- Bloemfontein: 1 November 2007
- Bethlehem: 5 November 2007

Certain of the comments were accepted and have been included in the Bill.

In terms of schedule 4 of the Constitution of the Republic of South Africa, 1996, casinos, racing, gambling and wagering are functional areas of concurrent national and provincial legislative competence.

One of the aims of the National Gambling Act, 2004 is to provide for the creation of additional uniform norms and standards applicable throughout the Republic.

The purpose of the Bill therefore is to align the Free State Gambling and Racing Board Act, 1996 (Act No. 6 of 1996) with the National Gambling Act, 2004.

The Bill further seeks to provide for:

- new definitions;
- new disqualification criteria for the employees in the gambling industry;
