(b)	KWh - meter, per meter:	R210.79	R225.50

6. POWER FAILURE

When the electricity department is called upon to rectify a failure of the supply and such failure is found to be due to any cause other than a fault in the Council's mains or apparatus a charge shall be payable by the consumer for each such attendance.	R165.26	R176.80
---	---------	---------

7. EXTENSION OF SUPPLY MAINS

1. Where a consumer's premises are so located with reference to the supply mains as to require an extension of the supply mains, such consumer shall, in addition to any other charges applicable in terms of these tariffs, be required to pay the cost of any extension to the existing supply mains which may be necessary to make supply available to such premises.
2. The consumer shall pay in advance the full estimated cost of any extension of the supply mains for his purposes.
3. Should it be required that an additional connection be made to an existing extension, the consumer requiring the connection, shall in respect of that portion of the existing extension from which the connection is taken, pay in cash on a pro-rata basis an amount to the Council calculated by the Council. The amount so paid shall be credited proportionately to the consumers who contributed to the cost of the existing extension.
4. Where supply is given to a new consumer or group of consumers and the cost of the extension of the local distribution system is exceptionally high in proportion to the initial electricity demands of the consumer or group of consumers, the Council may apply additional levies by means of a system of extension charges which shall be payable by the individual consumer or consumers. The extension charges shall be such as to cover the capital liabilities incurred to extend the distribution system to supply electricity to the said consumers: Provided that no such charges shall be payable by the consumer if the total cost of the connection is paid in cash to the Council before the connection is made.

8. DEPOSIT FOR ESTIMATES

When an extension of a main is required, a deposit shall be payable for estimating the cost. This amount shall be subtracted from the total connection charges and if the connection is not made, the amount shall be forfeited.	R125.19	R134.00
