NOTICE NO 05/2009

01 JUNE 2009

RANDFONTEIN LOCAL MUNICIPALITY

RATES POLICY BY-LAW

FORMULATED IN TERMS OF SECTION 6 OF THE
MUNICIPAL PROPERTY RATES ACT, NO.6 OF 2004

**RANDFONTEIN LOCAL MUNICIPALITY
RATES BY-LAW**

Whereas Section 6 of the Municipal Property Rates Act, 2004 (No. 6 of 2004) requires a municipality to adopt by-laws to give effect to the implementation of its rates policy.

Now therefore the Municipal Council of Randfontein Local Municipality approves and adopts the following rates by-law.

1. Definitions

For the purpose of these by-laws any word or expression to which a meaning has been assigned in the Local Municipal Property Rates Act, 2004 (No. 6 of 2004) shall bear the same meaning in these by-laws and unless the context indicates otherwise-

"act" means the Municipal Property Rates Act, 2004 (No. 6 of 2004).

"approved rates" means the cent in the Rand rate approved by the municipal council applicable for the financial year

"municipality" means the municipal council for the municipal area of Randfontein.

"trading services" means services provided by a municipality that can generate a profit that can be used to subsidise community services (e.g. - Electricity, water)

"economic services" means services provided by a municipality at a tariff where the income and cost of the service will break even - not to make a loss (e.g. - refuse removal, sewerage)

2. Rating of property

In terms of section 2(3) of the Act the power of the municipality to levy rates on property is subject to-

- (a) Section 229(1)(a) of the Constitution,
- (b) The provisions of the Act,
- (c) The municipality's rates policy; and
- (d) This by-law.

3. General principles

- 3.1 Rates are levied as an amount in the rand based on the market value of all rateable property contained in the municipality's valuation roll.
- 3.2 Criteria are provided for the determination of categories of property and owners and for the purpose of levying different rates on categories of property and owners.
- 3.3 Different rates will be levied for different categories of rateable property.
- 3.4 Relief measures in respect of payment for rates will not be granted to any category of property or owners on an individual basis, other than by way of an exemption, rebate or reduction in terms of the municipality's rates policy.
- 3.5 All ratepayers with similar properties will be treated the same.
- 3.6 The ability of a person to pay rates will be taken into account.
- 3.7 Provision will be made for the promotion of local economic and social development and a sustainable local government.
- 3.8 Rates will be based on the value of all rateable property and the amount required by the municipality to balance the operating budget.

4. Classification of services and expenditure

- 4.1 The municipal manager or his/her nominee subject to the guidelines provided by the National Treasury and Executive Mayor and principles contained in the rates policy will classify services, categorise expenditure and create cost centres to prevent that property rates subsidise trading and economic services.
- 4.2 Trading and economic services will be ring fenced and financed from service charges while community and subsidised services will be financed from profits on trading and economic services, regulatory fees and rates and rates related income.

5. Categories of properties and owners

- 5.1 In terms of Section 3(3) of the Act the municipality must determine the criteria for the determination of categories of property and owners for granting exemptions, reductions and rebates and criteria if it levies different rates for different categories of property.
- 5.2 In terms of sections 8(1) and 15(1) read in conjunction with section 19 of the Act the municipality may exempt a category of owner of property from rates or grant a rebate or reduction in the rates.
- 5.3 The criteria for categories of property and owners and the different categories of property and owners are reflected in the municipality's rates policy and adjusted annually, during the budget process.

6. Properties used for multiple purposes

Rates on properties used for multiple purposes will be levied on properties used for-

- (a) a purpose corresponding with the permitted use of the property, if the permitted use of the property is regulated;
- (b) a purpose corresponding with the dominant use of the property;

7. Differential rating

- 7.1 Criteria for differential rating on different categories of properties in terms of section 8(1) of the Act will be according to-

- (a) The use of the property.
- (b) Permitted use of the property; or
- (c) Geographical area in which the property is situated.

- 7.2 Differential rating among the various property categories will be done by way of setting a rate for each property category

and/or

by way of reductions and rebates,

8. Criteria for exemptions, reductions and rebates

Criteria for determining categories of owners of property for the purpose of granting exemptions, rebates and reductions in terms of Section 15(2) of the Act will be according to-

- (a) indigent status of the owner of a property
- (b) sources of income of the owner of a property
- (c) owners of property situated within an area affected by-
 - i. a disaster within the meaning of the Disaster Management Act, 2002 (Act No. 57 of 2002); or
 - ii. any other serious adverse social or economic conditions;
- (d) owners of residential properties with a market value below a determined threshold; or
- (e) owners of agricultural properties who are *bona fide* farmers

9. Exemptions

- 9.1 Over and above the exemptions provided for in sections 16 and 17 of the Act specific categories of property as indicated in the table below are exempted from the payment of rates within the meaning of section 15(1)(a) of the Act and 9(2) to 9(7) of this by-law.

Description of category of property	Criteria
Residential	9(3))
Municipal properties	9(2)
Cemeteries and crematoriums	9(4) and 9(7)
Public Benefit organizations	9(6) and 9(7)

9.2 Municipal properties

Subject to a majority decision, a municipality may exempt the following municipal properties from paying rates as it will increase the rates burden or service charges to property owners or consumers.

- (a) rateable properties registered in the name of the municipality and is let to the employees of the municipality for residential purposes,

- (b) rateable property registered in the name of another municipality if such property is used in connection with the supply of electricity, water, gas or sewerage services, or
- (c) rateable property registered in the name of the municipality and which is let by the municipality for a nominal rate as determined by the municipality.

Except

- (d) If any property belonging to a municipality is disposed off to any person, he shall be considered to be the owner liable for the payment of rates from the date he takes possession.

Municipal properties are exempted from paying rates as it will increase the rates burden or service charges to property owners or consumers.

- 9.3 All residential properties with a market value of less than R 15 000 are exempted from paying rates. This is the R 15 000 impermissible rates contemplated in terms of section 17(1) (h) of the Property Rates Act . This is an important part of the council's indigent policy and is aimed primarily at alleviating poverty
- 9.4 Cemeteries and crematoria registered in the names of private persons and operated not for gain.
- 9.5 Public benefit organisations as provided for in the Rates Policy may apply for the exemption of property rates subject to submitting a tax exemption certificate issued by the South African Revenue Services (SARS) as contemplated in Part 1 of the Ninth Schedule of the Income Tax Act, 1962 (No 58 of 1962):
- 9.6 Exemptions will be subject to the following conditions:
 - (a) all applications must be addressed in writing to the municipality in the prescribed manner or application form;
 - (b) a SARS tax exemption certificate must be attached to all applications;
 - (c) the municipal manager or his/her nominee must approve all applications;
 - (d) applications must reach the municipality before the end of October preceding the start of the new municipal financial year for which relief is sought; and

- (2) Relating to community and subsidised services the following annual adjustments will be made:
 - (a) All salary and wage increases as agreed at the South African Local Government Bargaining Council as well as increases of Section 57 managers
 - (b) An inflation adjustment for general expenditure, repairs and maintenance and contributions to statutory funds, and
 - (c) Additional depreciation costs or interest and redemption on loans associated with the assets created during the previous financial year.
- (4) Extraordinary expenditure related to community services not foreseen during the previous budget period and approved by the council during a budget review process may be financed by an increase in property rates.
- (5) Affordability of rates to ratepayers.
- (6) All increases in property rates will be communicated to the local community in terms of the municipality's policy on community participation.

14. NOTIFICATION OF RATES

- (1) The municipality will give notice of all rates approved at the annual budget meeting at least 30 days prior to the date that the rates become effective. Accounts delivered after the 30 days notice will be based on the new rates.
- (2) A notice stating the extent of the municipality's resolution and the date on which the new rates become operational will be displayed by the municipality at places provided for that purpose.

15. PAYMENT OF RATES

- (1) Ratepayers may choose between paying rates annually in one instalment on or before 30 September or in twelve equal instalments on or before the seventh day of the month following the month in which it becomes payable.
- (2) If the owner of property that is rateable, notifies the municipal manager or his/her nominee not later than 31 May in any financial year, or such later date in such financial year as may be determined by the municipal manager or his/her nominee that he/she wishes to pay all rates in respect of such property in instalments, such owner shall be entitled to pay all rates in the subsequent financial year and each subsequent financial year in twelve instalments until such notice is withdrawn by him/her in a similar manner.
- (3) Interest on arrears of rates, whether payable on or before 30 September or in equal monthly instalments, shall be calculated in accordance with the interest rate as determined by the Minister for Provincial and Local Government.
- (4) If a property owner, who is responsible for the payment of property rates in terms of this policy, fails to pay such rates in the prescribed manner, it will be recovered from him/her in accordance with the provisions of the Credit Control, Debt Collection and indigent policy of the Municipality.
- (5) Arrears of rates shall be recovered from tenants, occupiers and agents of the owner, in terms of section 28 and 29 of the Act.
 - 5.1 (a) If an amount due for rates levied in respect of a property is unpaid by the owner of the property after the date determined, the municipality will recover the amount in whole or in part from the tenant or occupier of the property, despite any contractual obligation between the tenant and the owner. The municipality will only recover the outstanding rates from the tenant or occupier after a written notice has been served to the tenant or occupier.
 - (b) The amount that the municipality will recover from the tenant or occupier will be limited to the amount of the rent or other money due and payable, but not yet paid by the tenant or occupier to the owner of the property. The tenant or occupier must set off any amount recovered from them by the municipality against any money owed to the owner.

- (c) The tenant or occupier of a property will on request of the municipality, furnish the municipality with a written statement specifying all payments to be made by the tenant or occupier to the owner of the property for rent or other money payable on the property during a period as may be determined by the municipality.
- 5.2 (a) If an amount due for rates levied in respect of a property is unpaid by the owner of the property after the date determined, the municipality will recover the amount in whole or in part from the agent of the owner. The municipality will only recover the outstanding rates from the agent after a written notice has been served to the agent.
- (c) The amount that the municipality will recover from the agent will be limited to the amount of any rent or other money received by the agent on behalf of the owner, less any commission due to the agent.
- (d) The agent, will on request of the municipality, furnish the municipality with a written statement specifying all payments for rent on the property and any money received by the agent on behalf of the owner during a period as may be determined by the municipality.
- (6) Where the rates levied on a particular property have been incorrectly determined, whether because of an error or omission on the part of the municipality or false information provided by the property owner concerned or a contravention of the permitted use to which the property concerned may be put, the rates payable shall be appropriately adjusted for the period extending from the date on which the error or omission is detected back to the date on which rates were first levied in terms of the current valuation roll.
- (7) In addition, where the error occurred because of false information provided by the property owner or as a result of a contravention of the permitted use of the property concerned, interest on the unpaid portion of the adjusted rates payable shall be levied at the maximum rate permitted by prevailing legislation.
