- (j) The erf shall be used for the erection of a dwelling house only: Provided that, with the consent of the Administrator after reference to the Townships Board and the local authority, a place of public worship or a place of instruction, social hall, institution or other buildings appertaining to a residential area may be erected on the erf: Provided further that the local authority may permit such other buildings as may be provided for in an approved town-planning scheme, subject to the conditions of the scheme under which the consent of the local authority is required.
