"Municipality" means the Letsemeng Local Municipality established in terms of Section 12 of the Municipal Structures Act, 117 of 1998, and includes any political structure, political office bearer, councillor, duly authorised agent thereof or any employee thereof acting in connection with these by-laws by virtue of a power vested in the municipality and delegated or sub-delegated to such political structure, political office bearer, councillor, agent or employee;

"person" includes a natural person, company, closed corporation, trust, association and partnership;

"waste" means any matter, whether liquid or solid or a combination thereof, which is a by-product, emission, residue or remainder of any product, process or activity and which has been discarded, but excludes any radioactive matter.

2. DUMPING AND LITTERING

(1) No person may:

- (a) litter or cause or permit littering of waste;
- (b) dump or cause or permit the dumping of waste.

(2) If the provisions of subsection (1) are contravened, Council may direct, by way of a written notice in terms of subsection (5), any or all of the following persons:

- (e) any person who negligently failed to prevent the contravention from taking place, to cease the contravention in a specified time, or to prevent a further contravention or the continuation of the contravention, and to take whatever steps Council considers necessary to clean up or remove the waste, to rehabilitate the affected facets of the environment and to ensure that the waste, and any contaminated material which cannot be cleaned or rehabilitated, is disposed of lawfully.

(3) A person who owns land or premises, or who is in control of or has a right to use land or premises, may not use or permit the use of the land or premises for unlawful dumping of waste and must take reasonable steps to prevent the use of the land or premises for this purpose.

- (a) for the purposes of giving directions in terms of subsection (2);
- (b) for compelling persons to comply with their obligations under subsections (3); and

 - (b) order the convicted person to, at his or her cost, and to the satisfaction of the Council, repair the damage and/or make good the loss and/or rehabilitate the environment.
- (7) If a person is convicted of an offence under this by-law, the court may, in addition to any other punishment which it imposes, issue an order compelling the person to comply, within a period determined by the court, with the relevant provisions of this by-law or, where applicable, with the relevant provisions of any notice issued under this by-law.

then the employer is guilty of the offence and proof of the act or omission by the manager, agent or employee is prima facie evidence that the employer is guilty under this subsection; provided that no penalty other than a fine shall be imposed if a conviction is based on this subsection.
