4.6 PUBLIC OPEN SPACE

Erven: 1113 AND 1114

The erven shall only be reserved as "Public Open Space".

5. ERVEN SUBJECT TO SPECIAL CONDITIONS

In addition to the relevant conditions set out above, ERVEN 1105, 1116, 1044 and 1045 shall be subject to the following condition:

No direct access from the 25m road shall be allowed to the erf. Provided that access to non-residential erven can be allowed where and under such conditions as the local authority may approve in writing.

6. CONDITIONS IMPOSED BY THE CONTROLLING AUTHORITY IN TERMS OF ACT 21 OF 1940

In addition to the relevant conditions set out above, ERVEN 1047 TO 1073 AND 1116 shall be subject to the following condition:

- (a) The registered owner of the erf shall erect a physical barrier consisting of a 1,3 m high fence, or a fence of such other material as may be approved by the local authority in accordance with the most recent standards of the Deputy Director-General: Department Public Transport, Roads and Community Safety before or during development of the erf along the western boundary thereof abutting on Provincial Road D2284 to the satisfaction of the local authority and shall maintain such fence to the satisfaction of the local authority: Provided that if the said road has not yet been declared, the relevant physical barrier shall be erected within a period of six months after declaration of such road.
- (b) Except for the physical barrier referred to in clause 4.6.1 above, a swimming bath or any essential stormwater drainage structure, building, structure or other thing which is attached to the land, even though it does not form part of that land, shall be erected nor shall anything be constructed or laid under or below the surface of erf within a distance 16 m in respect of single storeyed structures abutting on Provincial Road D2284 nor shall any alteration or addition to any existing
