**Responsibilities**

**4.(1)** The relevant Director in the Department is hereby authorized to administer these Regulations under the supervision of the Head of Department.

- (2) The relevant Director may delegate the power to implement the Regulations, investigate, assess and issue licences and permits in terms of these Regulations to designated officials employed by the Department.
- (3) A designated official must ensure that, landowners, hunters and persons applying for permits comply with these Regulations and any other applicable legislation.
- (4) Breach of these Regulations must be dealt with immediately and effectively as contemplated in the principal legislation.
- (5) Each designated official must submit a report on –
  - (a) how many licences issued;
  - (b) for what and to whom, level of compliance by applicants, hunting reports submitted; and
  - (c) the revenue generated for the Province, compliance monitoring and enforcement interventions, by the 31st of October annually.

#### **Hunting season for game mammal species and restrictions**

- 5.(1) Applications to hunt identified game species will only be considered during the period specified in Regulations 5(2) and 6(3)
- (2) Applications for hunting of free roaming game, excluding birds, will be considered annually from 1 May to 31 July.
- (3) The Head of Department has the authority to deviate from regulation 5(2) under exceptional conditions with necessary scientific evaluation to non-detrimental findings to the species.
- (4) Applications for hunting game on farms that are game fenced, including non-exempted and smaller than 400 hectares, must be considered throughout the year.

#### **Application for permit to hunt game mammals species**

- 6.(1) Any landowner who intends to hunt game on his or her land must apply for a permit before hunting takes place.
- (2) A landowner must submit an application for a permit to the Department, through an available Online Electronic Biodiversity Permit System or directly to the Departmental Regional office within a municipal district where the hunting will take place, as reflected in Schedule 3.

(3) Should the land or hunting area contemplated in subregulation (2) fall within two or more districts, the landowner may only apply for a permit from one of the regional offices within such districts.

(4) A landowner must submit the following to a designated official at the appropriate regional office when an application for a permit to hunt is made –

- (a) Proof of ownership of land where the hunting will take place; and
- (b) a certified copy of the landowner's identity document.

(5) Where an applicant is a lessee of the land contemplated in subregulation (4), a certified copy of the written consent from the landowner giving consent to hunt for the current hunting season, must be submitted.

(6) If the land contemplated in this regulation is under the stewardship of a traditional leadership authority or a communal property association, a certified copy of the written consent from the recognized traditional leadership or chairperson of the communal property association giving consent to hunt for the current hunting season must be submitted.

(7) A designated official must evaluate the application with due consideration given to the following –

- (a) the current information of the population density of game species on the applicable land;
- (b) the landowner's track record of submitting annual hunting reports in terms of Regulation 9 and general compliance with the previous Regulations.

#### **Issuing of permits to hunt game mammal species**

7.(1) Each designated official must process and communicate the outcome of the application to the landowner within 10 working days after receipt of the application form and supporting documents as indicated in regulation 6.

(2) A landowner must, complete the endorsed application form, specifying fees payable and submit to the regional office.

(3) A permit must only be issued after the specified fees are paid.

(4) Landowners may cede or sell the right to hunt game indicated on the permit to hunters.

(5) A landowner must furnish a hunter with a written declaration stating permission to hunt on his or her land.

(6) The fees contemplated in subregulation (3) remain applicable until the notice in terms of which such fees are payable, is replaced by a subsequent notice, with revised fees, in the *Gazette*.

#### **Hunting and transportation of hunted game mammal species**

8.(1) Landowners and hunters must at all times adhere to the conditions stipulated in a permit.

(2) Hunted game must at all times, and during transportation or while processing the meat, be accompanied by an original permit.

#### **Hunting reports of hunted game mammals species**

9.(1) Landowners must submit a completed hunting report on or before 31st August each year to the regional office where the permit was issued.

(2) The hunting report contemplated in subregulation (1) must be completed in the format indicated in Schedule 4.

(3) Failure to submit a hunting report in the prescribed format within the period contemplated in Regulation 9(1) will result in non-compliance with the principal legislation.

#### **Hunting season for game birds and restrictions**

10.(1) The season for hunting of birds shall be as outlined in Schedule 1 to these Regulations.

(2) A person may hunt game birds, only if they are a holder of a valid licence obtained in terms of these Regulations.

(3) A licence to hunt birds may be purchased through an Online Electronic Biodiversity Permitting System or from an office listed in schedule 3 to these Regulations.

(4) A licence fee for hunting of birds is as stipulated in schedule 2 to these Regulations.

(5) The hunting of any birds may not be allowed on farms in the immediate vicinity of Barberspan Bird Sanctuary and the greater Ramsar Wetland Site, which includes Leeupan namely, Barberspan 309 IO, Leeupan 279 IO, Vergenoeg 303 IO and Zandvalei 301 IO and adjacent wetlands.

(6) The hunting of game birds may not be allowed on farms in the periphery and immediate vicinity of Bloemhofdam Nature Reserve namely, Klipfontein 344, Zoutpan 349, Verlatenkraal 382, Vaalbank 355 and Rustkraal 129, and adjacent wetlands around Boemhofdam Nature Reserve.

(7) Hunters may not sell, cede or transfer the right to hunt birds to other hunters.

#### **Hunting and transportation of hunted birds**

11.(1) Hunters must at all times adhere to the conditions stipulated in the licence.

(2) Hunted birds must at all time, and during transportation, be accompanied by the original licence and the written consent of the landowner where the birds were hunted.

#### **Hunting reports of hunted birds**

12.(1) Hunters must submit a completed hunting report to the regional office where the permit was issued on or before 30th October of each year.

(2) All bird species hunted after the end of October must be included in the report of the subsequent hunting season.

(3) The hunting report contemplated in subregulation (1) must be completed in the format as indicated in Schedule 5 to these Regulations.

(4) Failure to submit a hunting report in the prescribed format within the prescribed period results in non-compliance with the principal legislation.

#### **Angling and restrictions**

13.(1) A person may angle, only if they are a holder of a valid licence obtained in terms of these Regulations.

(2) Freshwater angling is permissible throughout the year and a licence to angle may be purchased through an Online Electronic Biodiversity Permitting System or from an office listed in schedule 3 to these Regulations.

(3) Licence fee for angling is as stipulated in schedule 2 of these Regulations.

#### **Biodiversity Permit administration fees**

**14.**(1) An administration fee for Biodiversity permit is as stipulated in Schedule 6 to these Regulations.

(2) The administration fee is mandatory with every application and it is non-refundable.

(3) The administration fee does not absolve the applicant from paying the species fee when hunting permits are applied for.

(4) The species fee is additional to the administration fee, and may be paid separately from administration fee before a permit may be issued.

(5) Where multiple restricted activities applied for are under a single application, the Biodiversity permit administration fee must be charged at a rate of a single permit as stipulated in Schedule 6 to the Regulations.

#### **Offences**

**15.** A person commits an offence contemplated in applicable provisions of the Nature Conservation Ordinance, 1983 (Ordinance No. 12 of 1983), the Bophuthatswana Nature Conservation Act, 1973 (Act 3 of 1973), the Nature and Environmental Conservation Ordinance, 1974 (Ordinance No. 19 of 1974) and the National Environmental Management Biodiversity Act, 2004 (Act 10 of 2004), if that person –

- (a) contravenes any provision of these Regulations.
- (b) contravenes any permit or licence conditions issued in terms of these Regulations,
- (c) facilitates or allows any other person to contravene permit or licence conditions, or any provisions of these Regulations.

#### **Penalties**

**16.** A person convicted of an offence in terms of Regulation 15 to these Regulations is liable upon conviction to the penalties outlined in the principal legislation contemplated in 15.

**Short title and commencement**

**17.**(1) These Regulations are called the North West Hunting Regulations, 2021 and come into effect on 1 April 2021.

(2) Any amendment to these Regulations and the annexures these may be made by the responsible Member, by notice in the Gazette.

**SCHEDULE 4****REPORT: HUNTING ON LAND MANAGED BY TRADITIONAL AUTHORITIES**

Completion of the report by the permit holder is obligatory in terms of permit and license conditions NB - a separate report is required for each permit and license, even if the hunt was not successful.

**Objective of the report**

To improve the quality of hunting, both in terms of game availability and hunting experience of hunters, on land under management of Traditional Authorities. To reach the objective, the information supplied by the hunter aims to:

- Provide the provincial authority with data on game population health (demographics of age and sex structure, population growth potential and sustainability).
- Provide data on hunting conditions.
- Provide information on how to assist Traditional Authorities in improving their game management, hunting management and revenue generation.
- Provide Hunters Associations with reliable information to enable them to endorse the specific Traditional Authority as a trustworthy hunting destination for hunters to improve marketing of the destination.

Please complete the information below accurately, because the optimal management of the quality and availability of future hunting in this area will be to the advantage of both the hunter and the traditional authority.
