- (2) Die gesondheidsorgverskaffer verskaf die toepaslike inligting oor waar dienste wat nie by daardie Gesondheidsfasiliteit voorsien word nie, beskikbaar is.
- (3) Inligting soos in subartikels (1) en (2) bedoel moet so ver as wat dit prakties is in die taal van die gesondheidsgbruiker beskikbaar gestel word, met inagneming van gehoor- en visueelgestremde gesondheidsgbruikers. 5

Eerbied

29. Elke gesondheidsgbruiker is geregtig op respek vir hulle persoonlikheid, menswaardigheid en privaatheid, en om nie teen gediskrimineer word nie op een of meer gronde, met inbegrip van ras, geslag, etniese of maatskaplike herkoms, kleur, seksuele oriëntasie, ouderdom, ongeskiktheid, gesondheidstatus, swangerskap, huwelikstatus, godsdiens, gewete, geloof, kultuur, taal of geboorteplek. 10 15

Deelname in besluite

30. (1) Elke gesondheidsgbruiker is daarop geregtig om op 'n ingeligte basis toestemming te gee in enige besluit wat sy of haar gesondheid raak, tensy dit nie redelik prakties is om sodanige ingeligte toestemming te gee nie. 20

(2) Die Departement moet 'n toestemmingsvorm ontwikkel en implementeer so ver as wat dit prakties is, in die taal van die gesondheidsorggebruiker.

(3) Die toestemmingsvorm moet die volgende insluit: 25

- (a) toestemming vir toelating;
- (b) toestemming vir behandeling;
- (c) toestemming vir opvoedkundige, eksperimentele of navorsingsprojekte; 30
- (d) toestemming om vertrouelike inligting vry te stel;
- (e) toestemming deur die Hoof van die Gesondheidsfasiliteit wanneer die gebruiker nie in staat is om sodanige toestemming te gee nie en daar niemand anders is wat wettiglik sodanige toestemming kan gee nie;
- (f) toestemming deur voog of ouer waat gebruiker minderjarig is. 35 40

Verpligting om gesondheidsrekords te hou

31. (1) Die Hoof van die gesondheidsfasiliteit moet verseker dat 'n permanente gesondheidsrekord van elke gebruiker van gesondheidsdienste by daardie Gesondheidsfasiliteit gehou word. 45

- (2) The health service provider shall provide appropriate information on where health services not provided in that Health facility are available.
- 5 (3) Information contemplated in subsection (1) and (2) shall be made available as far as is practical in the language of the health care user, taking into consideration the hearing and visually impaired health care users.

Respect

- 10 29. Every health care user is entitled to respect for their personality, human dignity and privacy, and not to be discriminated against on one or more grounds, including race, gender, ethnic or social origin, colour, sexual orientation, age, disability, health status, pregnancy, marital status, religion, conscience, belief, culture, language or place of birth.

Participation in decisions

- 15 30. (1) Every health care user is entitled to give an informed consent in any decision affecting his or her health, unless it is not reasonably practical to give such informed consent.

- 20 (2) The Department shall develop and implement a consent form as far as it is practical in the language of the health care user.

- 25 (3) The consent form should include the following:

(a) consent for admission;

(b) consent for treatment;

(c) consent for educational, experimental or research projects;

(d) consent to release confidential information;

30 (e) consent by Head of the Health facility when the user is not in a position to give such consent and there is nobody who can legally give such consent;

(f) consent by guardian or parent where the user is a minor.

Obligation to keep health records

- 40 31. (1) The Head of a Health facility must ensure that a permanent health record of every user of health services at that Health facility is kept.

- (2) Die gesondheidsrekords soos beoog in subartikel (1) moet vir 'n tydperk soos deur die Wet op Nasionale Argiewe van Suid-Afrika, 1996 (Wet No 43 van 1996) bepaal, gehou word.

Vertroulikheid en toegang tot rekords

5

32. (1) Elke gebruiker is geregtig op vertroulikheid van alle inligting met betrekking tot sy of haar gesondheid, insluitende inligting wat met enige behandeling of verblyf in 'n gesondheidsfasilitet verband hou.

10

(2) Die Hoof van enige gesondheidsfasilitet kan slegs aan die volgende persone toegang tot die gesondheidsrekords van 'n gesondheidsorgverbruiker verleen –

15

(a) die gesondheidsorggebruiker of, indien die gesondheidsorggebruiker onder die voorgeskrewe ouderdom is, die voog of ouer van die gebruiker;

(b) die administratiewe personeel en gesondheidsorgverskaffers by die Gesondheidsfasilitet vir enige doeleindes in die verloop van hul pligte;

(c) 'n gesondheidsorgverskaffer vir die doeleindes van studie, onderwys of navorsing, met die magtiging van die gesondheidsorggebruiker en die hoof van die gesondheidsfasilitet, of the etiese komitee van die betrokke Gesondheidsfasilitet soos deur internasionale etiese standarde vereis word;

20

(d) enige ander persoon wat skriftelike toestemming daartoe verleen is deur die gesondheidsorggebruiker, of 'n persoon wat deur wetgewing of die hof gemagtig is om toegang te kry.

25

(3) Wanneer ook al 'n gesondheidsfasilitet 'n gesondheidsgebruiker of 'n persoon wat toestemming vir behandeling namens die gesondheidsgebruiker verleen, voorsien met inligting vervat in die rekords van die gesondheidsorggebruiker van 'n mediese of maatskaplike aard betreffende die gesondheid van 'n gesondheidsorggebruiker, moet die gesondheidsfasilitet die persoon wat daardie inligting ontvang voorsien met die bystand van 'n gekwalifiseerde gesondheidsorgverskaffer om hom of haar te help om die inligting te verstaan.

30

(4) Die hoof van 'n gesondheidsfasilitet kan, na oorlegpleging met die gesondheidsorgverskaffer wat primêr verantwoordelik is of 'n ander gesondheidsorgverskaffer aangewys deur die die hoof van die betrokke gesondheidsfasilitet, tydelik 'n gesondheidsorggebruiker toegang weier tot inligting vervat in die gesondheidsorggebruiker se gesondheidsrekord, indien bekendmaking van daardie inligting dalk ernstig nadelig vir die gebruiker se gesondheid kan wees.

35

40

- (2) The health records contemplated in subsection (1) must be kept for a period determined by the National Archives of South Africa Act, 1996 (Act No 43 of 1996).

5 **Confidentiality and access to records**

32. (1) Every user is entitled to confidentiality of all information concerning his or her health, including information relating to any treatment, or stay in a health facility.
- 10 (2) The Head of any health facility may allow only the following persons to access the health records of a health care user -
- 15 (a) the health care user, or if the health care user is under the age prescribed, the guardian or parent of the user;
- 20 (b) the administrative staff and health care providers at the health facility for any purpose within the ordinary course of their duties;
- 25 (c) a health care provider for purposes of study, teaching or research, with the authorisation of the health care user and the head of the health facility, or the ethics committee of the Health facility concerned as required by international ethical standards;
- (d) any other person who has been given written consent by the health care user, or a person who is authorised by law or court order to have access.
- 30 (3) Whenever a health facility provides a health care user or a person giving consent to treatment on behalf of the health care user, with information contained in the health care user's health records of a medical or social nature concerning the health care user, the health facility must provide the person receiving that information with the assistance of a qualified health care provider to assist him or her to understand the information.
- 35 (4) The head of a health facility, after consulting the health care provider primarily responsible or another health care provider designated by the head of the health facility concerned, may temporarily deny a health care user access to information contained in the health care user's health record, if disclosure of that information would be likely to be seriously prejudicial to the user's health.

Die reg om te kla

33. (1) Elke gesondheidsorggebruiker is daarop geregtig om te kla oor die wyse waarop hy of sy behandel was of is, en om skriftelik en volledig ingelig te word oor die gevolge en uitslag van so 'n klagte. 5
- (2) Die IUR moet procedures voorskryf en meganisme vestig vir die indiening van klagtes.

Verpligtinge van gebruikers

34. Gesondheidsorggebruikers moet –
- (a) na hul eie gesondheid omsien, dit beskerm en bevorder; 15
- (b) die regte van ander gesondheidsorggebruikers respekteer;
- (c) die reëls nakom betreffende die organisering en werking van dienste en gesondheidsfasiliteite, onderhewig aan die reg om klagtes teen die diensleverende owerheid in te dien; 20
- (d) die verantwoordelikheid aanvaar vir die behoorlike gebruik van voordele deur die gesondheidstelsel voorsien;
- (e) seker maak dat hulle nie die lewens van ander gesondheidsorggebruikers en gesondheidsorgverskaffers in gevaar stel nie; 25
- (f) met gesondheidsorgverskaffers in verband met hulle situasie saamwerk;
- (g) gesondheidsorgverskaffers met waardigheid en respek behandel; 30
- (h) saamwerk om gesondheidsfasiliteite in 'n leefbare toestand in stand te hou;
- (i) onderhewig aan die bepalings van hierdie of enige ander wet die vasgestelde gesondheidsorggebruikergelde betaal; 35
- (j) 'n ontslagsertifikaat onderteken indien hulle weier om die aanbevole behandeling te ontvang;
- (k) nie tabakprodukte, nie-voorgeskrewe alkoholprodukte of enige onwettige middel in die gesondheidsfasiliteit gebruik nie. 40

Right to complain

33. (1) Every health care user is entitled to complain about the manner in which he or she was or is being treated, and to be fully informed in writing of the effect and outcome of a complaint.
- 5 (2) The MEC shall prescribe procedures and establish mechanism for lodging complaints.

Obligations of users

- 10 34. Health care users shall -

- 15 (a) care for, protect, and promote their own health;
- (b) respect the rights of other health care users;
- 20 (c) observe the rules concerning the organisation and operation of services and health facilities, subject to the right to submit complaints against the service rendering authority;
- (d) assume responsibility for the proper use of the benefits provided by the health system;
- 25 (e) ensure that they do not endanger the lives of other health care users and health care providers;
- (f) co-operate with health care providers in connection with their situation;
- 30 (g) treat health care providers with dignity and respect;
- (h) co-operate in maintaining health facilities in habitable condition;
- (i) subject to the provisions of this or any other law, to pay the stipulated health care user fees;
- 35 (j) sign a discharge certificate if they refuse to accept recommended treatment;
- (k) not use tobacco products, non-prescribed alcohol products or any illegal substance in the health facility.
- 40

Pligte van gesondheidsorgverskaffers

35. Gesondheidsorgverskaffers moet elke plig nakom teenoor elke pasiënt, insluitende die plig –
- (a) om alle pasiënte met waardigheid en respek te behandel; 5
 - (b) om die beste gehalte sorg wat nodig is te voorsien;
 - (c) om pasiënte te betrek by beslissings rakende hulle behandeling; en 10
 - (d) om nie tabakprodukte, nie-voorgeskrewe alkohol produkte of enige onwettige middel in die gesondheidsfasiliteit te gebruik nie.

HOOFSTUK 7 OMVATTENDE PRIMÈRE GESONDHEIDSORG

Omvattende Primère Gesondheidsorg

36. (1) Die LUR moet by kennisgewing in die *Provinsiale Koorant* die pakket van gesondheidsorg wat voorsien word reguleer. 20
- (2) Die gesondheidsorgpakket op elke vlak moet toeganklik, aanvaarbaar, bekostigbaar, doeltreffend, omvattend en geïntegreerd wees met bevorderende, voorkomende, kuratiewe en rehabiliterende dienste. 25
- (3) Die Departement moet die voortdurende implementering van gesondheidsdienste op alle vlakke verseker om –
- (a) duplikasie en fragmentasie van gesondheidsdienste te voorkom en te verwijder; 30
 - (b) die gehalte van gesondheidsdienste binne die beschikbare hulpbronne te verbeter en in stand te hou; en
 - (c) alle struikelblokke in die pad van toegang tot gesondheidsdienste te verwijder waar moontlik.
- (4) Die Departement moet die doeltreffendheid van die onderskeie gesondheidssorgpakekte op 'n gereelde grondslag hersien en monitor. 35

Duties of health care providers

35. Health care providers shall fulfil every duty owed to each patient, including the duty -
