The City of Tshwane Metropolitan Municipality ("the Tshwane Metro") intends establishing a formal township/s on the Agricultural Holdings No 1418 to 1472 and 1543 to 1589, Winterveld by providing services and transferring the stands to the current community, with State subsidy assistance.

The affect on the land owners will be that their ownership rights will be terminated, however, they will be compensated in terms of the expropriation proceedings.

The affect on lessees or occupants will be that their lease or other rights to occupy will be terminated, however, they are intended to become the owners of the serviced stands upon which houses are to be built.

None of the community will be evicted as a consequence of the expropriation.

The Tshwane Metro wishes to give all affected persons the opportunity to make written representations to the Tshwane Metro regarding the principles and affect of expropriation at the following address:

This notice will be served, sent or delivered to all known addresses and houses on the Agricultural Holdings.
